...and this is only “Part 1”. The “Part 2” is to come out shortly, as posted on Corey’s [SBA FB page](#).

This piece is very full of data regarding the fall of the cabal, particularly as it refers to the massive exposure of the underground pedophilia network, primarily focusing on the United States. I’ve read the entire article, and I found it a masterful “connection of the dots” by David (and Corey?) about what is guaranteed to bring this dark part of our history to an end. Guaranteed!!!

I’m posting a couple highlights below, and ALL of the text, with no links (so at least the text is preserved, in case [DivineCosmos.com](#) goes down or is taken down). I’ve also saved the entire web page, for the same reason ([download](#)).

ENDGAME: Disclosure and the Final Defeat of the Cabal

[TEXT ONLY (click link above to view the entire article... very helpful to see the images for full effect)]

The Cabal is closer to exposure and defeat than ever before. The truth is blasting through the internet as a civilian-led investigation takes hold.

Does the Cabal have a final “Hail Mary Pass” to create a mass distraction and take the heat off? Could their final move actually be Disclosure?

What if this pre-planned Disclosure turns out to be far more epic and surprising than anyone could have possibly imagined?

In order to set up this story, we first have to expose exactly how rapidly the Cabal is plummeting to the earth at this time.

Then we will see they have no choice but to make their final Endgame moves.

PART ONE: BY DAVID WILCOCK

INCREDIBLE NEW DATA IN THIS REPORT

Disclosure is upon us. Never before have we seen so many tangible signs of progress towards an imminent breakthrough.

The latest intel from the deepest levels of the UFO cover-up is some of the most fascinating data we have ever received.

If it proves to be true, we are right on the brink of experiencing the most significant events in all of our recorded history on earth.

Some very cosmic, world-changing information could soon be dropped upon us from an “official” level in a “Partial Disclosure” scenario.

This could potentially include the revelation of astonishingly high-tech buildings and cities discovered under the ice in Antarctica.

IN A WORLD.....

Imagine if you woke up one day to see hyper-futuristic ruins being revealed in Antarctica.

You’re not seeing this on Ancient Aliens or on alternative news sites, but everywhere... on every major media platform there is.

Imagine journalists and military officials revealing these incredible findings—in videos shot on location.

An event of this magnitude could be far more distracting than any 9/11-style catastrophe.

The power elite may well be hoping that such a civilization-defining “game changer” could make any and all preceding news stories irrelevant and forgotten.

ONLY NOW CAN IT BE DISCUSSED

Corey Goode was made aware of the discovery of epic new Antarctic ruins approximately three months ago, and wasn't even authorized to tell David what was going on.

We have only just now been cleared to release this critical, time-sensitive data to the public.

Since there is a large amount of information to share, this update is definitely a Long Read—but well worth it.

In order to set up this incredible new disclosure information in Part Two, it is first important to establish the “backstory” of current events through which such a disclosure event would be seen to occur.

The full, grotesque nature of the hidden group that has been concealing the truth from us for so long is finally being exposed.

GET REAL

The 2016 presidential election was arguably the most contentious, nasty political battle in American history.

This has been well-covered by almost everyone on either side of the political spectrum, so we will not go through all the fine details again here.

In the final moments, a mysterious group called “Prop or Not” appeared out of nowhere, and issued a McCarthy-esque list of “fake” news sites, allegedly under “Russian” control.

The mainstream media acted as if this “hit list” was as significant as the invention of the wheel.

They immediately adopted the fascist, Orwellian term “Fake News” into their faltering Realnews™ products.

Each link within the complete collection of blacklisted sites—over 100 in total—is already being blocked or demonetized by Facebook, Google, Apple, Snapchat and others.

A BIG BACKLASH

According to Glenn Greenwald at The Intercept, “[Prop or Not’s] list of Russian disinformation outlets includes WikiLeaks and the Drudge Report, as well as Clinton-critical left-wing websites such as Truthout, Black Agenda Report, Truthdig, and Naked Capitalism, as well as libertarian venues such as Antiwar.com and the Ron Paul Institute.”

A journalist writing for New Yorker blasted Prop or Not, saying their definition of Fake News “includes criticism of the United States, Barack Obama, Clinton, the European Union, Angela Merkel, NATO, Ukraine, “Jewish people,” U.S. allies, the mainstream media, Democrats, and “the center-right or center-left, and moderates of all stripes.”

“These criteria, of course, could include not only Russian state-controlled media organizations, such as Russia Today, but nearly every news outlet in the world, including the Post itself.”

Activist Post, one of many so-called “Fake News” sites, said, “However, it is also an exhilarating time to be a part of such mammoth upheaval, where-

The entrenched apparatus of the State itself has declared information to be its enemy—and to acknowledge that it must do everything in its power to maintain its tenuous monopoly on the truth.

YOU GET TO DECIDE WHAT IS TRUTH

We are only now witnessing a more visible form of the same cover-up that has hidden UFO reality from us for over 80 years - consistently deeming all UFO sightings “Fake News.”

State-sponsored media has engaged in psychological operations or “psyops” to discredit witnesses and insiders from the very beginning.

The Internet has opened up an era in which we, the people, now get to decide what media we want to consume, and what we choose to believe on a day-by-day basis.

If entities like Facebook are going to suppress any links that divert from dying Realnews™ government propaganda, then we must now work harder to avoid being dependent upon them.

WHAT EXACTLY DO YOU MEAN BY “FAKE?”

By definition, the Snowden documents would be “fake” as well - yet the operations they exposed are as serious as a heart attack.

As Global Research so brilliantly stated on December 1st, 2016,

“The [mainstream media] editors and writers who produce these articles seem not even to notice that their publications have been caught in one colossal lie after another—

From the claims of Iraqi “weapons of mass destruction” used to justify the illegal invasion and occupation of Iraq in 2003,

To the more recent flood of government propaganda in support of neo-colonial wars in Libya and Syria, and drone killings in a growing number of countries—

All justified in the name of “human rights” and the “war on terror.”

There are no institutions anywhere in the world more adept at producing “fake news” than the American corporate-controlled media.”

PIZZAGATE

Realnews™ is nothing but a last-ditch effort to sway the 15 percent or so of people who still even listen to state-run corporate media.

Perhaps the single most vigorous Realnews™ target is something called Pizzagate, which has taken the internet by storm, particularly in the YouTube-watching millennial generation.

It started when specific food-related words like pizza, hot-dog, cheese, pasta, sauce, ice cream and walnut appeared with high frequency in Wikileaks emails sent by Clinton associate John Podesta.

Full disclosure... this is about as far as you can go in this article without encountering some upsetting information that may be new to you.

If you get triggered by anything you read here, (which is still very mild in comparison to many of the videos,) please skip ahead to LYING THROUGH THEIR TEETH and come back to it later.

If there is any chance that these allegations are real, we owe it to the victims to be strong enough to look at the truth.

THE UNCLASSIFIED LOGOS DISCOVERED BY THE FBI

The discovery of these peculiarly-used food terms combined nicely with a nearly simultaneous Wikileaks release of an FBI document from 2007, “Symbols and Logos Used by Pedophiles to Identify Sexual Preferences.”

This was also made into a slideshow shortly after its initial FBI release in 2008. We found the slideshow by inputting the code number Q-FBI-2200-005-06. It appeared in SlideShare, a division of LinkedIn.

Here we will use some of the slides and some images from the original legal document.

The Podesta emails went public as of October 7, 2016, and were devastating to the Clinton campaign for other reasons, at least initially.

As the Millennium Report pointed out, “John Podesta is not only the ultimate Democratic powerbroker, Beltway insider and powerful political fixer, his professional resume is both long and deep in the U.S. Federal Government.

“[Podesta] was Bill Clinton’s White House Chief of Staff back in the 1990s, Barack Obama’s Counselor to the President, and Chairman of Hillary Clinton’s 2016 presidential campaign.”

FOOD-RELATED KEYWORDS USED TO SPEAK IN CODE

Out of 2,060 total emails , there are 149 instances of “pizza” in the Podesta collection, 73 of hot dog, 85 of cheese, 78 of pasta, 41 of sauce, 84 of ice cream and 47 of walnut.

The word “map,” which can refer to a telltale clue that could destroy the entire crime ring if left behind, such as through DNA evidence, appears 917 times.

That’s almost half of all the emails.

These words often appear in very, very bizarre contexts that have nothing to do with food. That is one key element of Pizzagate.

The term “pizza” itself appears to be code for a sexual partner, particularly if it is a minor, and again appears 149 times.

Although “walnut” appears 47 times in very strange ways, the equally popular nut “cashew” doesn’t appear even once. This is most likely because “walnut” is a code word and “cashew” is not.

An innocuous, non-code-word junk food like “French fries” only appears 13 times. “Milkshake” only appears six times.

“Vegetable” only appears 24 times. “Pear” only appears 25 times. “Grape” only appears six times. “Avocado” only appears four times. “Strawberry” only appears twice. None of these are code words.

UNDERSTAND THE CODE WORDS

Law enforcement authorities and online “Urban Dictionary” resources have identified the specific terms we just mentioned - pizza, cheese, sauce, pasta, et cetera - as code words for child sex trafficking.

Code words allow people engaging in illegal activities to have a cover story in the event that their communications are discovered.

A simple, much less serious example of code-speak would be a college student referring to a bag of weed as a “book”, such as when talking on the phone or in an email about it.

People engaging in criminal activities have always been aware of surveillance, and use code terms to avoid getting caught, or at least reduce the risk.

A simple-sounding question like “Read any good books lately?” can lead to knowing laughter in cases like our hypothetical pot-smoking college students.

YOU CAN RESEARCH IT FOR YOURSELF

Pizza and other specific food terms appear in very suspicious, non-food-related ways in hundreds of different letters sent by Clinton's campaign manager John Podesta and others. (1 , 2 , 3)

Here are three notable examples:

<https://wikileaks.org/podesta-emails/emailid/19018>

I consider ice cream, its purchase, and its consumption a rather serious business. We can't just willy-nilly toss it out and about in casual references, especially linked with the word "free".

<https://wikileaks.org/podesta-emails/emailid/30613>

Lo and behold, instead of pasta and wonderful sauces, it was a lovely, tempting assortment of cheeses, Yummy.

I am awaiting the return of my children and grandchildren from their holiday travels so that we can demolish them.

<https://wikileaks.org/podesta-emails/emailid/32795>

Hi John, The realtor found a handkerchief (I think it has a map that seems pizza-related. Is it yours?

RUNNING A PIZZA JOINT IS PART OF THE JOKE

Apparently, owning and running an actual pizza restaurant is part of the joke that they all find to be so hilarious.

Across the street from two key pizza places is a bistro called Terasol.

This means Sun-Earth in Spanish.

"Terra" is earth and "sol" is sun.

Up until recently, Terasol had the Girl Love logo prominently displayed on their website, right below a picture of a celebrity guest who just ran for President:

Yep. It just went there. Notice also the smaller hand inside the larger hand in this same Girl Love logo.

TERRASOL SPROUTS

Two other businesses with the exact same name as Terasol, except this time with two R's in them, also had logos nearly identical to those in the FBI database.

This data pops up almost immediately when you do a Google Image Search on "terasol logo."

The first notable example is TerraSol Organics, a business ostensibly selling nothing but young sprouts – microgreens – to the organic grocery market in Oregon.

Yet, their logo is very similar to the Child Lover symbol disclosed in the FBI database:

The Terrasol Organics website says, in part, “If you’re interested in our bulk quantities please contact us for further information on pricing and delivery options.”

This certainly does not mean they are guilty of doing anything wrong. Let’s hope this is just a very unfortunate coincidence.

ANOTHER TERRASOL (SUN-EARTH) EXAMPLE... COINCIDENCE?

Another example of a symbol straight out of the FBI database immediately popped up on a Google Image Search for Terasol Logo.

This time it is the “Little Boy Lover” symbol:

Given the odd, repeated appearance of pedophile symbols associated with the word Terrasol, it is worthy of a deeper look.

The Cabal believes Lucifer, the “light bringer,” (Sol), has dominion over the earth (Terra.)

The Terrasol logo was linked via Google Images search to a company called Bigbelly International. This particular affiliate, Terrasol, works out of Malaysia and Singapore:

WHAT IS BIGBELLY INTERNATIONAL?

Here is the website you land on after you click on the above Google Images link:

The Terrasol logo with the “Little Boy Lover”-type symbol appears under Asia Pacific / Malaysia and Asia Pacific / Singapore on this site.

Notice that the B in the Bigbelly logo could be a subtle representation of the breasts and “big belly” of a pregnant mother.

Why would a logo like this be used by one of the businesses working for a “Smart Waste & Recycling System... found in all 50 United States and more than 47 countries around the world?”

UPDATE: What about the four semicircles on the top of the cloud in the Bigbelly logo?

Doesn’t it look a lot like a big heart on the right next to a smaller heart on the left?

SECURE WASTE DISPOSAL

Bigbelly does legitimately sell trash cans that appear to be designed much better than most. Again, this may only be a very unfortunate coincidence.

They may have partnered with certain businesses and have no idea if any nefarious behavior is occurring.

It is also potentially of interest that their truck is pictured next to a movie poster for the Disney children's film Cinderella, which is about an orphaned child.

One last thing to mention is that the Bigbelly affiliates listed for Italy (Alascom) and Lebanon (Vanilae) also have logos that may be tangentially similar to those in the FBI database.

BREAKING OUT IN A BIG WAY

The "Pizzagate" scandal was a top trending search term this past week online. Millions of people are now finding out about these horrific crimes for the first time.

Never before in modern history has any "conspiracy theory" spread this quickly. It is extremely shocking stuff and the evidence in favor of a cover-up is overwhelmingly massive.

If Pizzagate breaks through into an official FBI or NYPD mass arrest, the Cabal will be defeated right along with it - unless they have a truly magnificent distraction in store for us.

On Dec. 1st, 2016, Pizzagate was the number-one headline story on Digg.com, which presents the most viral stories on the internet each day.

This meant Pizzagate was the most popular story on the entire internet as of December 1st:

A STRANGE SYNCHRONICITY OCCURRED

My second NYT best-selling book was called The Synchronicity Key, partly because I pay attention to unusual number patterns, which have appeared for me in surprising ways for many years.

It all started in college when I was reading about "paranormal" subjects. I would look up at the clock and see repeating digits, like 3:33 or 11:11, on the clock.

The Synchronicity Key goes into the science of how this works, with nearly 700 academic references.

When I used my screen-capture program to photograph the BBC article as Pizzagate skyrocketed to number-one on the internet, I was shocked by what I saw.

Not only was it the 666th image I had photographed, but the pixel size of the image I just took was 555 KB.

Right-click and save this image and see it for yourself:

Here is what I actually saw in the screen capture program. I decided not to change the name of this image from its original default, screenshot_666.

I had to use a special keystroke to capture this image:

This may not seem significant to you, and you may want to laugh at me for pointing it out.

However, this phenomenon has happened very regularly when I write articles on this site, as you can see by wading through our journalism in David's Blog.

In this case I believe it was intended to show that despite these Realnews™ cover-ups, the public is now seeing the truth for what it really is.

The truly sinister aspects of the Cabal — a group engaging in occult practices controlling government and media at the highest levels — are finally visible.

Thanks to the insanity of Pizzagate, millions of people are just starting to figure out that there may be greater significance in our ancient spiritual texts than we realized.

“How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations!” — Isaiah 14:12

THOUSANDS OF VIDEOS

There are now thousands of videos exposing Pizzagate on YouTube, some of which have millions of views.

One of the best videos to start with is from David Seaman on November 5th, before the subject was even named #Pizzagate.

David, the author of the above video, is a hero who was completely banned from Huffington Post after writing an article discussing Hillary's health.

Alex Jones' team at Infowars published a disturbing, short and well-researched video about Pizzagate, with good production value, on November 23rd.

Another leading figure in Pizzagate videos, with above-average production value, is a British vegan girl named Tara, publishing as “Reality Calls.” Red Ice featured an interview with her on Nov. 28th.

A modest investment of one hour is more than enough to realize how outrageous and shocking the evidence really is.

Symbols that are listed in an FBI database for child sex trafficking are openly displayed at a series of pizza restaurants and businesses on the same block in Washington, DC.

It therefore appears that although these businesses do legitimately sell pizza or other goods by day, they also act as fronts for child sex trafficking.

MODERN BOYLOVER MAGAZINE

We found a digital copy of issue 14 of “Modern Boylover” magazine, which has no explicit pictures, while searching for the FBI document on LinkedIn SlideShare.

It appears to have been saved there as further evidence to be used in investigations. It is not at all something I recommend reading due to the “creep factor”, which is off the charts.

The triangular Boylover logo appears all throughout the magazine, including the logo for KBLR (BoyLoveR) Radio:

In an article about where to take your Young Friend (YF), it ends with the following, which now makes more sense:

THE FOX GUARDING THE HENHOUSE

One of the most shocking details of this case concerns Besta Pizza, which used the stylized “Boylover” triangle seen in the FBI documents as their logo.

You can order the following image as a print from the official Boylover website referenced in the FBI documents, but I wouldn’t recommend it:

“Besta” means “Beast” in Portuguese. Once the investigation revealed the meaning of their logo, the company changed it on their website, even while the original was still visible in their menu.

POLITICS & PROSE

The newly-altered version of the Besta Pizza logo has also appeared on the Politics & Prose Bookstore website, another business on the same block that has been implicated just since Pizzagate began:

As revealed on Wikipedia, the Politics & Prose storefront has the “Little Boy Lover” logo written into the ampersand (&) symbol in the middle of the title:

This business is apparently owned by Hillary’s speechwriter.

These two screen captures from a Sgt Report video reveal that a skull and crossbones “death” symbol was clearly visible on the sidewalk in front of Politics & Prose as of July 2010.

This symbol was easily visible in a Google Maps Street View search:

The Skull and Crossbones symbol is also seen in the Skull and Bones society, also known as the Brotherhood of Death, which many US presidents have been members of:

‘THAT’ ANDREW KLINE....

Besta Pizza and the coffeeshop at Politics & Prose are owned by Andrew Kline. And it is that Andrew Kline - the Clinton appointee overseeing the prosecution of child sex trafficking.

Kline’s ownership of Besta Pizza was hidden three levels deep in government data (1 , 2 , 3), so it was not easy for civilian investigators to find.

As revealed in a Vanity Fair article from May 24, 2011,

“Special Litigation Counsel Andrew Kline, a Clinton appointee with an M.A. in human rights from Harvard’s Kennedy School of Government, was one of four attorneys in the Human Trafficking Prosecution Unit of the Department of Justice, in the Civil Rights Division.

It fell upon the curly-haired, bespectacled Kline (now a senior adviser in the executive office of the president) and one other colleague to provide U.S. attorneys nationwide with training on prosecuting trafficking cases.”

If one of four highest-ranking attorneys in the DoJ responsible for arresting pedophiles is himself a perpetrator, he can help ensure that he and his friends never get caught.

According to a Guardian article from Nov. 3rd, “The currently serving FBI agent said Clinton is “the antichrist personified to a large swath of FBI personnel.”

MASTER DATABASE SAVED FROM DELETION

The central nexus-point for Pizzagate research on Reddit was censored as it went viral, as were the backups, but thankfully Archive.org captured it at its peak on November 22nd:

https://web.archive.org/web/20161122083118/https://m.reddit.com/r/pizzagate/comments/5da0kp/comet_ping_pong_pizzagate_summary/

Now that we have published this link, it may be censored off of Archive as well, but for now anyone can grab the data and mirror it.

All the initial, landmark Pizzagate videos were based off of the research in this thread, though additional links are continually being discovered as well.

As an example, “Ping Pong” is apparently a slang reference for sex, due to the rhythmic motion involved.

The fact that Comet Ping-Pong has many different ping-pong tables in the restaurant therefore becomes part of the “inside joke.”

The Comet Ping Pong menu has a logo of two ping-pong paddles on it that looks very similar to the FBI-identified logo for Child Lover.

The paddles say “Play. Eat. Drink.” over them. This may be an acronym for PED - i.e. a pedophile. All of this, and much more, can be found in the Reddit archive.

But of course, this is just a tragic example of “how fake news is hurting real people” — so says the New York Times.

WHAT ABOUT THE 650,000 SEIZED EMAILS?

The greatest “plot twist” of the 2016 election was when FBI director James Comey announced that 650,000 new emails had been found on October 28th - just three days before Halloween.

Hillary’s campaign manager Huma Abedin was married to Anthony Weiner, who was caught in a months-long online sexual relationship with a 15-year-old girl.

The 650,000 emails, thousands of which were Clinton-related , were found in a folder on Weiner’s laptop entitled “Life Insurance.”

So many people who opposed the Clintons died of “suicide,” ever since Bill’s run as the governor of Arkansas, that the term “Arkancide” was coined.

Sensationally, the day before the election, Comey announced that no new evidence had been found in the emails, which have not yet been leaked.

Trump blasted Comey for this ludicrous announcement. It appeared that Comey was caught in between two different groups, both giving him lethal threats.

Just three days earlier, insider Erik Prince had released a bombshell of new information from the NYPD and the FBI.

ERIK PRINCE’S STUNNING “REVEAL”

On November 4th, Breitbart News featured a massively significant article entitled “Erik Prince: NYPD Ready to Make Arrests in Anthony Weiner Case.”

Many people who formerly worked “on the inside” for the Cabal / New World Order have defected and become whistleblowers.

As the original founder of the Cabal's own mercenary army Blackwater, Erik Prince definitely appears to have broken away and joined what we are calling the Alliance.

In this groundbreaking article, we read the following:

"Blackwater founder and former Navy SEAL Erik Prince... claimed he had insider knowledge of the investigation that could help explain why FBI Director James Comey had to announce he was reopening the investigation into Clinton's email server last week....

"[The NYPD] found a lot of other really damning criminal information [in the 650,000 emails on Weiner's laptop],... including the fact that Hillary went to this sex island with convicted pedophile Jeffrey Epstein.

Bill Clinton went there more than 20 times. Hillary Clinton went there at least six times," he said....

"The NYPD wanted to do a press conference announcing the warrants and the additional arrests they were making in this investigation, and they've gotten huge pushback, to the point of coercion, from the Justice Department."

THE EMAIL EVIDENCE IS "SO BAD"... "GREAT EVIL"

As we read further in this key Breitbart article, we hear that the mayor of NYC wanted nothing to do with the 650,000 new emails, and the NYPD feels they are proof of "great evil:"

"As for [Bill de Blasio,] the mayor of New York City, [Blackwater founder Erik] Prince said he has heard that "de Blasio wants to stay away from this."

"The [new Clinton email] evidence is so bad, the email content is so bad, that I think even [de Blasio] wants to stay away from it, which is really telling," he said....

"For any cop that is aware of this level of wrongdoing, and they have veterans in their family... they owe it to them to stand up... and shine the light of truth on this great evil."...

"This is stuff coming right off a hard drive that was owned by Weiner and his wife Huma Abedin, Hillary's closest adviser for the last 20 years," he said of the new bombshells.

"This is not from some hacker or anybody else. This is a laptop seized from a warrant in a criminal investigation."...

"This kind of evil, this kind of true dirt on Hillary Clinton - look, you don't have to make any judgments. Just release the emails," [Erik Prince] urged.

"Just dump them. Let them out there. Let people see the light of truth."

WHAT ABOUT BREITBART?

On February 4th, 2011, Andrew Breitbart tweeted, “How prog-guru John Podesta isn’t [a] household name as [a] world class underage sex slave op cover-upper defending unspeakable dregs escapes me.”

Then, a year later, all throughout February 2012, Breitbart telegraphed the release of a video that he said would appear on March 1st.

This video, he claimed, would be severely damaging to Obama’s re-election campaign. “Wait till they see what happens March 1st,” he said.

Right before the anticipated release, on February 28th, 2012, he tweeted, “How much longer until they kill me (“heart attack” or “car accident”) or frame me for a crime? Read me while you can.”

Andrew died of an alleged heart attack on March 1st, 2012—just two days later. Coincidence?

The coroner who conducted the investigation died of arsenic poisoning just two months later. It’s not that hard to figure out what happened here.

Blatant stunts like this are intended to scare people off, so they fear the seemingly limitless power of the “monster under the bed” and retreat back into the safety of silence... and ignorance.

WILL STEVE BANNON PURSUE JUSTICE?

Steve Bannon took over Breitbart News after Andrew’s death, becoming Executive Chair in March 2012.

It is therefore very interesting that Trump appointed Bannon to a cabinet-level position as his chief strategist and senior counselor.

Realnews™ outlets are in an all-out panic about Bannon’s new role, doing everything they possibly can to demonize him.

Bannon does have character defects. The media is amplifying them to the point where it seems as if that’s all there is to see.

However, Bannon’s appointment also makes it very likely that Pizzagate arrests will take place some time after the inauguration on January 20th.

On November 22nd, Trump announced that he will not prosecute Hillary himself. He won’t have to. The NYPD and the FBI will probably do it for him.

Our insiders have revealed that if any action were to be taken before the inauguration, Obama could issue pardons to stop prosecution from occurring.

Hence, we are in an agonizing “holding pattern” between now and then.

THE TWO BIGGEST MISSING PIECES

The archived Reddit thread has much of the initial Pizzagate evidence that generated countless legions of YouTube videos, marching to defeat the Cabal.

Here are the two biggest things missing from the Reddit Pizzagate thread that are likely to be relevant:

1. The owner of Comet Ping Pong’s name, James Alefantis, appears to be a pseudonym cipher designed to resemble “J’aime les enfants,” which means “I love children” in French;
2. The character who performed at Comet Ping Pong wearing a red ski mask, black sunglasses and a blonde wig, “Majestic Ape,” appears to be James Alefantis as well.

James Alefantis is still listed on GQ as the 49th most powerful person in Washington DC at the time of this writing: <http://www.gq.com/gallery/50-most-powerful-people-in-washington-dc#49>

The hands of Majestic Ape, as seen in the music videos, are clearly male. They have the same size and shape as those of Alefantis, and have no hair, just like those of Alefantis.

The mouth that we see through Ape’s mask looks exactly like Alefantis’ mouth, including the thin lips, noticeable indentions around the philtrum below the nose, and the shape of the corners.

Furthermore, the voice of Majestic Ape, while speaking through the vocoder, sounds exactly like a pitch-shifted version of Alefantis’ voice.

REALLY HORRIBLE STUFF

Alefantis’ once-public Instagram posts included an image of a baby hashtagged as “hotard,” and a man wearing a shirt saying “J’ (heart) L’Enfants” (I love children.)

If that’s not enough, how about a creepy all-steel freezer hashtagged “killroom” and “murder”, or a child with her wrists duct-taped to a ping-pong table.

These are only a few of the many disturbing Instagram images that are featured in so many of the Pizzagate videos.

We are not going to post them here, since almost every website that does is suffering aggressive takedowns.

Murals on the walls of Comet Pizza included painted images of women holding the severed heads of children—and winged demons.

The videos also report that a mural in the bathroom had a demonic image that said “Shut Up and F—,” which is very inappropriate for a child-themed restaurant.

Those images have since been scrubbed off the walls, as a video confrontation with James Alefantis revealed on November 22nd.

Alefantis claimed the images had been removed five years ago, but that still doesn’t answer the question of what the heck they were doing up there in the first place.

“FINISH EATING YOUR PIZZA AFTER YOUR SESSION”

Hackers on 4Chan claimed to have found a secret area of encrypted videos on the Comet Pizza website’s server.

Although they could not de-encrypt the videos, they were able to extract an image with text on it that provided instructions to those who were accessing the videos.

The instructions used code language to discuss an app that viewers would download and use one time only.

Here it is... if you can handle reading it:

The text from the image, if it is proven true, would be extremely damning in a criminal investigation:

“This month we have five fresh pizzas for your enjoyment. We also have four surviving pizzas from last month’s session.

“All are on sale at extremely low priced [sic] as they are in poor health and not expected to survive.

“Our requirement is that you finish eating your pizza after your session....

“Very few have broken the rules and needless to say, the penalties are harsh.”

This was covered by Infowars reporter Joe Biggs and Sgt Report, among others.

When the disclaimer said “each image below is available for \$1,000 in fine print,” you most likely have to add a zero to get the price they are charging for a captured child.

MAJESTIC APE VIDEOS... EVEN WORSE

The single most disturbing aspect of Pizzagate—perhaps even worse than Alefantis’ insanely offensive and evil Instagram posts that were public until this started—are the videos of Majestic Ape.

The name “Amanda Kleinman” is a distraction, as Majestic does not look or sound anything like her.

“Majestic” is also a code term for high-level government secrecy, as in Majestic-12 or MJ-12, the group allegedly behind the UFO cover-up since at least the 1950s.

An insider also revealed to Wilcock that the name “Majestic” refers to Her Majesty, the queen of England, who is a key figure in the Cabal controlling UFO secrecy.

Two tapings have emerged so far of Majestic joking about raping and murdering children and babies on the Comet Pizza stage—which again is owned and run by James Alefantis.

In the main live video that has been quoted in so many Pizzagate videos, at 1:18, Majestic also says,

“We are here to celebrate the birth of our Lord.

“It wasn’t Christmas.”

SASHA LORD

Other than a possible satanic reference, Majestic appears to be joking about an employee named Sasha Lord, who was celebrating a birthday.

Sasha is the music booker for Comet Ping Pong. Majestic’s thinly-veiled references, as quoted in the next section below, indicate Sasha may also work there as a prostitute.

The posters of Comet’s music acts on Sasha’s webpage contain multiple disturbing images.

This includes the Illuminati pyramid, All-Seeing Eye, pentagrams, children, a creepy owl face that could be the god Moloch, and a cartoon decapitated corpse.

Sasha’s page on Comet Ping Pong brags about the restaurant having “rough concrete walls, bathrooms hidden behind secret panels, and table tennis galore.”

VERY STRANGE STUFF

At 1:30 in the stage rant video, Majestic says, “If you are like me, you love Sasha. Or if you don’t, you want perks from her. (Laughs) Things like free pizza. (Audience Cheers)”

Very soon after at 2:16, he says, “Have any of you enjoyed this special pizza here tonight called the Hottie?... If you haven’t had it, you should try it, it’s delicious.”

He then goes on to joke that the secret ingredient in “The Hottie” is ketchup - a possible reference to the blood of a sacrifice victim.

He also jokes about Sasha's great grandfather inventing "Russian dressing, you put it on a salad... s-k it!" Sauce is one of the code words. "Salad" is sexual slang for the pubic area.

This short three-and-a-half-minute video presents the most disturbing part of the 12-minute Majestic Ape video rant above, where he jokes about "euthanizing" a newborn baby... his own.

Starting at 5:22, he rants that before the era of Facebook, he was worried that he was infertile. He then impregnates Sasha, and kills the baby as soon as it was born.

The audience gets very uncomfortable at this point, as if he was much too high to realize what he was saying, and quickly pressures him to change the subject.

DON'T WATCH THE VIDEOS IF YOU LIKE TO SLEEP

Even worse are the music videos of Majestic Ape, which are loaded with satanic and pedophile symbols and include grotesque murder scenes at the end of "U the One I Want."

The video for "Airtight" appears to include a veiled offer for child sex trafficking as well as porn, disguising it as the sale of record albums and a "live, in-person performance."

The dollar values in "Airtight" are probably encoded, and require an extra zero to properly decipher. The "live performance" is offered in the video at 1000 dollars.

The website <http://ww3radar.tumblr.com/> made the obvious Alefantis / Majestic connection, with comparison photos.

All of those photos were deleted just two days after we first located them. This makes it even more likely that there is a legitimate connection here that powerful people do not want us to find.

VERY NASTY STUFF

Some extremely disturbing links were associated with these images on WW3Radar, including a mock "snuff film" starring a clothed female who may possibly be Sasha Lord.

This video appears on a page from someone called "Montagraph" and is entitled "Little Piggy and the Umbrella Man." In all honesty, don't watch it.

The violent, psychopathic torturer in this video wears a black-and-white checkerboard mask.

This is a Cabal symbol that appears on the floor of a Masonic lodge, indicating the interplay of negative and positive.

Similarly, it is much easier to decipher the “14 Fish” symbolism on Podesta’s hands than most of the YouTube videos think.

14 is the number of dismembered body parts of Osiris, which the Cabal sees as Lucifer, the left-handed path. The fish is the symbol for Christ, the right-handed path.

Notice they are on the opposite hands. The Cabal believe that both paths must be practiced to their fullest extent in order to achieve enlightenment or “Illumination.”

Many YouTubers have noticed the bandage on the “middle finger of his left hand,” exactly as Marina Abramovic recommends you wound with a knife in her Spirit Cooking ceremonies.

ROBERTA’S PIZZA...

Hillary has claimed that her favorite restaurant in New York is Roberta’s Pizza, and their Instagram page is practically bursting with sinister Cabal images, as this video reveals.

Again... we urge you not to look into any of this disturbing material unless you have a very strong stomach and some real time to process the emotional shock you will experience.

According to Alex Jones, grown men working for the FBI would cry when they saw the evidence in the seized Clinton emails, and were so scared they walked away from the case.

MILEY CYRUS AND PIZZA

On December 15, 2014, Life & Style Weekly wrote, “If you follow Miley Cyrus on Instagram, you’ve probably noticed that the 22-year-old is weirdly obsessed with pizza

“Like, almost every other post is pizza-related.”

Cyrus has created countless Photoshopped images of herself with pizza—including an ultrasound of a baby made out of pizza in a mother’s womb.

The Life & Style article leads with a picture of Miley’s head on a swimming baby, with her tongue out, licking at a piece of pizza on a fishing hook.

We are not going to include these images here, just so the overall look of this article is a little less disturbing.

A Google Image search of “Miley Cyrus pizza” generates countless examples. Many of these images again suggest a highly sexualized environment around pizza.

Cyrus started out as Hanna Montana, a children’s hero with Disney’s top-ranked show.

Then, before she was even of legal age, she shape-shifted into a hyper-sexualized figure revealing countless examples of Cabal symbolism in her videos.

UNDER ATTACK BY SATAN

In 2011, Miley's father Billy Ray Cyrus told GQ that his family was under attack by Satan, and he was scared for his daughter.

In 2015, Miley dressed up as a hyper-sexual baby, complete with a pacifier and baby clothes, in her video BB Talk.

The UK Independent deemed this "the most disturbing music video of 2015:"

"Look, it's probably not worth explaining all the different levels on which an adult woman dressed as a giant baby, sucking her own toes while singing about intercourse, is disturbing....

But, really, did we need to take the imagery to such a nightmarish level?"

KATY PERRY AND PIZZA

Katy Perry is also obsessed with pizza in her music videos. In "This Is How We Do," it goes to quite an extreme:

"Thankfully, today Katy and her team released a behind the scenes (BTS) video featuring the making of "This Is How We Do," which gives us the deets on the pizza bathing suit and more. So much more....

Our favorite reveal of the BTS video had to do, of course, with Pizza Perry.

We were already well-aware of her pizza earrings and bathing suit, but there was more pizza. Pizza we didn't know about.

PIZZA NAILS."

MTV WRITES ARTICLES ABOUT KATY PERRY AND PIZZA

Similarly, MTV.com had an article entitled "Katy Perry's Dedication to Pizza Onesies Makes Our Hearts Melt:"

"Yesterday, KP tried to climb the Philadelphia Museum of Art stairs Rocky -style (bless her heart), but got bombarded by fans before she could reach her destination.

(We're guessing sporting head-to-toe cheese might have had something to do with it.)

Find out how to smother yourself in pizza like Katy Perry See Katy wrestle a dog in a pizza costume."

In this next article from MTV.com, "Smother Yourself in Pepperoni Pizza Like Katy Perry," we read:

“It’s no secret that Katy Perry is obsessed with pizza.

She’s been spotted wrestling a dog in a pepperoni onesie , taking a nap under a slice of the cheesy stuff , and one time, she even ate an entire pie while hangin’ in a bathtub ... by herself.

(That’s love, y’all.)”

THIS IS MORE COMMON AMONG “CELEBRITIES” THAN YOU MIGHT THINK

Miley Cyrus has also been photographed wearing the same “pizza onesie” and having a pizza comforter on her bed.

Twist Magazine published a 14-part slideshow of celebrities, including Beyonce and Cara Delevigne, wearing outfits that are styled like pepperoni pizza.

The article is entitled, “ Yum! Miley Cyrus, Jake Miller & More Celebs Show Off Their Pizza Styles:”

“Some of your other favorite stars, including Jake Miller, Victoria Justice and Selena Gomez have all been spotted proudly wearing pizza-themed outfits!

Click through the gallery to see the fun pics! Just a warning: you might get a little hungry after seeing these clothes.”

For some reason, every outfit and image like this is made of pepperoni pizza - almost never just with cheese alone or with any other toppings.

The pepperoni itself could have an implied phallic connotation.

ELIJAH WOOD’S ACCUSATION

On May 23, 2016, Lord of the Rings lead actor Elijah Wood said Hollywood’s biggest problem has always been pedophilia.

These allegations were covered in Variety, the top Hollywood magazine, among other sources such as the Sunday Times.

Let’s now read excerpts from Variety, as they are highly relevant:

“The actor, in a new interview with the Sunday Times , is accusing Tinseltown of having a pedophilia problem, saying “a lot of vipers” are preying on children in the business.

“Clearly something major was going on in Hollywood. It was all organized. There are a lot of vipers in this industry, people who only have their own interests in mind,” he said.

“There is darkness in the underbelly... People with parasitic interests will see you as their prey....”

He added that he’s been “led down dark paths to realize that these things probably are still happening.”

Amy Berg’s documentary “An Open Secret” revealed the full scope of the problem, and was completely squashed by the Establishment after its premiere.

It was only shown in nine theaters in Denver and Seattle starting on June 5th, 2015, and was quickly removed.

It eventually got distribution by cutting it from an R to a PG-13 rating, long after the “buzz” had worn off.

However, it now seems to be impossible to find, except through bootleg copies on YouTube.

MACAULAY CULKIN’S BAND “PIZZA UNDERGROUND”

Macaulay Culkin was one of Hollywood’s most visible child actors in the 80s, such as through the “Home Alone” movie series.

In 2012, he formed Pizza Underground, a band singing Velvet Underground songs where the lyrics were changed to be about pizza. Velvet Underground openly advertised heroin use in many of their songs.

Pizza Underground released a music video in 2013 and actually toured North America with this odd concept. They wanted all interviewers to submit pizza-related questions only.

Eugenia Williamson, a freelance writer working for top publications, decided to submit her five pizza-themed questions - and included sexual innuendo in them, such as a sausage sitting on a pizza.

Her questions then featured what she admitted to be “increasingly inappropriate” references, such as to Michael Jackson’s Neverland Ranch.

Many believe Macaulay Culkin may have experienced child sex there.

An enormous backlash from the media occurred, nearly ruining Williamson’s life in the process:

“Civilians, journalists, famous comedians like Nikki Glaser, comedy fans: all came out against me, saying I was bitter, a failure, jealous, fat, a terrible journalist, a terrible person, a b-h, an a-hole,... that I would rot in hell, that nobody would ever take me seriously again...”

“Since PizzaGate, I have formulated my own story about why those 300 words caused so much antagonism.”

PIXAR AND “PIZZA PLANET”

Every single Pixar film since 1995, except “The Incredibles,” has had a “Pizza Planet” delivery truck hidden in it, as this video montage reveals.

This again suggests a long-standing “inside joke” about pedophilia from the highest levels of Hollywood.

Pixar, of course, makes cartoon-like children’s films with the top-of-the-line computer graphics in the industry.

This was once considered just an interesting “Easter egg,” but after Wikileaks and Pizzagate, we have to rethink everything.

TEENAGE MUTANT NINJA TURTLES

Another weird connection that has since emerged is from the Teenage Mutant Ninja Turtles.

The secret to the Mutants’ super-strength came from eating pizza, much like Popeye once acquired from spinach.

Sexual trauma can be used to create MK-ULTRA compartments in the mind. Pizza now appears to symbolize this trauma, in part.

Once the programming is introduced, it can be used to train assassins who develop unusually powerful abilities - just like the Mutants.

The whistleblower Svali talked about this back in 2000-2001, before she went quiet. We only found out she was still alive as of May 16, 2015.

If you attempt to search for her on Google, the name “Svali” is automatically changed to things like “sivilli” or “civil” unless you manually force Google to use that exact term.

Just go to svalispeaks.com for a collection of the majority of everything she wrote. Still to this day, it is the most far-reaching expose’ on the Cabal we have ever seen.

All of the things you are reading about here are discussed in thorough detail, though she never covers the use of food code words.

HIGHLY UNUSUAL INGREDIENTS

As Peter Pham noted for Foodbeast in 2014, many of these Mutant Ninja Turtle pizzas had highly bizarre ingredients that you would never expect in real food.

“One of the things that stuck was all the ridiculous pizzas Michelangelo and his brothers would order throughout the series.”

This video contains a montage of many of the strange pizzas that were made. Many of them include unusual sauces.

These sauces include butterscotch, clam sauce, chocolate fudge sauce, whipped cream, hot fudge, yogurt and anchovy sauce.

Sauce is one of the code-word references that appears in very strange ways throughout the Podesta emails.

Other sexual innuendoes hidden in the strange pizza toppings might include tuna fish, clams, pickles, pepperoni, jelly beans, salami, sausages and banana.

Peter Pham created real mockups for “24 of the most disgusting pizza orders from the show,” obviously having no idea of the code that has since been uncovered.

PODESTA’S UNDERGROUND CHAMBER

An article from The Guardian in 2004 revealed that Podesta installed a lockable underground vault in his house to watch “awkward videos”:

<https://www.theguardian.com/culture/2004/apr/20/usa.world>

“[The Podestas] are known for purchasing “awkward” works, such as video installations, that many other private collectors will not consider.

“It’s easy to store them, but difficult to display them,” says Podesta.

To get round the problem, he and his wife have excavated a huge subterranean vault beneath their house outside Washington.

[It is] a white space 5m square and 4m high in which it will be possible to show “very complicated video pieces” on all four walls.

In a Wikileaks email from January 31st, 2014, entitled “Last night was fun,” Tony Podesta wrote to his brother John,

“Still in torture chamber. Another question. Do you two wanna have feb 14 valentines day dinner?”

Dinner, of course, has a whole new connotation in light of the code words we have now discovered.

LYING THROUGH THEIR TEETH

As David has been saying for years now, in dealing with the darkness that exists in the Cabal, “If you throw up, you will feel better.”

We were never sure exactly how the Cabal would break down. The absurdly negative details of Pizzagate have finally activated the full fury of the public.

As Pizzagate went into overdrive, the BBC joined NPR , the New York Times and other Realnews™ outlets in blatantly ignoring the voluminous evidence that exists - and lying through their teeth.

Alefantis is being interviewed as the sorry victim of a vast “internet hoax” of “fake news” with “no evidence.”

This was the BBC article that lived on the top of Digg.com for all of December 1st:

<http://www.bbc.com/news/blogs-trending-38156985>

“No victim has come forward. There’s no investigation. And physical evidence? That doesn’t exist either.

But thousands of people are convinced that a paedophilia ring involving people at the highest levels of the Democratic Party is operating out of a Washington pizza restaurant.”

FAR MORE THAN ENOUGH EVIDENCE FOR CRIMINAL PROSECUTIONS

Coming face-to-face with this truth is very upsetting, and may require significant time for you to integrate and process.

Wilcock wrote extensively about Cabal pedophilia in Section Three of Financial Tyranny, nearly five years ago now on January 13, 2012.

This included an expose of the North-American Man-Boy Love Association, or NAMBLA.

David was specifically asked to release this data by the Alliance, despite his own personal reservations.

There is far more than enough evidence for Pizzagate to lead to arrests and criminal prosecutions already.

This is going to happen soon, so please don’t take the law into your own hands, as was done on December 5th when a man brandished a rifle inside Comet Pizza.

The Cabal will do just about anything to suppress the exposure of pedophilia and child trafficking at the highest levels of Western society.

THE ALLIANCE

David Wilcock was briefed on the Alliance that is working to defeat the New World Order / Cabal or so-called “Illuminati” in 2009, by the high-ranking insider Pete Peterson.

Corey Goode had anonymously mentioned the Alliance in discussion forums for years, and publicly joined forces with David early in 2015.

We have jointly been discussing the reality of the Alliance ever since - including through our Gaia show Cosmic Disclosure, which has significantly more viewers than CNN's own Realnews™ programs.

The evidence in favor of the Alliance's existence is ever-increasingly obvious. Wikileaks is a major example.

The Inquisitr website was one of many sites to report on the latest astonishing, public revealing of the Alliance - which occurred just before the 2016 presidential election.

They reported on how Dr. Steve Pieczenik arrived on the scene, giving an official face and voice to the Alliance we have been disclosing all these years.

DR. PIECZENIK ON THE ALLIANCE

Here is an excerpt from the November 2nd article in the Inquisitr on this astonishing breakthrough.

<http://www.inquisitr.com/3668815/former-state-department-official-steve-piecznik-may-have-made-the-most-important-announcement-in-american-history/>

“Dr. Steve Pieczenik has made a series of serious accusations on YouTube that, if proven true, will easily be the most important ever made in American history....

[Pieczenik is] a Harvard Ph.D. and was Deputy Assistant Secretary of State under Henry Kissinger, Cyrus Vance and James Baker....

He also served the presidential administrations of Gerald Ford, Jimmy Carter, Ronald Reagan and George H.W. Bush.

[He] has been called “one of the most ‘brilliantly competent’ men in the field of terrorism” by Pulitzer Prize-winning journalist Mary McGrory.

Tom Clancy has literally based books on this guy's experience....

In the first video he released yesterday, Dr. Pieczenik announces that he [represents] a broad coalition of many individuals in the FBI, the CIA, military intelligence, and men and women in 15 other intelligence organizations.

[They] are engaging in a bloodless counter-coup against the “soft coup” that he says the Clintons, the current administration and many other top government officials have enacted [through overtaking the judiciary and many other American institutions]....

He also said he and his friends are the source of the leaked emails that WikiLeaks has been releasing, which would corroborate what award-winning human rights activist Craig Murray said after his friendly visit with Julian Assange two weeks ago.

“I can tell you with 100% certainty that it is not any Russian state actor or proxy that gave the Democratic National Committee and Podesta material to WikiLeaks.”

And in his second video, Pieczenik delivered a shocking message: according to him, Hillary Clinton is about to be charged not only with obstruction of justice, but also with sex with minors.

According to Dr. Steve Pieczenik, both Hillary Clinton and her husband have sex with underage children, and he says they have proof.”

LET’S READ THE TRANSCRIPT

Here is an excerpt from the transcript of Dr. Pieczenik’s own words. This is tantamount to the largest public revealing of the Alliance yet.

Steve Pieczenik 11/2 Partial Transcript

<http://www.godlikeproductions.com/forum1/message3348291/pg1?disclaimer=1>

“The Clintons have been involved in co-opting our Whitehouse, our judiciary, our CIA, our FBI, our Attorney General, Loretta Lynch, and our Director of the FBI, James Comey for some time now....

However, in order to stop this coup we in the intelligence community and others involved have informally gotten together.

With their permission, I am beginning to announce that we’ve initiated a counter-coup through Julian Assange and Wikileaks.

I am just a small part of something far bigger than myself.

It was the brave men and women who were in the FBI, CIA, the Director of Intelligence, the military intelligence, and the men and women in fifteen other intelligence organizations who were sick and tired of seeing this corruption in the Whitehouse, justice department, and the intelligence system.

We decided there was something we had to do in order to save the republic.”

A MUCH GREATER CONFLICT

It is deeply gratifying for the Alliance to have finally produced a spokesman who served in multiple US administrations.

We are still only seeing the very beginning of a full disclosure process. Ultimately we will discover the truth of a cosmic battle for the survival of the human race on earth.

The Cabal that is now openly branding their opposition “Fake News” has been suppressing the truth of UFOs for well over 80 years.

Any type of formal disclosure, such as of super-advanced ancient ruins in Antarctica, would be a massive game-changer that could create enormous distraction.

It does appear that the Cabal has been holding onto this “card” all along, and may be about to play it.

THE PODESTA / DISCLOSURE CONNECTION

On May 9th, 2001, Dr. Steven Greer brought 39 whistleblowers forward at the National Press Club in Washington DC, in an event entitled The Disclosure Project.

It was hoped that this would lead to a formal acknowledgement that we are not alone. The movement was gaining steam up until it was wiped out by the distraction of 9/11 a few months later.

On February 13, 2015, Podesta tweeted, “Finally, my biggest failure of 2014: Once again not securing the #disclosure of the UFO files. #thetruthisstilloutthere”. This ignited a firestorm on the internet.

The next day, February 14, 2015 (Valentine’s Day), Disclosure Project chair Dr. Steven Greer, a Washington DC local, made the following announcement on his website:

“Dr. Steven Greer is now confirming for the very first time that it was John Podesta to whom he provided the extensive briefing on UFOs shortly after President Obama took office in 2009.

(See cover letter to President Obama (<http://siriusdisclosure.com/wp-content/uploads/2012/12/obama-briefing-introduction.pdf>).

“Dr. Greer states: “An attorney working with Mr. Podesta requested the briefing and we assembled an extensive file for Mr. Podesta to provide to the newly- elected President Obama.

“There was also support for this process from a senior CIA official who is friendly to Disclosure and the briefing was also provided to then-CIA Director Leon Panetta.”

“Mr. Podesta came out publicly in support of Disclosure the year after the historic 2001 National Press Club Disclosure Project event, organized by Dr. Greer.

“Dr. Greer continues, “We are encouraged that Mr. Podesta remains a stalwart supporter of Disclosure and we continue to advocate for the release of illegally classified information and technology related to UFOs. ”

THE HAIL MARY PASS

The Cabal may well use Disclosure as their final Hail Mary pass when they are on the brink of defeat - which now appears to be very imminent.

A Hail Mary Pass is where an American football player throws the ball across most of the entire field—in a desperate attempt to score a game-changing touchdown with no time left on the clock.

In this case the football may just look a lot like a flying saucer. The Wikileaks emails have now revealed intriguing Disclosure-related connections.

This includes communications between Podesta and Apollo astronaut Edgar Mitchell, a staunch Disclosure advocate, as well as the Blink-182 frontman Tom DeLonge. Blink-182 was one of the most famous bands of the 1990s.

DeLonge has claimed to be in contact with “at least ten” different high-level insiders who are feeding him classified information.

Based upon the contents of DeLonge’s truth-disguised-as-fiction book *Sekret Machines*, it appears he is being fed the talking points of what we have called the “Partial Disclosure” scenario.

More on that as we continue.

THE VILLAINS AND THE ALLIANCE

In the case of a Full Disclosure event, everyone will find out that the villains in our cosmic storyline are far more evil than most people could have ever imagined.

The villains include highly aggressive and negative extraterrestrials who have formed complex partnerships with Cabal / New World Order groups here on earth.

Torture, rape and murder actually creates an energy that these negative entities feed on, known as “loosh” in the dark inner world of the Cabal.

These acts of torture, particularly on children, also create splits in the mind that can then be programmed to do things, hidden away under amnesic barriers.

At the same time, the Alliance resisting these negative forces is vastly bigger and more organized than most people realize, if they even know about it at all.

This Alliance also is working with positive extraterrestrials, at least once you explore the more deeply classified sub-groups working within it.

The Alliance has released multiple top films that attempt to shed light on mind control and many other aspects of the Cabal.

Most recently, this included Captain America: The Winter Soldier and Captain America: Civil War.

STAY TUNED FOR PART TWO!

This entire Part One was originally written as an introduction to a joint article I am developing with Corey Goode.

That article is almost finished and will be sent off for art direction, but I wanted to get this out first so you had time to process it.

We hope to have the rest done for you very soon. Stay tuned!

DISCLAIMER: Please do not harass the individuals or businesses listed here. Let the NYPD, the FBI and other legitimate law enforcement agencies do their work. This is very important. Thanks.

As one final word, check out this update David Seaman posted today about the media declaring this very significant case as nothing but “fake news.”

This guy is on fire, very fluent, and with the precision and speed of a top attorney, he asks one extremely damning question after another- summarizing much of what we said here.

Boom! <https://www.youtube.com/watch?v=qGVSA2Jjelo>

SYNCHRONICITY UPDATE, MINUTES LATER, SAME MORNING

This article has “gone viral” at an astonishing speed, reaching nearly 10,000 views in minutes.

I went in to make a small change and the repeating-number-pattern synchronicity phenomenon was staring me in the face once again.

The hit counter was at precisely 9555. Seconds later it had gone up to 9616, but I photographed it at this moment. It is the third number over from the right:

These things just happen without any effort, yet the phenomenon is remarkably consistent. It already occurred when photographing the BBC’s attempt to make this all go away.

I see this as a very positive sign that we are being guided by the angelic forces we will meet in Part Two, which we are feverishly working on now.

After all this time, seeing this much real progress in the open world is a huge relief, despite the highly unpleasant nature of what we are learning.

ENDGAME: Disclosure and the Final Defeat of the Cabal

[Jump To Comments](#) | [Print](#) |
by David Wilcock

December 6, 2016, 8:00 am

The Cabal is closer to exposure and defeat than ever before. The truth is blasting through the internet as a civilian-led investigation takes hold.

Does the Cabal have a final "Hail Mary Pass" to create a mass distraction and take the heat off? Could their final move actually be Disclosure?

What if this pre-planned Disclosure turns out to be far more epic and surprising than anyone could have possibly imagined?

In order to set up this story, we first have to expose exactly how rapidly the Cabal is plummeting to the earth at this time.

Then we will see they have no choice but to make their final Endgame moves.

UPDATED Same day, additional info in Bigbelly section, some new images and text at the end in red.

PART ONE: BY DAVID WILCOCK

INCREDIBLE NEW DATA IN THIS REPORT

Disclosure is upon us. Never before have we seen so many tangible signs of progress towards an imminent breakthrough.

The latest intel from the deepest levels of the UFO cover-up is some of the most fascinating data we have ever received.

If it proves to be true, we are right on the brink of experiencing the most significant events in all of our recorded history on earth.

Some very cosmic, world-changing information could soon be dropped upon us from an "official" level in a "Partial Disclosure" scenario.

This could potentially include the revelation of astonishingly high-tech buildings and cities discovered under the ice in Antarctica.

IN A WORLD.....

Imagine if you woke up one day to see hyper-futuristic ruins being revealed in Antarctica.

You're not seeing this on Ancient Aliens or on alternative news sites, but everywhere... on every major media platform there is.

Imagine journalists and military officials revealing these incredible findings—in videos shot on location.

An event of this magnitude could be far more distracting than any 9/11-style catastrophe.

The power elite may well be hoping that such a civilization-defining “game changer” could make any and all preceding news stories irrelevant and forgotten.

ONLY NOW CAN IT BE DISCUSSED

Corey Goode was made aware of the discovery of epic new Antarctic ruins approximately three months ago, and wasn't even authorized to tell David what was going on.

We have only just now been cleared to release this critical, time-sensitive data to the public.

Since there is a large amount of information to share, this update is definitely a Long Read—but well worth it.

In order to set up this incredible new disclosure information in Part Two, it is first important to establish the “backstory” of current events through which such a disclosure event would be seen to occur.

The full, grotesque nature of the hidden group that has been concealing the truth from us for so long is finally being exposed.

GET REAL

The 2016 presidential election was arguably the most contentious, nasty political battle in American history.

This has been well-covered by almost everyone on either side of the political spectrum, so we will not go through all the fine details again here.

In the final moments, a mysterious group called “Prop or Not” appeared out of nowhere, and issued a McCarthy-esque list of “fake” news sites, allegedly under “Russian” control.

The mainstream media acted as if this “hit list” was as significant as the invention of the wheel.

They immediately adopted the fascist, Orwellian term “Fake News” into their faltering Realnews™ products.

Each link within the complete collection of blacklisted sites—over 100 in total—is already being blocked or de-monetized by [Facebook](#), [Google](#), [Apple](#), [Snapchat](#) and others.

A BIG BACKLASH

According to Glenn Greenwald at [The Intercept](#), “[Prop or Not’s] list of Russian disinformation outlets includes WikiLeaks and the Drudge Report, as well as Clinton-critical left-wing websites such as Truthout, Black Agenda Report, Truthdig, and Naked Capitalism, as well as libertarian venues such as Antiwar.com and the Ron Paul Institute.”

A journalist writing for [New Yorker](#) blasted [Prop or Not](#), saying their definition of Fake News “includes criticism of the United States, Barack Obama, Clinton, the European Union, Angela Merkel, NATO, Ukraine, “Jewish people,” U.S. allies, the mainstream media, Democrats, and “the center-right or center-left, and moderates of all stripes.”

“These criteria, of course, could include not only Russian state-controlled media organizations, such as Russia Today, but nearly every news outlet in the world, including the *Post* itself.”

[Activist Post](#), one of many so-called “Fake News” sites, said, “However, it is also an *exhilarating time* to be a part of such mammoth upheaval, where-

The entrenched apparatus of the State itself has declared information to be its enemy—and acknowledged that it must do everything in its power to maintain its tenuous monopoly on the truth.

YOU GET TO DECIDE WHAT IS TRUTH

We are only now witnessing a more visible form of the same cover-up that has hidden UFO reality from us for over 80 years – consistently deeming all UFO sightings “Fake News.”

State-sponsored media has engaged in psychological operations or “psyops” to discredit witnesses and insiders from the very beginning.

The Internet has opened up an era in which we, the people, now get to decide what media we want to consume, and what we choose to believe on a day-by-day basis.

If entities like Facebook are going to suppress any links that divert from dying Realnews™ government propaganda, then we must now work harder to avoid being dependent upon them.

WHAT EXACTLY DO YOU MEAN BY “FAKE?”

By definition, the Snowden documents would be “fake” as well – yet the operations they exposed are as serious as a heart attack.

[As Global Research so brilliantly stated](#) on December 1st, 2016,

“The [mainstream media] editors and writers who produce these articles seem not even to notice that their publications have been caught in one colossal lie after another—

From the claims of Iraqi “weapons of mass destruction” used to justify the illegal invasion and occupation of Iraq in 2003,

To the more recent flood of government propaganda in support of neo-colonial wars in Libya and Syria, and drone killings in a growing number of countries—

All justified in the name of “human rights” and the “war on terror.”

There are no institutions anywhere in the world more adept at producing “fake news” than the American corporate-controlled media.”

PIZZAGATE

Realnews™ is nothing but a last-ditch effort to sway the 15 percent or so of people who still even listen to state-run corporate media.

Perhaps the single most vigorous Realnews™ target is something called Pizzagate, which has taken the internet by storm, particularly in the YouTube-watching millennial generation.

It started when specific food-related words like pizza, hot-dog, cheese, pasta, sauce, ice cream and walnut appeared with high frequency in [Wikileaks emails sent by Clinton associate John Podesta](#).

Full disclosure... this is about as far as you can go in this article without encountering some upsetting information that may be new to you.

If you get triggered by anything you read here, (which is still very mild in comparison to many of the videos,) please skip ahead to LYING THROUGH THEIR TEETH and come back to it later.

If there is any chance that these allegations are real, we owe it to the victims to be strong enough to look at the truth.

THE UNCLASSIFIED LOGOS DISCOVERED BY THE FBI

The discovery of these peculiarly-used food terms combined nicely with a nearly simultaneous [Wikileaks release of an FBI document from 2007](#), "Symbols and Logos Used by Pedophiles to Identify Sexual Preferences."

This was also [made into a slideshow](#) shortly after its initial FBI release in 2008. We found the slideshow by inputting the code number Q-FBI-2200-005-06. It appeared in [SlideShare](#), a division of LinkedIn.

Here we will use some of the slides and some images from the original legal document.

(U//LES) Pedophiles, to include those who sexually abuse children as well as those who produce, distribute, and trade child pornography, are using various types of identification logos or symbols to recognize one another and distinguish their sexual preferences. To specifically indicate the pedophile's gender preference, members of pedophilic organizations

encourage the use of descriptions such as "boylove", "girllove", and "childlove."¹ These symbols have been etched into rings and formed into pendants, and have also been found imprinted on coins.

an adult man.² A variation of the BLogo is the Little Boy Lover logo (LBLogo), which also embodies a small spiral-shaped triangle within a larger triangle; however, the corners of the

LBLogo are rounded to resemble a scribbling by a young child.³ Images of the BLogo and LBLogo symbols are depicted to follow ...

The Podesta emails [went public as of October 7, 2016, and were devastating to the Clinton campaign for other reasons, at least initially.](#)

[As the Millennium Report pointed out](#), “John Podesta is not only the ultimate Democratic powerbroker, Beltway insider and powerful political fixer, his professional resume is both long and deep in the U.S. Federal Government.

“[Podesta] was Bill Clinton’s White House Chief of Staff back in the 1990s, Barack Obama’s Counselor to the President, and Chairman of Hillary Clinton’s 2016 presidential campaign.”

FOOD-RELATED KEYWORDS USED TO SPEAK IN CODE

[Out of 2,060 total emails](#) in the first Podesta collection, there are [149 instances of “pizza”](#), [73 of hot dog](#), [85 of cheese](#), [78 of pasta](#), [41 of sauce](#), [84 of ice cream](#) and [47 of walnut](#).

The word “map,” which can refer to a telltale clue that could destroy the entire crime ring if left behind, such as through DNA evidence, [appears 917 times](#).

That’s almost half of all the emails.

These words often appear in very, very bizarre contexts that have nothing to do with food. That is one key element of Pizzagate.

The term “pizza” itself appears to be code for a sexual partner, particularly if it is a minor, and again appears [149 times](#).

Although “walnut” appears 47 times in very strange ways, the equally popular nut “cashew” doesn’t appear even once. This is most likely because “walnut” is a code word and “cashew” is not.

An innocuous, non-code-word junk food like “French fries” only appears 13 times. “Milkshake” only appears six times.

“Vegetable” only appears 24 times. “Pear” only appears 25 times. “Grape” only appears six times. “Avocado” only appears four times. “Strawberry” only appears twice. None of these are code words.

UNDERSTAND THE CODE WORDS

Law enforcement authorities and online “Urban Dictionary” resources have identified the [specific terms](#) we just mentioned – pizza, cheese, sauce, pasta, et cetera – as [code words](#) for [child sex trafficking](#).

Code words allow people engaging in illegal activities to have a cover story in the event that their communications are discovered.

A simple, much less serious example of code-speak would be a college student referring to a bag of weed as a “book”, such as when talking on the phone or in an email about it.

People engaging in criminal activities have always been aware of surveillance, and use code terms to avoid getting caught, or at least reduce the risk.

A simple-sounding question like “Read any good books lately?” can lead to knowing laughter in cases like our hypothetical pot-smoking college students.

YOU CAN RESEARCH IT FOR YOURSELF

Pizza and other specific food terms appear in very suspicious, non-food-related ways in hundreds of different letters sent by Clinton’s campaign manager John Podesta and others. ([1](#) , [2](#) , [3](#))

Here are [three notable examples](#):

<https://wikileaks.org/podesta-emails/emailid/19018>

I consider ice cream, its purchase, and its consumption a rather serious business. We can’t just willy-nilly toss it out and about in casual references, especially linked with the word “free”.

<https://wikileaks.org/podesta-emails/emailid/30613>

Lo and behold, instead of pasta and wonderful sauces, it was a lovely, tempting assortment of cheeses, Yummy.

I am awaiting the return of my children and grandchildren from their holiday travels so that we can demolish them.

Hi John, The realtor found a handkerchief (I think it has a map that seems pizza-related. Is it yours?

RUNNING A PIZZA JOINT IS PART OF THE JOKE

Apparently, owning and running an actual pizza restaurant is part of the joke that they all find to be so hilarious.

Across the street from two key pizza places is a bistro called Terasol.

This means Sun-Earth in Spanish.

"Terra" is earth and "sol" is sun.

Up until recently, Terasol had the Girl Love logo prominently displayed on their website, right below a picture of a celebrity guest who just ran for President:

TERRASOL SPROUTS

Two other businesses with the exact same name as Terasol, except this time with two R's in them, also had logos nearly identical to those in the FBI database.

This data pops up almost immediately when you do a Google Image Search on "terasol logo."

The first notable example is [TerraSol Organics](#), a business ostensibly selling nothing but young sprouts -- microgreens -- to the organic grocery market in Oregon.

Yet, their logo is very similar to the Child Lover symbol disclosed in the FBI database:

(U) The ChildLove logo (CLogo), as shown below, resembles a butterfly and represents non-preferential gender child abusers. The Childlove Online Media Activism Logo (CLOMAL), also represented below, is a general purpose logo used by individuals who use online media such as blogs and webcasts.⁴

[The Terrasol Organics website](#) says, in part, "If you're interested in our bulk quantities please contact us for further information on pricing and delivery options."

This certainly does not mean they are guilty of doing anything wrong. Let's hope this is just a very unfortunate coincidence.

ANOTHER TERRASOL (SUN-EARTH) EXAMPLE... COINCIDENCE?

Another example of a symbol straight out of the FBI database immediately popped up on a Google Image Search for Terasol Logo.

This time it is the "Little Boy Lover" symbol:

**(U) BLogo aka
"Boy
Lover"**

**(U) LBLogo aka
"Little
Boy Lover"**

**(U) BLogo imprinted
on coins**

Given the odd, repeated appearance of pedophile symbols associated with the word Terrasol, it is worthy of a deeper look.

The Cabal believes Lucifer, the "light bringer," (Sol), has dominion over the earth (Terra.)

The Terrasol logo was linked via Google Images search to a company called [Bigbelly International](#). This particular affiliate, Terrasol, works out of Malaysia and Singapore:

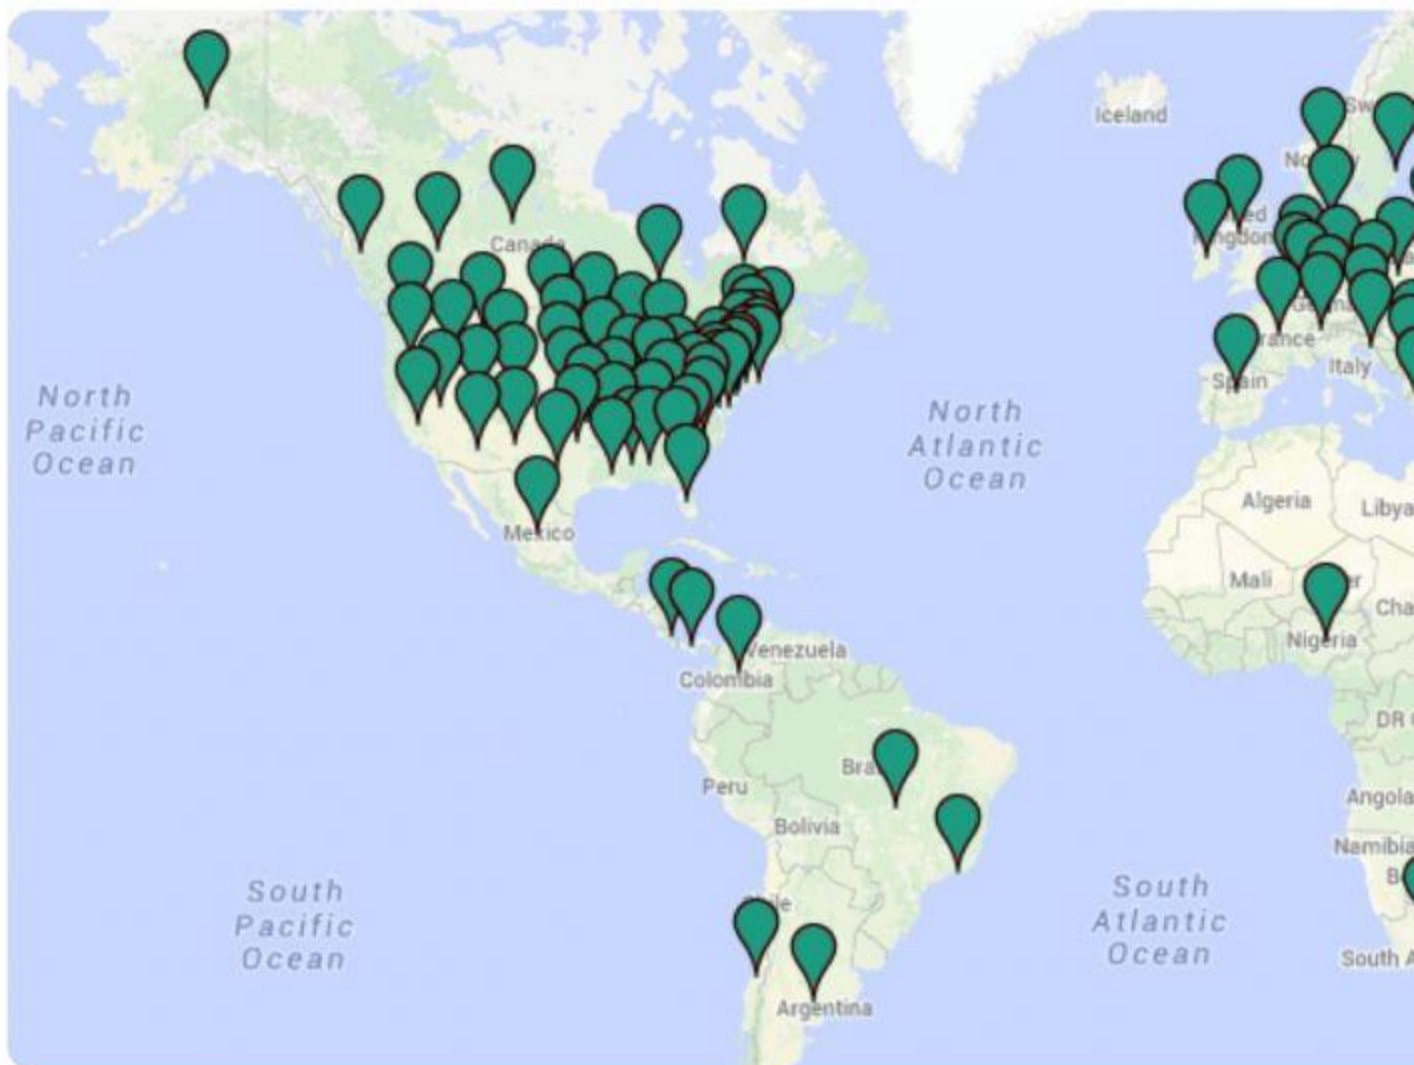

WHAT IS BIGBELLY INTERNATIONAL?

[Here is the website you land on](#) after you click on the above Google Images link:

The Terrasol logo with the "Little Boy Lover"-type symbol appears [under Asia Pacific / Malaysia and Asia Pacific / Singapore on this site](#).

Based on the positions of markers in the map, Terrasol is the only Bigbelly affiliate for all of Southeast Asia.

Notice that the B in the Bigbelly logo could be a subtle representation of the breasts and "big belly" of a pregnant mother.

Why would a logo like this be used by one of the businesses working for a "Smart Waste & Recycling System... found in all 50 United States and more than 47 countries around the world?"

UPDATE: What about the four semicircles on the top of the cloud in the Bigbelly logo?

Doesn't it look a lot like a big heart on the right next to a smaller heart on the left?

SECURE WASTE DISPOSAL

Bigbelly does legitimately sell trash cans that appear to be designed much better than most. Again, this may only be a very unfortunate coincidence.

They may have partnered with certain businesses and have no idea if any nefarious behavior is occurring.

It is also potentially of interest that their truck is pictured next to a movie poster for the Disney children's film *Cinderella*, which is about an orphaned child.

There is a man in what looks like a hooded black cloak, with an American flag on the sleeve and a neon vest, just to the left of the vehicle.

Above the hooded figure is the word FOREVER. Above that is the number 21 -- the age where children first become legal.

To the immediate left of FOREVER is the stylized "y" of the Disney logo.

UPDATE: CINDERELLA AND FRIDAY THE 13TH

If you really want to "down the rabbit hole" and speculate even more, the release date for Cinderella, as we see in this image, was March 13th, 2015.

That's right... Friday the 13th.

THE TEMPLAR MASSACRE

On Friday the 13th of October, 1307, scores of Knight Templars were arrested by agents of King Philip and later tortured to death in what is known as the [Templar Massacre](#).

The Knights Templar are a critical historical aspect of the Cabal. Whistleblowers like Svali say the Cabal is the modern, more-disguised version of the [Roman Empire after it conquered England beginning in 43 AD](#).

All the most recent episodes of my show [Wisdom Teachings](#) have been revealing these connections for Gaia subscribers. Gaia is arguably *the Netflix of Seeking Truth* and a good antidote to Realnews™.

Your support for this grassroots organization is vitally needed at this time, and you get two new shows a week where I am helping make Disclosure happen.

We now have a visual FX team adding lots of elements to the Wisdom Teachings episodes, which have significantly improved the overall quality of the show.

ILLUMINATING THE TEMPLARS AND THE MALTESE CROSS: PART 2

March 13th is only one day before the assassination of Julius Caesar, which is only one day before the [dreaded Ides of March](#) in the Roman calendar.

As it says in the Wikipedia entry, "The death of Caesar [in 44 BC] made the Ides of March a turning point in Roman history, as one of the events that marked the transition from the [historical period](#) known as the [Roman Republic](#) to the [Roman Empire](#).^[2]"

Caesar had first invaded England just 10 years before his death, in what [Historic UK](#) calls "[political propaganda](#)."

If you want to understand the secret, occult religion of the Cabal or "Illuminati," all roads lead to Rome. We will have more on this in Part Two.

Roman empire, Knights Templar, assassinations, orphaned children, Forever 21, a hooded figure in black... and a waste cleanup truck claiming to be the "World Leader in Smart Waste and Recycling Solutions."

ALASCOM AND VANILAE

One last thing to mention is that the Bigbelly affiliates listed for Italy (Alascom) and Lebanon (Vanilae) also have logos that may be tangentially similar to those in the FBI database.

ALASCOM is built of the same letters as CLOMAL, Child Love Online Media Activism, plus an extra S. Their logo has notable similarities to that of CLOMAL, as it appears in the FBI document.

The crescents could also subtly imply the presence of a larger and a smaller set of hearts.

As an extra bonus, the red dot is next to a white oval made by the shape of the crescents and thereby hints at an All-Seeing Eye. The two red crescents could also hint at devil horns.

(U) The ChildLove logo (CLogo), as shown below, resembles a butterfly and represents non-preferential gender child abusers. The Childlove Online Media Activism Logo (CLOMAL), also represented below, is a general purpose logo used by individuals who use online media such as blogs and webcasts.⁴

(U) CLogo a.k.a.
"Child
Lover"

(U) CLOMAL a.k.a.
Childlove Online Media
Activism

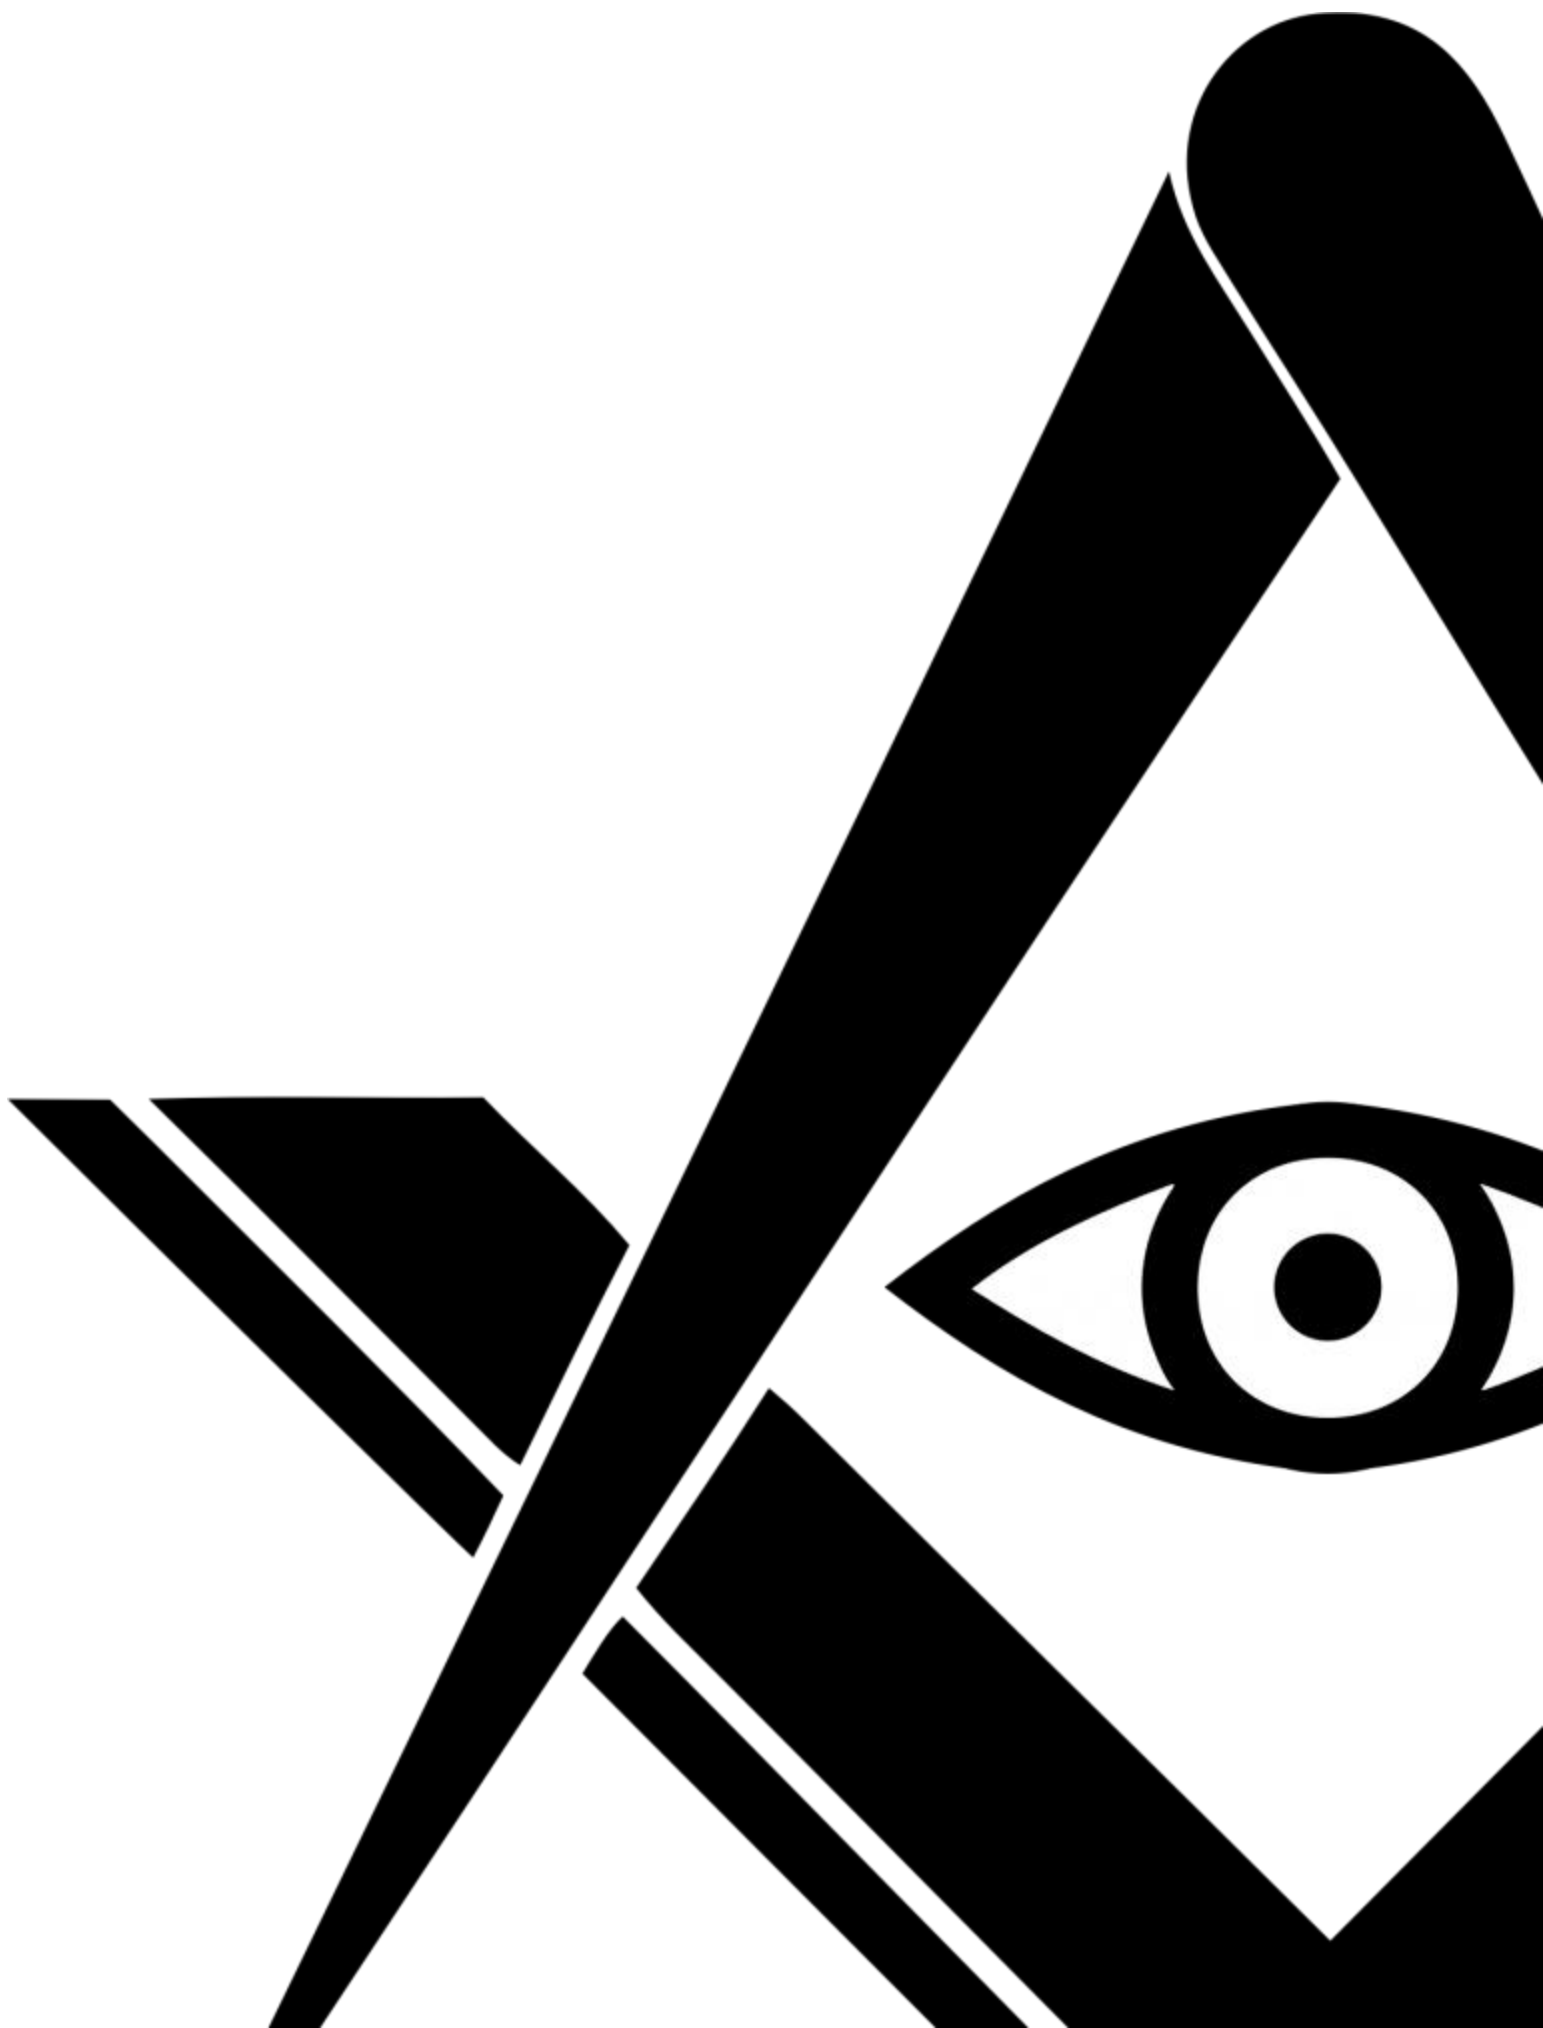

The two butterfly wings in the Vanilae logo are fairly similar to the larger and smaller pink hearts in the Child Love logo.

The crescents appear again in their shapes as well. The inverse spaces of the circles look like an adult and a child with pointy noses facing each other.

The butterfly is a well-known symbol of Monarch mind-control programming, as many Cabal scholars have noted.

Also notice that the V and the A in Vanilae are stylized and could represent the "square and compass" of the Masonic symbol.

The second A in Vanilae has a leaf shape in it that could hint at the All-Seeing Eye.

Vanilla is also the main flavor of ice cream... which is one of the keywords that appear all throughout the Wikileaks emails in suggestive ways.

What kind of "trade" are they "uniting?"

BREAKING OUT IN A BIG WAY

The “Pizzagate” scandal was a top trending search term this past week online. Millions of people are now finding out about these horrific crimes for the first time.

Never before in modern history has any “conspiracy theory” spread this quickly. It is extremely shocking stuff and the evidence in favor of a cover-up is overwhelmingly massive.

If Pizzagate breaks through into an official FBI or NYPD mass arrest, the Cabal will be defeated right along with it – unless they have a truly magnificent distraction in store for us.

On Dec. 1st, 2016, Pizzagate was the number-one headline story on Digg.com, which presents the most viral stories on the internet each day.

This meant Pizzagate was the most popular story on the entire internet as of December 1st:

UPDATE: I just now noticed a Freudian. Read the paragraph carefully. It says "There's physical evidence either." The word 'no' is missing.

There's physical evidence...

Perhaps the person who posted this already knew there was indeed physical evidence -- or at least his or her subconscious did.

The crescents and stars in the Comet logo are familiar to Cabal scholars, as they appear around images of Baphomet, the goat-horned god.

The A-shaped wedges in which the crescents and stars appear again could imply the Masonic compass symbol.

As ugly as all of this might be, I represent one small part of an Alliance that has been trying to tell you about this for many, many years now.

In that sense it is a relief to finally see millions of people figuring out what has been going on this entire time.

A STRANGE SYNCHRONICITY OCCURRED

My second NYT best-selling book was called *The Synchronicity Key*, partly because I pay attention to unusual number patterns, which have appeared for me in surprising ways for many years.

It all started in college when I was reading about "paranormal" subjects. I would look up at the clock and see repeating digits, like 3:33 or 11:11, on the clock.

The Synchronicity Key goes into the science of how this works, with nearly 700 academic references.

When I used my screen-capture program to photograph the BBC article as Pizzagate skyrocketed to number-one on the internet, I was shocked by what I saw.

Not only was it the 666th image I had photographed, but the pixel size of the image I just took was 555 KB.

This may not seem significant to you, and you may want to laugh at me for pointing it out.

However, this phenomenon has happened very regularly when I write articles on this site, as you can see by wading through our journalism in [David's Blog](#).

In this case I believe it was intended to show that despite these Realnews™ cover-ups, the public is now seeing the truth for what it really is.

The truly sinister aspects of the Cabal -- a group engaging in occult practices controlling government and media at the highest levels -- are finally visible.

Thanks to the insanity of Pizzagate, millions of people are just starting to figure out that there may be greater significance in our ancient spiritual texts than we realized.

"How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations!" -- [Isaiah 14:12](#)

THOUSANDS OF VIDEOS

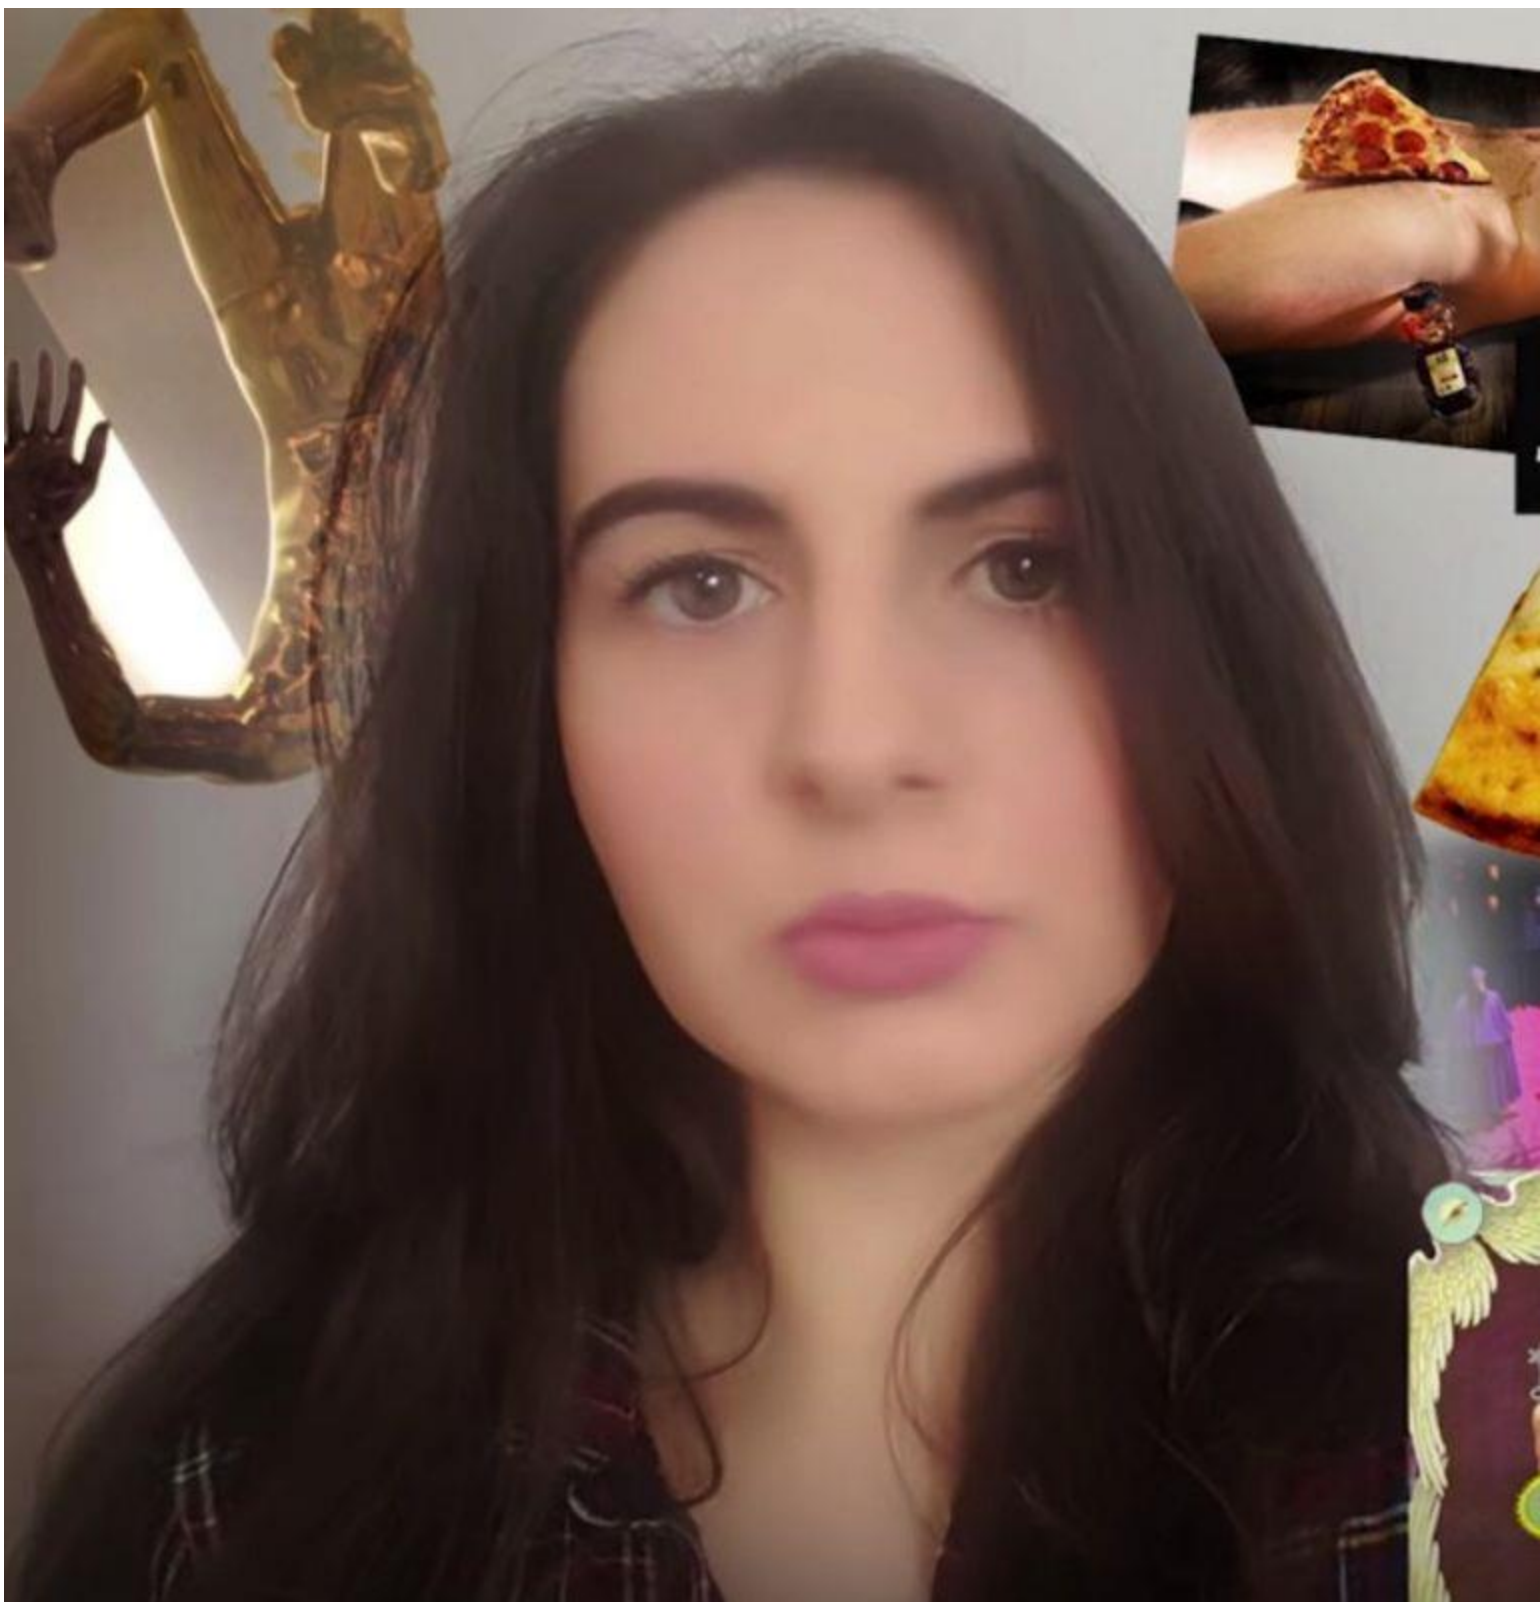

There are now thousands of videos exposing Pizzagate on YouTube, some of which have millions of views.

[One of the best videos to start with is from David Seaman on November 5th, before the subject was even named #Pizzagate.](#)

David, the author of the above video, is a hero who was [completely banned from Huffington Post after writing an article discussing Hillary's health.](#)

[Alex Jones' team at Infowars published a disturbing, short and well-researched video about Pizzagate, with good production value, on November 23rd.](#)

Another leading figure in Pizzagate videos, with above-average production value, is a [British vegan girl named Tara, publishing as "Reality Calls." Red Ice featured an interview with her on Nov. 28th.](#)

A modest investment of one hour is more than enough to realize how outrageous and shocking the evidence really is.

Symbols that are listed in an FBI database for child sex trafficking are openly displayed at a series of pizza restaurants and businesses on the same block in Washington, DC.

It therefore appears that although these businesses do legitimately sell pizza or other goods by day, they also act as fronts for child sex trafficking.

MODERN BOYLOVER MAGAZINE

We found a digital copy of [issue 14 of "Modern Boylover" magazine](#), which has no explicit pictures, while searching for the [FBI document on LinkedIn SlideShare](#).

It appears to have been saved there as further evidence to be used in investigations. It is not at all something I recommend reading due to the "creep factor", which is off the charts.

The triangular Boylover logo appears all throughout the magazine, including the logo for KBLR (BoyLoveR) Radio:

LETTER FROM THE EDITOR

Welcome to the fourteenth issue of Modern Boylover Magazine. As always, we bring together works from various boylove forums and resources. I would like to thank the members and staff of Enchanted-Island.com for joining MBM in our efforts!

The past few years have been less than productive for the magazine, which largely falls on me. I lost my way, I suppose you could say, to the point where I gave up on myself, and MBM entirely. While many credit me for saving the magazine after the fall of BLN, Ryan-James saved it after the fall of 420Guy. In organizing Issue #13, he proved to me that MBM could still continue on.

What I've always loved about the magazine is the diversity of opinions and ideas. It's about showing the world how different we all really are....how human.

Thanks to YoungCity.net, BoyMoment.com and Boylover.org for your continued efforts and support. The magazine simply would not exist today if it wasn't for you!

We hope you enjoy reading this issue, and look forward to bringing you more in 2016!

In an article about where to take your Young Friend (YF), it ends with the following, which now makes more sense:

PLACES TO TAKE YOUR YF

by Zoomzoom4

When you take your YF out to do things with him; there are many choices of places to go and things to do. Some, of course, are more suited to the interests and tastes of a young boy. When a boylover and his YF are together, much of their time, naturally, is spent doing boyish activities.

Taking your boy to a place you know he will like, and watching his eyes light up with excitement, is one of the most rewarding feelings for any of us. The opportunity to deepen your bond with him, and strengthen the relationship by building a history of shared experiences, is part of what makes for a rich, rewarding friendship.

Here are a few examples of great places to take your boy.

THE MOVIES

This is usually the first choice for someone to take their boy, since it's easy, convenient, and there's always a movie playing that's designed to appeal to boys. Getting to sit right next to your YF and share his arm-rest, or even possibly cuddle in the dark, makes an appealing choice. Also, leaning over and whispering into his ear during the movie is very enjoyable, or if he leans over and whispers to you.

THE AMUSEMENT PARK

Many boys are thrill-seekers, and hurling through space at very fast speeds certainly appeals to a young boy's thrill-seeking nature. Sitting next to him hip-to-hip, and being strapped in together very close, while he possibly clings to you during the most intense part of the ride, is obviously nice, as well.

THE WATER PARK

Take a 10-year-old to a waterpark, and watch the boy you love enter his own personal heaven. This is probably the number one choice on the list for your YF, because it allows him to freely be one hundred percent a boy with no restraints.

PIZZA

After spending the afternoon enjoying any of the above activities with your YF, finish off your day together by taking him to a pizza restaurant. If there's a single thing we all know about boys, it's that every boy loves pizza.

No matter where you go with your YF, remember, since as every boylover knows, not the boy

THE FOX GUARDING THE HENHOUSE

One of the most shocking details of this case concerns [Besta Pizza](#), which used the stylized “Boylover” triangle seen in the FBI documents as their logo.

You can [order the following image as a print from the official Boylover website](#) referenced in the FBI documents, but I wouldn't recommend it:

“Besta” means “Beast” in Portuguese. Once the investigation revealed the meaning of their logo, [the company](#) changed it on their website, even while the original was still visible in their menu.

POLITICS & PROSE

The newly-altered version of the Besta Pizza logo has also appeared on the [Politics & Prose Bookstore website](#), another business on the same block that has been implicated just since Pizzagate began:

Our Neighbors

We're lucky to have some great neighbors on our block. Next time you want to grab a drink at any of these local businesses. Click on the logos below.

As revealed on [Wikipedia](#), the Politics & Prose storefront has the "Little Boy Lover" logo written into the ampersand (&) symbol in the middle of the title:

THE SKULL AND CROSSBONES

These two screen captures from a Sgt Report video reveal that [a skull and crossbones "death" symbol was clearly visible on the sidewalk in front of Politics & Prose as of July 2010.](#)

This symbol was easily visible in a Google Maps Street View search:

Politics and Prose

See inside - Jul 2010

The Skull and Crossbones symbol is also seen in the Skull and Bones society, also known as the Brotherhood of Death, which many US presidents have been members of:

THE TEMPLAR CONNECTION

Everyone knows the Skull and Crossbones is the classic "black flag" of the pirate ships robbing gold out of the Caribbean as it emerged from South America. It is also called the "Jolly Roger."

Far fewer people know that this gold theft was all being done by the now-hidden Knight Templars after their stunning, public mass arrest.

They used their superior naval power to gather awesome wealth and bury it in "banks" along the shoreline of places like Nova Scotia.

I go deeply into the history of all of this in [Episode 189 of Wisdom Teachings, "Illuminating the Templars and the Maltese Cross, Part I."](#)

The 32nd-degree Masonic apron features this Templar symbol as well. The 1800s-era version of the apron had a metallic skull and crossbones:

'THAT' ANDREW KLINE....

Besta Pizza and the coffeeshop at Politics & Prose are owned by Andrew Kline. And it is *that* Andrew Kline – the Clinton appointee overseeing the prosecution of child sex trafficking.

Kline's ownership of Besta Pizza was hidden three levels deep in government data ([1](#) , [2](#) , [3](#)), so it was not easy for civilian investigators to find.

As revealed in a [Vanity Fair article from May 24, 2011](#),

“Special Litigation Counsel Andrew Kline, a Clinton appointee with an M.A. in human rights from Harvard's Kennedy School of Government, was one of four attorneys in the Human Trafficking Prosecution Unit of the Department of Justice, in the Civil Rights Division.

It fell upon the curly-haired, bespectacled Kline (now a senior adviser in the executive office of the president) and one other colleague to provide U.S. attorneys nationwide with training on prosecuting trafficking cases.”

If one of four highest-ranking attorneys in the DoJ responsible for arresting pedophiles is himself a perpetrator, he can help ensure that he and his friends never get caught.

[According to a Guardian article from Nov. 3rd](#), “The currently serving FBI agent said Clinton is “the antichrist personified to a large swath of FBI personnel.”

MASTER DATABASE SAVED FROM DELETION

The central nexus-point for Pizzagate research on [Reddit](#) was censored as it went viral, [as were the backups](#), but thankfully Archive.org captured it at its peak on November 22nd:

https://web.archive.org/web/20161122083118/https://m.reddit.com/r/pizzagate/comments/5da0kp/comet_ping_pong_pizzagate_summary/

Now that we have published this link, it may be censored off of Archive as well, but for now anyone can grab the data and mirror it.

All the initial, landmark Pizzagate videos were based off of the research in this thread, though additional links are continually being discovered as well.

As an example, “Ping Pong” is apparently a slang reference for sex, due to the rhythmic motion involved.

The fact that Comet Ping-Pong has many different ping-pong tables in the restaurant therefore becomes part of the “inside joke.”

PLAY • EAT • DRINK

The Comet Ping Pong menu has a logo of two ping-pong paddles on it that looks very similar to the FBI-identified logo for Child Lover.

The wooden handles form a very clear Maltese / Templar cross, tilted sideways.

There is also a subtle suggestion of a human face that has been blindfolded -- the white strip over the two circular paddles -- and gagged, as seen in the X.

The "blindfold" over the paddles says "Play. Eat. Drink." This may be an acronym for PED -- i.e. a pedophile. All of this, and much more, can be found in the [Reddit archive](#), though they did not see the Templar connections.

But of course, this is just a tragic example of "how fake news is hurting real people" -- so says the [New York Times](#).

Hillary Clinton Supporters Call Vote Recount in Battleground States

Fake News Onslaught Targets Pizzeria

By CECILIA KANG NOV. 21, 2016

James Alefantis, owner of Comet Ping Pong, at his restaurant in Washington, D.C. Fake news called it the home base of a child abuse ring led by Hillary Clinton and John D. Podesta.

Chad Bartlett for The New York Times

WHAT ABOUT THE 650,000 SEIZED EMAILS?

The greatest “plot twist” of the 2016 election was when FBI director James Comey announced that 650,000 new emails had been found on October 28th – [just three days before Halloween](#).

Hillary’s campaign manager Huma Abedin was married to Anthony Weiner, who was [caught in a months-long online sexual relationship with a 15-year-old girl](#).

The [650,000 emails, thousands of which were Clinton-related](#) , were found in a folder on Weiner’s laptop [entitled “Life Insurance.”](#)

So many people who opposed the Clintons [died of “suicide,” ever since Bill’s run as the governor of Arkansas, that the term “Arkancide” was coined](#).

Sensationally, the day before the election, [Comey announced that no new evidence had been found in the emails, which have not yet been leaked](#).

[Trump blasted Comey for this ludicrous announcement](#). It appeared that Comey was caught in between two different groups, both giving him lethal threats.

Just three days earlier, insider Erik Prince had released a bombshell of new information from the NYPD and the FBI.

ERIK PRINCE’S STUNNING “REVEAL”

On November 4th, Breitbart News featured a massively significant article entitled [“Erik Prince: NYPD Ready to Make Arrests in Anthony Weiner Case.”](#)

Many people who formerly worked “on the inside” for the Cabal / New World Order have defected and become whistleblowers.

As the original founder of the Cabal's own mercenary army Blackwater, Erik Prince definitely appears to have broken away and joined what we are calling the Alliance.

In this [groundbreaking article](#), we read the following:

"Blackwater founder and former Navy SEAL Erik Prince... claimed he had insider knowledge of the investigation that could help explain why FBI Director James Comey had to announce he was reopening the investigation into Clinton's email server last week....

"[The NYPD] found a lot of other really damning criminal information [in the 650,000 emails on Weiner's laptop],... including the fact that Hillary went to this sex island with convicted pedophile Jeffrey Epstein.

Bill Clinton went there more than 20 times. Hillary Clinton went there at least six times," he said....

"The NYPD wanted to do a press conference announcing the warrants and the additional arrests they were making in this investigation, and they've gotten huge pushback, to the point of coercion, from the Justice Department."

THE EMAIL EVIDENCE IS "SO BAD"... "GREAT EVIL"

As we read further in this key Breitbart article, we hear that [the mayor of NYC wanted nothing to do with the 650,000 new emails, and the NYPD feels they are proof of "great evil."](#)

"As for [[Bill de Blasio](#),] the mayor of New York City, [Blackwater founder Erik] Prince said he has heard that "de Blasio wants to stay away from this."

"The [new Clinton email] evidence is so bad, the email content is so bad, that I think even [de Blasio] wants to stay away from it, which is really telling," he said....

"For any cop that is aware of this level of wrongdoing, and they have veterans in their family... they owe it to them to stand up... and shine the light of truth on this great evil..."

"This is stuff coming right off a hard drive that was owned by Weiner and his wife Huma Abedin, Hillary's closest adviser for the last 20 years," he said of the new bombshells.

"This is not from some hacker or anybody else. This is a laptop seized from a warrant in a criminal investigation..."

"This kind of evil, this kind of true dirt on Hillary Clinton – look, you don't have to make any judgments. Just release the emails," [Erik Prince] urged.

"Just dump them. Let them out there. Let people see the light of truth."

WHAT ABOUT BREITBART?

On February 4th, 2011, [Andrew Breitbart tweeted](#), "How prog-guru John Podesta isn't [a] household name as [a] world class underage sex slave op cover-upper defending unspeakable dregs escapes me."

Then, a year later, all throughout February 2012, Breitbart telegraphed the release of a video that he said would appear on March 1st.

This video, he claimed, would be severely damaging to Obama's re-election campaign. "[Wait till they see what happens March 1st](#)," he said.

[Right before the anticipated release, on February 28th, 2012, he tweeted](#), "How much longer until they kill me ("heart attack" or "car accident") or frame me for a crime? Read me while you can."

Andrew died of an alleged heart attack on March 1st, 2012—just two days later. Coincidence?

[The coroner who conducted the investigation died of arsenic poisoning just two months later](#). It's not that hard to figure out what happened here.

Blatant stunts like this are intended to scare people off, so they fear the seemingly limitless power of the "monster under the bed" and retreat back into the safety of silence... and ignorance.

WILL STEVE BANNON PURSUE JUSTICE?

Steve Bannon took over Breitbart News after Andrew's death, becoming Executive Chair in March 2012.

It is therefore very interesting that Trump appointed Bannon to a cabinet-level position as his chief strategist and senior counselor.

Realnews™ outlets are in an all-out panic about Bannon's new role, [doing everything they possibly can to demonize him](#).

Bannon does have character defects. The media is amplifying them to the point where it seems as if that's all there is to see.

However, Bannon's appointment also makes it very likely that Pizzagate arrests will take place some time after the inauguration on January 20th.

On November 22nd, [Trump announced that he will not prosecute Hillary himself](#). He won't have to. The NYPD and the FBI will probably do it for him.

Our insiders have revealed that if any action were to be taken before the inauguration, Obama could issue pardons to stop prosecution from occurring.

Hence, we are in an agonizing "holding pattern" between now and then.

THE TWO BIGGEST MISSING PIECES

[The archived Reddit thread](#) has much of the initial Pizzagate evidence that generated countless legions of YouTube videos, marching to defeat the Cabal.

Here are the two biggest things missing from the Reddit Pizzagate thread that are likely to be relevant:

1. The owner of Comet Ping Pong's name, James Alefantis, appears to be a pseudonym cipher designed to resemble "J'aime les enfants," which means "I love children" in French;

2. The character who performed at Comet Ping Pong wearing a red ski mask, black sunglasses and a blonde wig, “Majestic Ape,” appears to be James Alefantis as well.

James Alefantis is still listed on GQ as the 49th most powerful person in Washington DC at the time of this writing: <http://www.gq.com/gallery/50-most-powerful-people-in-washington-dc#49>

The hands of Majestic Ape, as seen in the [music videos](#), are clearly male. They have the same size and shape as those of Alefantis, and have no hair, just like those of Alefantis.

The mouth that we see through Ape’s mask looks exactly like Alefantis’ mouth, including the thin lips, noticeable indentions around the philtrum below the nose, and the shape of the corners.

Furthermore, the voice of Majestic Ape, while [speaking through the vocoder](#), sounds exactly like a pitch-shifted version of Alefantis’ voice.

REALLY HORRIBLE STUFF

Alefantis’ once-public Instagram posts included an image of a baby hashtagged as “hotard,” and a man wearing a shirt saying “J’ (heart) L’Enfants” (I love children.)

If that’s not enough, how about a creepy all-steel freezer hashtagged “killroom” and “murder”, or a child with her wrists duct-taped to a ping-pong table.

These are only a few of the many disturbing Instagram images that are featured in so many of the Pizzagate videos.

We are not going to post them here, since almost every website that does is suffering aggressive takedowns.

Murals on the walls of Comet Pizza included painted images of women holding the severed heads of children—and winged demons.

The videos also report that a mural in the bathroom had a demonic image that said "Shut Up and F---," which is very inappropriate for a child-themed restaurant.

Those images have since been scrubbed off the walls, as a [video confrontation with James Alefantis](#) revealed on November 22nd.

Alefantis claimed the images had been removed five years ago, but that still doesn’t answer the question of what the heck they were doing up there in the first place.

“FINISH EATING YOUR PIZZA AFTER YOUR SESSION”

Hackers on 4Chan claimed to have found a [secret area of encrypted videos on the Comet Pizza website’s server](#).

Although they could not de-encrypt the videos, [they were able to extract an image with text on it](#) that provided instructions to those who were accessing the videos.

The instructions used code language to discuss an app that viewers would download and use one time only.

Here it is... if you can handle reading it:

The text from the image, if it is proven true, [would be extremely damning in a criminal investigation](#):

"This month we have five fresh pizzas for your enjoyment. We also have four surviving pizzas from last month's session.

"All are on sale at extremely low priced [sic] as they are in poor health and not expected to survive.

"Our requirement is that you finish eating your pizza after your session....

This was [covered by Infowars reporter Joe Biggs and Sgt Report](#), among others.

When the disclaimer said "each image below is available for \$1,000 in fine print," you most likely have to add a zero to get the price they are charging for a captured child.

MAJESTIC APE VIDEOS... EVEN WORSE

The single most disturbing aspect of Pizzagate—perhaps even worse than Alefantis’ insanely offensive and evil Instagram posts that were public until this started—are the videos of Majestic Ape.

The name “Amanda Kleinman” is a distraction, as [Majestic does not look or sound anything like her](#).

“Majestic” is also a code term for high-level government secrecy, as in Majestic-12 or MJ-12, the group allegedly behind the UFO cover-up since at least the 1950s.

An insider also revealed to Wilcock that the name “Majestic” refers to Her Majesty, the queen of England, who is a key figure in the Cabal controlling UFO secrecy.

Two tapings have emerged so far of Majestic joking about raping and murdering children and babies on the Comet Pizza stage—which again is owned and run by James Alefantis.

[In the main live video that has been quoted in so many Pizzagate videos, at 1:18](#), Majestic also says,

“We are here to celebrate the birth of our Lord.

“It wasn’t Christmas.”

SASHA LORD

Other than a possible satanic reference, Majestic appears to be joking about an employee named [Sasha Lord](#), who was celebrating a birthday.

[Sasha is the music Booker for Comet Ping Pong](#). Majestic’s thinly-veiled references, as quoted in the next section below, indicate Sasha may also work there as a prostitute.

[The posters of Comet’s music acts on Sasha’s webpage contain multiple disturbing images](#).

This includes the Illuminati pyramid, All-Seeing Eye, pentagrams, children, a creepy owl face that could be the god Moloch, and a cartoon decapitated corpse.

[Sasha’s page on Comet Ping Pong](#) brags about the restaurant having “rough concrete walls, bathrooms hidden behind secret panels, and table tennis galore.”

VERY STRANGE STUFF

[At 1:30 in the stage rant video, Majestic says](#), “If you are like me, you love Sasha. Or if you don’t, you want perks from her. (Laughs) Things like free pizza. (Audience Cheers)”

[Very soon after at 2:16](#), he says, “Have any of you enjoyed this special pizza here tonight called the Hottie?... If you haven’t had it, you should try it, it’s delicious.”

He then goes on to joke that the secret ingredient in “The Hottie” is ketchup – a possible reference to the blood of a sacrifice victim.

He also jokes about Sasha’s great grandfather inventing “Russian dressing, you put it on a salad... s-k it!” Sauce is one of the code words. “Salad” is sexual slang for the pubic area.

[This short three-and-a-half-minute video](#) presents the most disturbing part of the 12-minute Majestic Ape video rant above, where he jokes about “euthanizing” a newborn baby... his own.

[Starting at 5:22](#), he rants that before the era of Facebook, he was worried that he was infertile. He then impregnates Sasha, and kills the baby as soon as it was born.

The audience gets very uncomfortable at this point, as if he was much too high to realize what he was saying, and quickly pressures him to change the subject.

DON’T WATCH THE VIDEOS IF YOU LIKE TO SLEEP

Even worse are the [music videos of Majestic Ape](#), which are loaded with satanic and pedophile symbols and include [grotesque murder scenes](#) at the end of “U the One I Want.”

[The video for “Airtight”](#) appears to include a veiled offer for child sex trafficking as well as porn, disguising it as the sale of record albums and a “live, in-person performance.”

The dollar values in “Airtight” are probably encoded, and require an extra zero to properly decipher. The “live performance” is offered in the video at 1000 dollars.

The website <http://ww3radar.tumblr.com/> made the obvious Alefantis / Majestic connection, with comparison photos.

All of those photos were deleted just two days after we first located them. This makes it even more likely that there is a legitimate connection here that powerful people do not want us to find.

VERY NASTY STUFF

Some extremely disturbing links were associated with these images on WW3Radar, including a mock “snuff film” starring a clothed female who may possibly be Sasha Lord.

This video appears on a [page from someone called “Montagraph”](#) and is entitled “[Little Piggy and the Umbrella Man.](#)” In all honesty, don’t watch it.

The violent, psychopathic torturer in this video wears a black-and-white checkerboard mask.

This is a Cabal symbol that appears on the floor of a Masonic lodge, indicating the interplay of negative and positive.

Similarly, it is much easier to decipher the "14 Fish" symbolism on Podesta's hands than most of the YouTube videos think.

14 is the number of dismembered body parts of Osiris, which the Cabal sees as Lucifer, the left-handed path. The fish is the symbol for Christ, the right-handed path.

Notice they are on the opposite hands. The Cabal believe that both paths must be practiced to their fullest extent in order to achieve enlightenment or "Illumination."

Many YouTubers have noticed the bandage on the "middle finger of his left hand," exactly as Marina Abramovic recommends you wound with a knife in her [Spirit Cooking ceremonies](#).

ROBERTA'S PIZZA...

Hillary has claimed that her favorite restaurant in New York is Roberta's Pizza, and [their Instagram page is practically bursting with sinister Cabal images, as this video reveals.](#)

Again... we urge you not to look into any of this disturbing material unless you have a very strong stomach and some real time to process the emotional shock you will experience.

According to Alex Jones, grown men working for the FBI would cry when they saw the evidence in the seized Clinton emails, and were so scared they walked away from the case.

Cyrus has created countless Photoshopped images of herself with pizza—including an [ultrasound of a baby made out of pizza in a mother's womb](#).

[The Life & Style article leads](#) with a picture of Miley's head on a swimming baby, with her tongue out, licking at a piece of pizza on a fishing hook.

We are not going to include these images here, just so the overall look of this article is a little less disturbing.

[A Google Image search of "Miley Cyrus pizza" generates countless examples](#). Many of these images again suggest a highly sexualized environment around pizza.

Cyrus started out as Hanna Montana, a children's hero with Disney's top-ranked show.

Then, before she was even of legal age, she shape-shifted into a hyper-sexualized figure revealing countless examples of Cabal symbolism in her videos.

UNDER ATTACK BY SATAN

In 2011, Miley's father Billy Ray Cyrus told GQ that [his family was under attack by Satan](#), and he was scared for his daughter.

In 2015, Miley dressed up as a hyper-sexual baby, complete with a pacifier and baby clothes, in her video BB Talk.

[The UK Independent deemed this "the most disturbing music video of 2015:"](#)

"Look, it's probably not worth explaining all the different levels on which an adult woman dressed as a giant baby, sucking her own toes while singing about intercourse, is disturbing....

But, really, did we need to take the imagery to such a nightmarish level?"

KATY PERRY AND PIZZA

Katy Perry is also obsessed with pizza in her music videos. In ["This Is How We Do," it goes to quite an extreme:](#)

"Thankfully, today Katy and her team released [a behind the scenes \(BTS\) video](#) featuring the making of "This Is How We Do," which gives us the deets on the pizza bathing suit and more. So much more....

We were already well-aware of her pizza earrings and bathing suit, but there was more pizza. Pizza we didn't know about.

MTV WRITES ARTICLES ABOUT KATY PERRY AND PIZZA

Similarly, MTV.com had an article entitled [“Katy Perry’s Dedication to Pizza Onesies Makes Our Hearts Melt.”](#)

“Yesterday, KP tried to climb the Philadelphia Museum of Art stairs *Rocky* -style (bless her heart), but got bombarded by fans before she could reach her destination.

(We're guessing sporting head-to-toe cheese *might* have had something to do with it.)

In this [next article](#) from MTV.com, “Smother Yourself in Pepperoni Pizza Like Katy Perry,” we read:

“It's no secret that [Katy Perry](#) is *obsessed* with pizza.

She's been spotted [wrestling a dog in a pepperoni onesie](#) , [taking a nap under a slice of the cheesy stuff](#) , and one time, she even ate an [entire pie while hangin' in a bathtub](#) ... by herself.

(That's love, y'all.)”

THIS IS MORE COMMON AMONG “CELEBRITIES” THAN YOU MIGHT THINK

Miley Cyrus has also been [photographed wearing the same “pizza onesie”](#) and [having a pizza comforter on her bed](#).

Twist Magazine published a 14-part slideshow of celebrities, including Beyonce and Cara Delevigne, wearing outfits that are styled like pepperoni pizza.

For some reason, every outfit and image like this is made of pepperoni pizza – almost never just with cheese alone or with any other toppings.

The pepperoni itself could have an implied phallic connotation.

ELIJAH WOOD’S ACCUSATION

Elijah Wood Says He Has a Pedophilia Problem

Alex Stedman

News Editor, Variety.com

t @a_sted

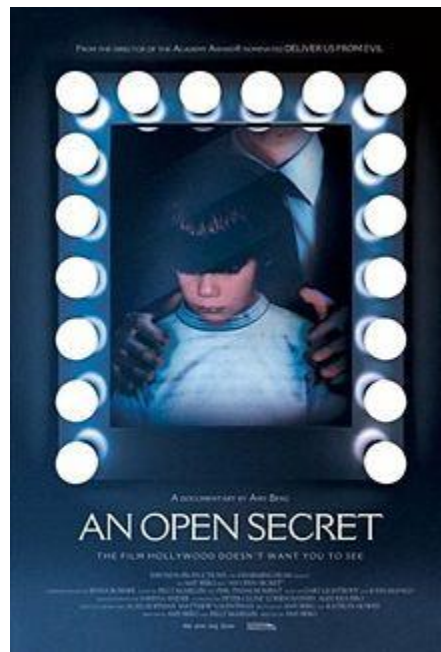

Let's now read excerpts from Variety, as they are highly relevant:

“The actor, in a new interview with the [Sunday Times](#), is accusing Tinseltown of having a pedophilia problem, saying “a lot of vipers” are preying on children in the business.

“Clearly something major was going on in Hollywood. It was all organized. There are a lot of vipers in this industry, people who only have their own interests in mind,” he said.

“There is darkness in the underbelly... People with parasitic interests will see you as their prey....”

He added that he's been “led down dark paths to realize that these things probably are still happening.”

Amy Berg's documentary “An Open Secret” revealed the full scope of the problem, and was completely squashed by the Establishment after its premiere.

It was only shown in nine theaters in Denver and Seattle starting on June 5th, 2015, and was quickly removed.

It eventually got distribution by cutting it from an R to a PG-13 rating, long after the “buzz” had worn off.

However, it now seems to be impossible to find, except through bootleg copies on YouTube.

MACAULAY CULKIN'S BAND “PIZZA UNDERGROUND”

Macaulay Culkin was one of Hollywood's most visible child actors in the 80s, such as through the “Home Alone” movie series.

In 2012, he formed [Pizza Underground](#), a band singing Velvet Underground songs where the lyrics were changed to be about pizza. Velvet Underground openly advertised heroin use in many of their songs.

[Pizza Underground released a music video in 2013](#) and actually toured North America with this odd concept. They wanted all interviewers to submit pizza-related questions only.

Eugenia Williamson, a freelance writer working for top publications, decided to submit her five pizza-themed questions – and included sexual innuendo in them, such as a sausage sitting on a pizza.

THE PIZZA UNDERGROUND

Her questions then featured what she admitted to be “increasingly inappropriate” references, such as to Michael Jackson’s Neverland Ranch.

Many believe Macaulay Culkin may have experienced child sex there.

[An enormous backlash from the media occurred](#), nearly ruining Williamson’s life in the process:

“Civilians, journalists, famous comedians like Nikki Glaser, comedy fans: all came out against me, saying I was bitter, a failure, jealous, fat, a terrible journalist, a terrible person, a b--h, an a--hole,... that I would rot in hell, that nobody would ever take me seriously again...”

“Since PizzaGate, I have formulated my own story about why those 300 words caused so much antagonism.”

PIXAR AND “PIZZA PLANET”

[Every single Pixar film since 1995, except “The Incredibles,” has had a “Pizza Planet” delivery truck hidden in it, as this video montage reveals.](#)

This again suggests a long-standing “inside joke” about pedophilia from the highest levels of Hollywood.

Pixar, of course, makes cartoon-like children’s films with the top-of-the-line computer graphics in the industry.

This was once considered just an interesting “Easter egg,” but after Wikileaks and Pizzagate, we have to rethink everything.

TEENAGE MUTANT NINJA TURTLES

Another weird connection that has since emerged is from the Teenage Mutant Ninja Turtles.

The secret to the Mutants’ super-strength came from eating pizza, much like Popeye once acquired from spinach.

Sexual trauma can be used to create MK-ULTRA compartments in the mind. Pizza now appears to symbolize this trauma, in part.

Once the programming is introduced, it can be used to train assassins who develop unusually powerful abilities – just like the Mutants.

The whistleblower Svali talked about this back in 2000-2001, before she went quiet. [We only found out she was still alive as of May 16, 2015.](#)

If you attempt to search for her on Google, the name “Svali” is automatically changed to things like “sivilli” or “civil” unless you manually force Google to use that exact term.

Just go to svalispeaks.com for a collection of the majority of everything she wrote. Still to this day, it is the most far-reaching expose' on the Cabal we have ever seen.

All of the things you are reading about here are discussed in thorough detail, though she never covers the use of food code words.

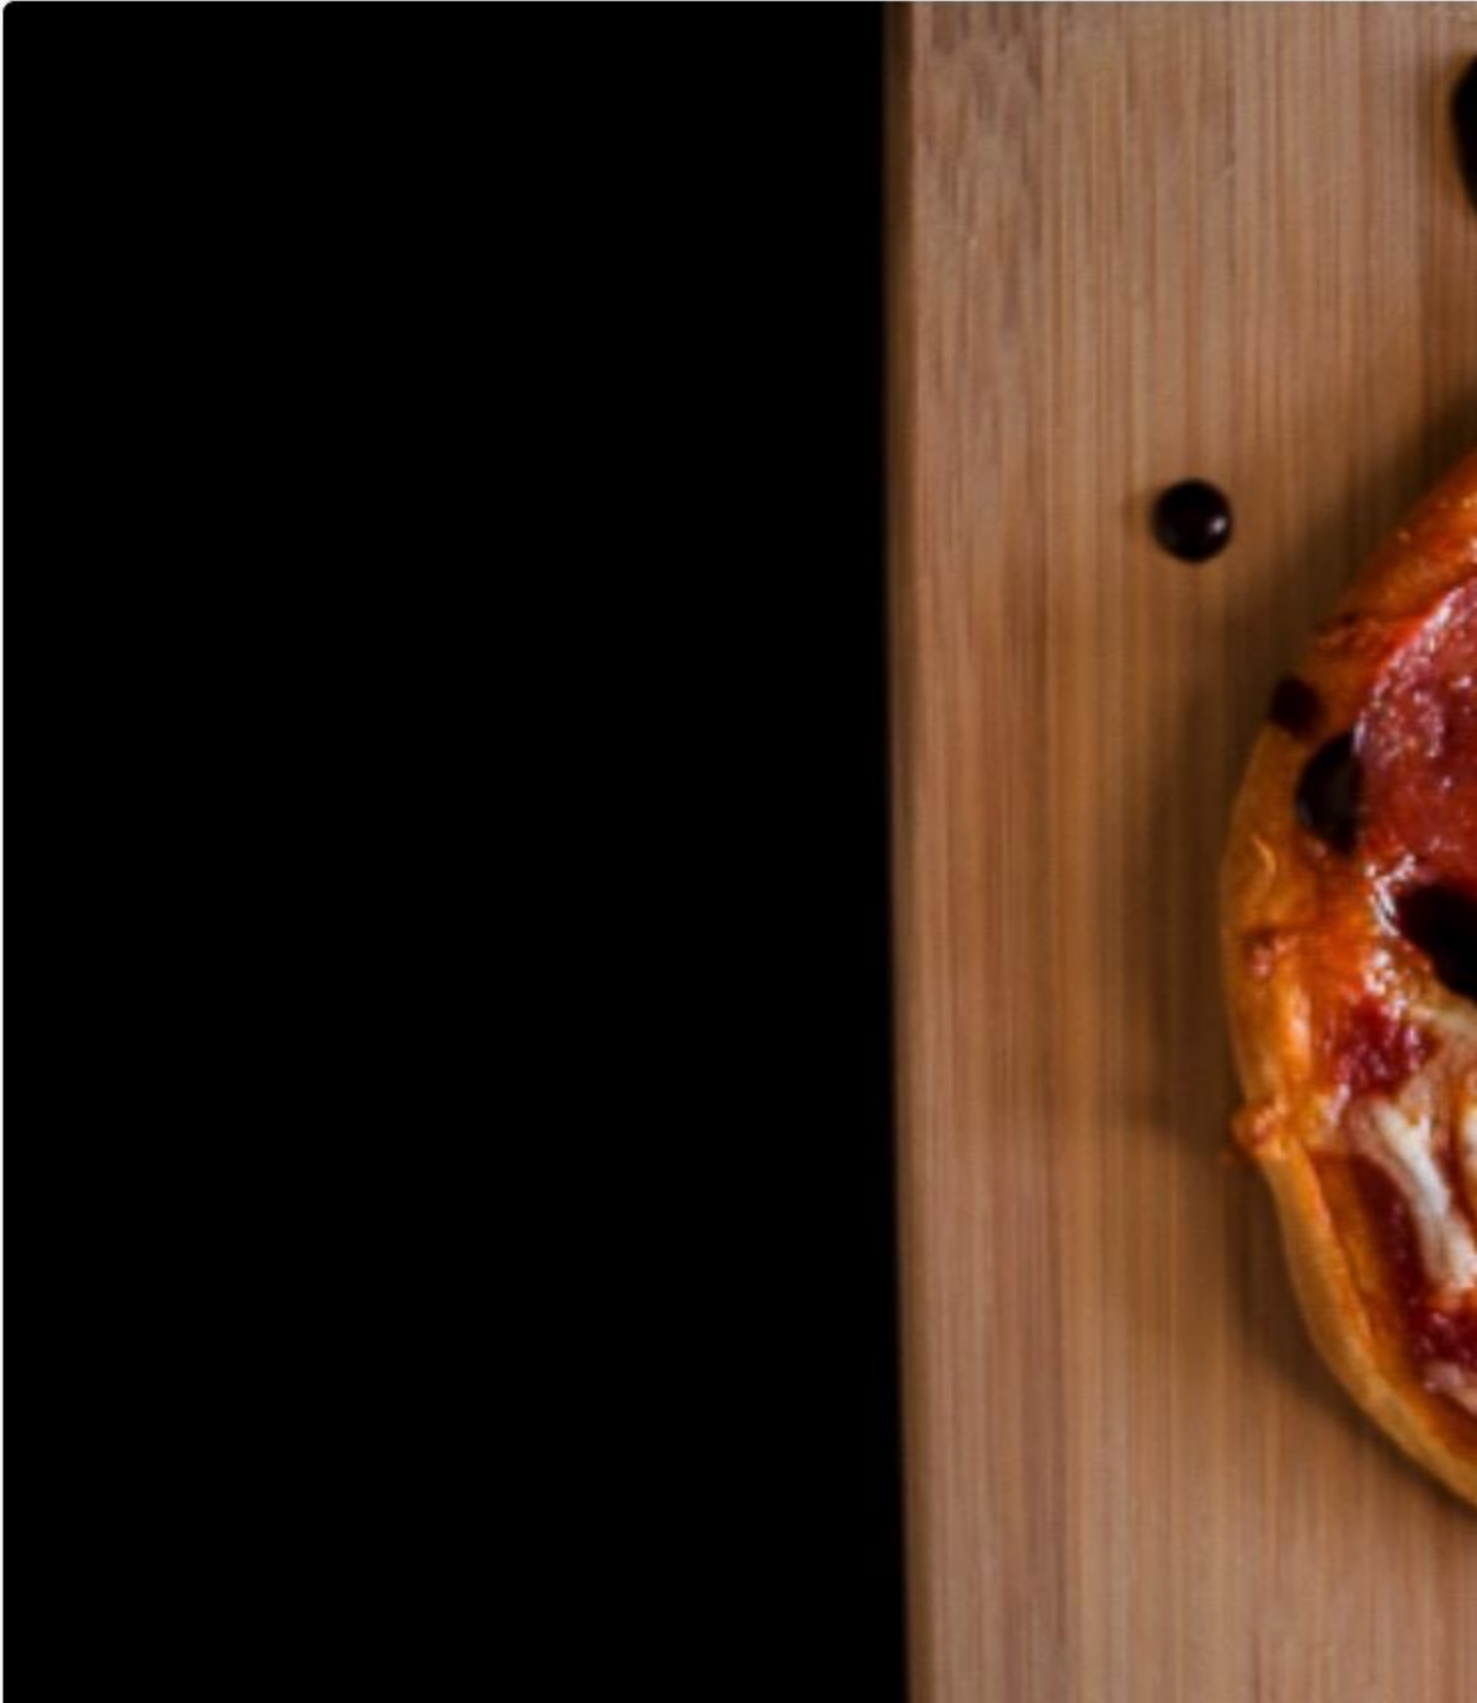

HIGHLY UNUSUAL INGREDIENTS

As Peter Pham noted for Foodbeast in 2014, [many of these Mutant Ninja Turtle pizzas had highly bizarre ingredients that you would never expect in real food.](#)

“One of the things that stuck was all the ridiculous pizzas Michelangelo and his brothers would order throughout the series.”

[This video contains a montage of many of the strange pizzas that were made.](#) Many of them include unusual sauces.

Pepperoni a

These sauces include butterscotch, clam sauce, chocolate fudge sauce, whipped cream, hot fudge, yogurt and anchovy sauce.

Sauce is one of the code-word references that appears in very strange ways throughout the Podesta emails.

Other sexual innuendoes hidden in the strange pizza toppings might include [tuna fish](#), [clams](#), [pickles](#), [pepperoni](#), [jelly beans](#), [salami](#), [sausages](#) and [banana](#).

Peter Pham created real mockups for “24 of the most disgusting pizza orders from the show,” obviously having no idea of the code that has since been uncovered.

PODESTA’S UNDERGROUND CHAMBER

An article from The Guardian in 2004 revealed that Podesta installed a lockable underground vault in his house to watch “awkward videos”:

"[The Podestas] are known for purchasing "awkward" works, such as video installations, that many other private collectors will not consider.

"It's easy to store them, but difficult to display them," says Podesta.

To get round the problem, he and his wife have excavated a huge subterranean vault beneath their house outside Washington.

[It is] a white space 5m square and 4m high in which it will be possible to show "very complicated video pieces" on all four walls.

In a Wikileaks email from January 31st, 2014, entitled "Last night was fun," Tony Podesta wrote to his brother John,

"Still in torture chamber. Another question. Do you two wanna have feb 14 valentines day dinner?"

Dinner, of course, has a whole new connotation in light of the code words we have now discovered.

LYING THROUGH THEIR TEETH

As David has been saying for years now, in dealing with the darkness that exists in the Cabal, "If you throw up, you will feel better."

We were never sure exactly how the Cabal would break down. The absurdly negative details of Pizzagate have finally activated the full fury of the public.

As Pizzagate went into overdrive, the [BBC](#) joined [NPR](#) , the [New York Times](#) and other [Realnews™](#) outlets in blatantly ignoring the voluminous evidence that exists – and lying through their teeth.

Alefantis is being interviewed as the sorry victim of a vast "internet hoax" of "fake news" with ["no evidence."](#)

The saga of 'Pizzagate': The fake story that shows conspiracy theories spread

What's popular and why

🕒 2 hours ago

This was the BBC article that lived on the top of Digg.com for all of December 1st:

<http://www.bbc.com/news/blogs-trending-38156985>

“No victim has come forward. There's no investigation. And physical evidence? That doesn't exist either.

But thousands of people are convinced that a paedophilia ring involving people at the highest levels of the Democratic Party is operating out of a Washington pizza restaurant.”

FAR MORE THAN ENOUGH EVIDENCE FOR CRIMINAL PROSECUTIONS

Coming face-to-face with this truth is very upsetting, and may require significant time for you to integrate and process.

[Wilcock wrote extensively about Cabal pedophilia in Section Three of Financial Tyranny, nearly five years ago now on January 13, 2012.](#)

This included an expose' of the North-American Man-Boy Love Association, or NAMBLA.

David was specifically asked to release this data by the Alliance, despite his own personal reservations.

There is far more than enough evidence for Pizzagate to lead to arrests and criminal prosecutions already.

This is going to happen soon, so [please don't take the law into your own hands](#), as was done on December 5th when a man brandished a rifle inside Comet Pizza.

The Cabal will do just about anything to suppress the exposure of pedophilia and child trafficking at the highest levels of Western society.

THE ALLIANCE

David Wilcock was briefed on the Alliance that is working to defeat the New World Order / Cabal or so-called “Illuminati” in 2009, by the high-ranking insider Pete Peterson.

Corey Goode had anonymously mentioned the Alliance in discussion forums for years, and publicly joined forces with David early in 2015.

We have jointly been discussing the reality of the Alliance ever since – [including through our weekly Gaia show Cosmic Disclosure](#), which has significantly more viewers than CNN's own Realnews™ programs.

The evidence in favor of the Alliance's existence is ever-increasingly obvious. Wikileaks is a major example.

[The Inquisitr website](#) was one of many sites to report on the latest astonishing, public revealing of the Alliance – which occurred just before the 2016 presidential election.

They reported on how Dr. Steve Pieczenik arrived on the scene, giving an official face and voice to the Alliance we have been disclosing all these years.

DR. PIECZENIK ON THE ALLIANCE

Here is an excerpt from the November 2nd article in the Inquisitr on this astonishing breakthrough.

<http://www.inquisitr.com/3668815/former-state-department-official-steve-pieczenik-may-have-made-the-most-important-announcement-in-american-history/>

“Dr. Steve Pieczenik has made a series of serious accusations on YouTube that, if proven true, will easily be the most important ever made in American history....

[Pieczenik is] a Harvard Ph.D. and was Deputy Assistant Secretary of State under Henry Kissinger, Cyrus Vance and James Baker....

He also served the presidential administrations of Gerald Ford, Jimmy Carter, Ronald Reagan and George H.W. Bush.

[He] has been [called](#) “one of the most ‘brilliantly competent’ men in the field of terrorism” by Pulitzer Prize-winning journalist Mary McGrory.

Tom Clancy has literally based books on this guy’s experience....

In the first [video](#) he released yesterday, Dr. Pieczenik announces that he [represents] a broad coalition of many individuals in the FBI, the CIA, military intelligence, and men and women in 15 other intelligence organizations.

[They] are engaging in a bloodless counter-coup against the “soft coup” that he says the Clintons, the current administration and many other top government officials have enacted [through overtaking the judiciary and many other American institutions]....

He also said he and his friends are the source of the leaked emails that WikiLeaks has been releasing, which would corroborate what award-winning human rights activist Craig Murray said after his friendly visit with Julian Assange two weeks ago.

“I can tell you with 100% certainty that it is not any Russian state actor or proxy that gave the Democratic National Committee and Podesta material to WikiLeaks.”

And in his [second video](#), Pieczenik delivered a shocking message: according to him, **Hillary Clinton is about to be charged not only with obstruction of justice, but also with sex with minors.**

According to Dr. Steve Pieczenik, both Hillary Clinton and her husband have sex with underage children, and he says they have proof.”

LET’S READ THE TRANSCRIPT

Here is an excerpt from the transcript of Dr. Pieczenik's own words. This is tantamount to the largest public revealing of the Alliance yet.

Steve Pieczenik 11/2 Partial Transcript

<http://www.godlikeproductions.com/forum1/message3348291/pg1?disclaimer=1>

“The Clintons have been involved in co-opting our Whitehouse, our judiciary, our CIA, our FBI, our Attorney General, Loretta Lynch, and our Director of the FBI, James Comey for some time now....

However, in order to stop this coup we in the intelligence community and others involved have informally gotten together.

With their permission, I am beginning to announce that **we've initiated a counter-coup through Julian Assange and Wikileaks.**

I am just a small part of something far bigger than myself.

It was the brave men and women who were in the FBI, CIA, the Director of Intelligence, the military intelligence, and the men and women in fifteen other intelligence organizations who were sick and tired of seeing this corruption in the Whitehouse, justice department, and the intelligence system.

We decided there was something we had to do in order to save the republic.”

A MUCH GREATER CONFLICT

It is deeply gratifying for the Alliance to have finally produced a spokesman who served in multiple US administrations.

We are still only seeing the very beginning of a full disclosure process. Ultimately we will discover the truth of a cosmic battle for the survival of the human race on earth.

The Cabal that is now openly branding their opposition “Fake News” has been suppressing the truth of UFOs for well over 80 years.

Any type of formal disclosure, such as of super-advanced ancient ruins in Antarctica, would be a massive game-changer that could create enormous distraction.

It does appear that the Cabal has been holding onto this “card” all along, and may be about to play it.

THE PODESTA / DISCLOSURE CONNECTION

On May 9th, 2001, Dr. Steven Greer brought 39 whistleblowers forward at the National Press Club in Washington DC, in an event entitled The Disclosure Project.

It was hoped that this would lead to a formal acknowledgement that we are not alone. The movement was gaining steam up until it was wiped out by the distraction of 9/11 a few months later.

On February 13, 2015, Podesta tweeted, “Finally, my biggest failure of 2014: Once again not securing the [#disclosure](#) of the UFO files. [#thetruthisstilloutthere](#)”. [This ignited a firestorm on the internet.](#)

The next day, February 14, 2015 (Valentine's Day), Disclosure Project chair [Dr. Steven Greer](#), a Washington DC local, made the following announcement on his website:

BREAKING NEWS - OBAMA ADVISOR SPEAKS

Written *by Zachary on* February 14, 2015 · [Leave a Comment](#)

BREAKING NEWS:

"Senior Obama Advisor and Clinton Chief of Staff John Podesta effect official UFO Disclosure.

[Click here for original article on Yahoo News](#)

Dr. Steven Greer is now confirming for the very first time the extensive briefing on UFOs shortly after President Obama's meeting with President Obama (<http://siriusdisclosure.com/wp-content/uploads/2015/02/Introduction.pdf>).

“Dr. Steven Greer is now confirming for the very first time that it was John Podesta to whom he provided the extensive briefing on UFOs shortly after President Obama took office in 2009.

(See cover letter to President Obama (<http://siriusdisclosure.com/wp-content/uploads/2012/12/obama-briefing-introduction.pdf>).

“Dr. Greer states: “An attorney working with Mr. Podesta requested the briefing and we assembled an extensive file for Mr. Podesta to provide to the newly- elected President Obama.

“There was also support for this process from a senior CIA official who is friendly to Disclosure and the briefing was also provided to then-CIA Director Leon Panetta.”

“Mr. Podesta came out publicly in support of Disclosure the year after the historic [2001 National Press Club Disclosure Project](#) event, organized by Dr. Greer.

“Dr. Greer continues, “We are encouraged that Mr. Podesta remains a stalwart supporter of Disclosure and we continue to advocate for the release of illegally classified information and technology related to UFOs.”

THE HAIL MARY PASS

The Cabal may well use Disclosure as their final Hail Mary pass when they are on the brink of defeat – which now appears to be very imminent.

A Hail Mary Pass is where an American football player throws the ball across most of the entire field—in a desperate attempt to score a game-changing touchdown with no time left on the clock.

In this case the football may just look a lot like a flying saucer. The Wikileaks emails have now revealed intriguing Disclosure-related connections.

This includes [communications between Podesta and Apollo astronaut Edgar Mitchell](#), a staunch Disclosure advocate, as well as the Blink-182 frontman Tom DeLonge. Blink-182 was one of the most famous bands of the 1990s.

DeLonge has claimed to be in contact with “[at least ten](#)” different [high-level insiders](#) who are feeding him classified information.

Based upon the contents of DeLonge’s truth-disguised-as-fiction book *Sekret Machines*, it appears he is being fed the talking points of what we have called the “Partial Disclosure” scenario.

More on that as we continue.

THE VILLAINS AND THE ALLIANCE

In the case of a Full Disclosure event, everyone will find out that the villains in our cosmic storyline are far more evil than most people could have ever imagined.

The villains include highly aggressive and negative extraterrestrials who have formed complex partnerships with Cabal / New World Order groups here on earth.

Torture, rape and murder actually creates an energy that these negative entities feed on, known as “loosh” in the dark inner world of the Cabal.

These acts of torture, particularly on children, also create splits in the mind that can then be programmed to do things, hidden away under amnesic barriers.

At the same time, the Alliance resisting these negative forces is vastly bigger and more organized than most people realize, if they even know about it at all.

This Alliance also is working with positive extraterrestrials, at least once you explore the more deeply classified sub-groups working within it.

The Alliance has released multiple top films that attempt to shed light on mind control and many other aspects of the Cabal.

Most recently, this included *Captain America: The Winter Soldier* and *Captain America: Civil War*.

STAY TUNED FOR PART TWO!

This entire Part One was originally written as an introduction to a joint article I am developing with Corey Goode.

That article is almost finished and will be sent off for art direction, but I wanted to get this out first so you had time to process it.

We hope to have the rest done for you very soon. Stay tuned!

DISCLAIMER: Please do not harass the individuals or businesses listed here. Let the NYPD, the FBI and other legitimate law enforcement agencies do their work. This is very important. Thanks.

As one final word, check out this update David Seaman posted today about the media declaring this very significant case as nothing but "fake news."

This guy is on fire, very fluent, and with the precision and speed of a top attorney, he asks one extremely damning question after another-- summarizing much of what we said here.

Boom! <https://www.youtube.com/watch?v=qGVSA2Jjelo>

SYNCHRONICITY UPDATE, MINUTES LATER, SAME MORNING

This article has "gone viral" at an astonishing speed, reaching nearly 10,000 views in minutes.

I went in to make a small change and the repeating-number-pattern synchronicity phenomenon was staring me in the face once again.

The hit counter was at precisely 9555. Seconds later it had gone up to 9616, but I photographed it at this moment. It is the third number over from the right:

<input type="checkbox"/>	ENDGAME: Disclosure and the Final Defeat of the Cabal (Alias: endgame-pt-1)			David's Blog
--------------------------	---	---	---	--------------

These things just happen without any effort, yet the phenomenon is remarkably consistent. It already occurred when photographing the BBC's attempt to make this all go away.

I see this as a very positive sign that we are being guided by the angelic forces we will meet in Part Two, which we are feverishly working on now.

After all this time, seeing this much real progress in the open world is a huge relief, despite the highly unpleasant nature of what we are learning.

'm busy reading the book, David! You have a masterpiece here which (IMO) has the potential to appeal to a very wide audience, and to lend a huge push to our collective awakening-disclosure to ourselves. Conversely - once the global spell is broken, this will be one book which will be popularly recommended for those who are numb with the confusion of having had their world view shattered. It encompasses so much, distills so much; and is formulated so well as to be easily readable and comprehensive. Thanks for working so hard for so long to get this out to us.

I've been watching PG play out in real time as the emails were being analyzed; it's good to see a concise summary of this nature that will bring many more up to speed as the topic continues to be actively censored in several places.

As for the "shooter," it appears to be a false flag designed solely to further discredit the active investigation.

Within hours of the incident, it was discovered the "shooter" had an active IMDB page, so he's an actor.

That he shot at the ground and basically sought to only cause a scene/create chaos also supports the idea it was a FF scenario.

The investigation continues 24/7 on a global basis with individual timeouts when it becomes overwhelming. Going outside for a while provides a critical balance for some of the things that can't be unseen.

Thanks to DW and CG, for your continued diligence and hard work.

Hi, David - Funny thing, I just read all about Pizzagate yesterday. Hadn't even heard of it before someone mentioned it in passing in the comment section on an article on the Sphere Being Alliance FB page.

It's quite telling that not a peep is being said in mainstream news. It's clear whose side they are on.

This newest revelation, in all it's gut-turning detail is so horrible that you really do have to be brave to allow yourself to be informed about it.

Like you said at some point, you have to love Truth more than you love your own little comfort zone of reality.

Indeed you also have to have faith in humanity and our ability to handle ALL things with dignity and grace.

We are mature enough to face it so we can fix it and heal it.

We MUST do this, it is imperative.

It's the reason so many of us chose to incarnate at this time.

The only positives I'm pulling out are at least this means our problems are domestic instead of us causing other countries problems, and that tensions that were apparently being suppressed are coming out in full.

Remember, remember the 5th of November. This was the day I first encountered the pedophile code words in the Podesta e-mails. I was at work and wanted to barf, scream and cry all at the same time. I knew this was going on but to actually see the e-mails of these people talking about it was a totally different thing. I found a couple of foster

homes that used these symbols and wrote about them along with many of the e-mails listed above and more. I also noticed that most of the MSM RealNews™ websites reporting on this shooting that just happened don't allow for commenting. How convenient. Game over Cabal.

It was interesting to watch Cosmic Disclosure and discussions of partial disclosure with Corey, only to return to this website and see how fast things are changing. Corey and David have always argued that once the cat is out of the bag, it is going to be hard to not ask followup questions. The Alliance may really want partial drip drip to continue but at a certain point, (obviously when the solar shift occurs) there may not be any stopping the avalanche. January is shaping up to be very very interesting.

WHAT EXACTLY DO YOU MEAN BY "FAKE?"

By definition, the Snowden documents would be "fake" as well – yet the operations they exposed are as serious as a heart attack.

Benjamin Fulford -- December 5th 2016: The Dominoes Keep Falling, Hollande, Renzi, Sarkozy down, Xi, Putin, Abe and Merkel Now Targeted

(Stillness in the Storm Editor) In honor of Ben's wishes to withhold posting the full update here is a portion of his report.

This post will be updated after approximately 3 days since its initial release; usually on Thursday.

Added links below.

Update - Be advised that apparently the photo of a cannibal dinner is not genuine. It appears to be (from what I can tell doing a precursory search online) from movie called *Thanksgiving*. I have added more photos at the end of the section in question. (Thank you to a commenter on Fulford's website)

Despite strenuous efforts by the Rothschilds and the bloodline families, the Khazarian mafia dominoes keep falling one by one. The resignations or announced resignations of Italian Prime Minister Matteo Renzi, French President Francois Hollande, European Parliament President Martin Shulz, New Zealand Prime Minister John Key, and the defeat of Khazarian drug dealing gangster Nicolas Sarkozy are the latest falling dominoes.

There is now a major campaign unfolding to remove remaining senior Rothschild agents like the so-called “Vladimir Putin” of Russia (the real Putin died long ago), Chinese strongman Xi Jinping, Japanese slave Prime Minister Shinzo Abe and Hitler daughter Angela Merkel in Germany, according to multiple sources in China, Russia, the US, Japan and elsewhere.

The shockwaves caused by the fall of Italy’s Renzi will be the biggest for now, because it paves the way for the election of a Five Star Movement government that promises to leave the Euro. There will be a “world of hurt” in the Italian banking system as a result that will only speed up either the re-introduction of the Italian Lira or else lead to the possible creation of a new Mediterranean currency, P2 Freemason sources say. A Mediterranean currency would co-exist with a revived Deutschemark that would take over the rump of the Euro in Northern Europe, the sources say.

The Rothschilds and the bloodlines are fighting back hard and are pulling all the stops they can to try to prevent US President Elect Donald Trump from taking power with their big push for vote recounts in the US, sources in the US Green party, the Rothschild family and CIA all agree. The push is headed for “a hard and fast 13 December deadline mandated by Title 3, U.S. Code, Section 5 that each of the individual American States must have concluded all controversies related to their voting and submit their Electors for the 19 December Electoral College vote to install that nations’ next leader,” CIA sources say.

Related [Video: Anonymous -- The Next 10 Days will Rock the World](#)

This push will fail because the bloodlines do not have any real backing in either the US military or the agencies, Pentagon and CIA a sources say.

The white hats in the military and the agencies are fighting back with a major push to expose very real pedophilia and human sacrifice being carried out by the bloodline families.

An insider in one of the bloodline families sent a horrific photograph of a cannibalistic event. This writer hesitated to publish the photo, which was sent shortly after Thanksgiving but, decided to do so in order for people to understand what we are fighting against. The picture will be made available to subscribers only for now and can be seen below.

Photo appears to be a fake. More photos below (possibly from the film *Thanksgiving* (2007))

The photograph is real as far as I can tell. Notice, for example the white cloth or paper around the fingers, they seem to be there so that people have something to hold on to as they rip them off. Also, notice the tied up children, who are most likely designated as “desert.” We are sworn to avenge this woman and her many fellow victims.

Former Khazarian sex slaves in Europe are also sending us credible evidence of hunting of 14 and 16 year old boys and girls by members of the European royalty.

This is what a CIA source with extensive knowledge of the situation had to say;

“It’s about time this so called pizza-gate and the global underground pedophile rings are being exposed. It has been going on secretly since the late 50’s early 60’s in America in the entertainment industry. Most likely before then as well...the main reason Walt Disney built Disneyland, finished in 1955, was to have a central location for his close friends to come pick up children and have a good time. Frank Sinatra, Bob Hope, even the Shah of Iran made visits to his children’s fantasy playground to enjoy more than just a walk in the park. Walt Disney was a well know pedophile amongst his inner circle of friends. Do you know how many children go missing every year at Disneyland, Disney World, Disneyland Paris and Tokyo? This

is a part of the global children trafficking cartel. Then there was the Mickey Mouse Club TV series which started in 1955, with the famous Mouseketeers. That is a whole different story in itself”.

SITS General Comment on Fulford Reports

I decided to add this general comment to all Fulford reports since I frequently receive the same questions about them.

Commentary:

In response to many questions and comments I receive from people wondering why I share these reports, I offer the following.

Speaking as someone who has been following Fulford's reports since 2011, reading them should probably be done with a large grain of salt. That is to say, he seems to share information directly from alleged sources within the Pentagon, CIA, White Dragon Society, and so on. Often the data presented is contradictory on the surface.

The predictions and statements Fulford makes sometimes are highly accurate, whereas, in other instances, they are completely unfounded. Instead of looking to Fulford as one who is "tapped into" some greater truth, it would probably be more productive to consider his data as *one possible perspective* on what is happening on Earth at this time.

Discernment is the process of understanding what something is, which in Fulford's case, means entertaining his reports without believing them blindly, and then doing the follow-up research/fact checking to determine what actually happened. In this way, it is a real-time discernment exercise.

The fact that so many people continue to read his reports despite their sensational and wildly inaccurate nature at times—while also being accurate and poignant—means the people he receives information from are probably using him as a mouthpiece to speak to you—*the reader who is on their awakening path*. As such, blind belief or callous rejection are not our allies but critical thinking and open-mindedness are.

As I have said before, if he is serving as a mouthpiece for various groups working to change the status quo or agents within the Cabal, we can decipher the data as if it is a form of awakening propaganda—information that certain players want to expose the masses to. What effect this has on your personal process is largely up to you. But I would suggest taking an active role in discernment and not falling into the trap of total acceptance or rejection.

OPINION

NOVEMBER 2, 2016

**FORMER STATE DEPARTMENT OFFICIAL STEVE
PIECZENIK MAY HAVE SENT THE MOST
IMPORTANT MESSAGE IN AMERICAN HISTORY**

[CAITLIN JOHNSTONE](#)

THE FOLLOWING ARTICLE IS ENTIRELY THE OPINION OF [CAITLIN JOHNSTONE](#) AND DOES NOT REFLECT THE VIEWS OF THE INQUISITR.

Dr. Steve Pieczenik has made a series of serious accusations on YouTube that, if proven true, will easily be the most important ever made in American history due to what they portend.

If what he's saying is true, all the guys and gals and non-binary pals in America are about to stop and question everything they've ever assumed to be true about their country, their society, and the life they've been living up until this point. If the American people are shown that what Dr. Pieczenik is saying is true, it would be more significant than the U.S. government publicly announcing that both the September 11 terror attacks and Sandy Hook were false flags, and that Osama bin Laden was really killed in 2001 and stored in a refrigerator for ten years, all at the same time.

And that would work out fine, because Pieczenik has stated that he believes all those things, too. Haha! I know. But please bear with me, let's just look at this thing.

So he's been on Alex Jones and said some really [weird things](#). But he's also a Harvard Ph.D. and was Deputy Assistant Secretary of State under Henry Kissinger, Cyrus Vance and James Baker. Yes, he writes [posts](#) on his website with those stereotypical Conspiracy Theory Guy gratuitous exclamation marks and bold font. But he also served the presidential administrations of Gerald Ford, Jimmy Carter, Ronald Reagan and George H.W. Bush, and has been [called](#) "one of the most 'brilliantly competent' men in the field of terrorism" by Pulitzer Prize-winning journalist Mary McGrory. Tom Clancy has literally based books on this guy's experience.

Yes, his new [videos](#) feature him using words like "lesbian" and "bisexual" with a very un-PC creepy old guy tone which would make you think he's talking about the mating habits of some sort of space mutant instead of sexual preferences that most of western society has grown pretty okay with in the year 2016. He's also clear-eyed and articulate, so much so that it might surprise you to learn that this is the very first time Pieczenik has publicly shown his face in some twenty years. It's been so long that [this](#) is the photo they used when he'd appear on Alex Jones' show, so you know this cat means business now.

And yes, he is also a Trump supporter. He is not, shall we say, unbiased. But if what he claims to know about the Clintons turns out to be true, most people would probably be tempted to support their opponents too.

In the first [video](#) he released yesterday, Dr. Pieczenik announces that he along with a broad coalition of many individuals in the FBI, the CIA, military intelligence, and men and women in 15 other intelligence organizations are engaging in a bloodless counter-coup against the “soft coup” that he says the Clintons, the current administration and many other top government officials have enacted against the American people via corruption and co-opting through the Clinton Foundation. Their goal is to ensure a smooth, bloodless transition of power to the next administration, and that justice is served to everyone deserving it without President Obama issuing anyone any presidential pardons on his way out the door. Here’s a [transcript](#) by an alert Redditor if you’d rather read.

He also said he and his friends are the source of the leaked emails that WikiLeaks has been releasing, which would corroborate what award-winning human rights activist Craig Murray said after his friendly visit with Julian Assange two weeks ago.

“I can tell you with 100% certainty that it is not any Russian state actor or proxy that gave the Democratic National Committee and Podesta material to WikiLeaks.”

And in his [second video](#), Pieczenik delivered a shocking message: according to him, Hillary Clinton is about to be charged not only with obstruction of justice, but also with sex with minors. According to Dr. Steve Pieczenik, both Hillary Clinton and her husband have sex with underage children, and he says they have proof. He'll certainly need it after making such an allegation, given that truth is the only sure-fire defense against defamation.

[View image on Twitter](#)

The real issue underlying a lot of Bill Clinton's nefarious activities as well as Hillary Clinton sexual activities is the fact that we know that both of them have been a major part and participant of what's called the 'Lolita express' which is a plane owned by Mr. Jeff Epstein a wealthy multi-millionaire who flies down to the Bahamas and allows Bill Clinton and Hillary to engage in sex with minors. That is called pedophilia and as a result of the excellent work that the New York police department does in tracking pedophiliacs they also have a record of both Hillary, Bill and other people associated with the Clintons with regard to pedophilia.

So not only will she be charged with obstruction of justice with lying to a prosecutor in the FBI. She will also be charged with pedophilia, sex with minors and other assorted issues. Bill might be brought up again on uncertain charges because those charges still relate to American crime and prosecutorial issues. But I do want to inform you that we are well aware in the intelligence community their activities hasn't stopped and we're not talking about one trip to the Bahamas we're talking about a multiple of 20 or 30 trips that Bill and Hillary did take separately and together on the 'Lolita express' to engage in sexual activities with minors. I hope you continue to listen to what we have to say.

This is Dr. Stephen Pieczenik and I will keep on informing you as to what is happening in this second American Revolution that we are witnessing in 2016.

Can you imagine if that's true? The impact that learning that news would have on the collective consciousness of our society? There's no amount of compartmentalization that could stop that bomb from landing in everyone's mind and blowing out all the walls of all their respective world views. Every narrative they've ever been given about government, society, even their own lives will suddenly be questionable. New possibilities will open up. Human consciousness could transform itself and rewire into something totally different in the fallout from that realization. Transform into something much, much better. Wherever space gets cleared, light has an opportunity to pour in. All the crazy things our species does could perhaps even be shrugged off like a heavy coat on a warm day.

I find that unknowing extremely exciting. What's even cooler is that we're not even being asked to do anything at all but pay attention.

Steve Pieczenik Talks, Nov 2 2016 Transcript (Partial)

On November 1st, 2016 Hillary and Bill Clinton and their entourage of assistants affected a civilian coup. In contrast to the usual concept of a coup where the military is involved and takes over the Whitehouse and communication centers very much like the scenarios you see in a movie, this coup was done silently and very effectively through two methods; corruption and co-optation.

The Clintons have been involved in co-opting our Whitehouse, our judiciary, our CIA, our FBI, our Attorney General, Loretta Lynch, and our Director of the FBI, James Comey for some time now. What they've done is to make sure they were part and parcel of a group of people who are interrelated through political cronyism. However, in order to stop this coup we in the intelligence community and others involved have informally gotten together and with their permission I am beginning to announce that **we've initiated a counter coup through Julian Assange and Wikileaks.**

What has happened in effect, when Comey had to open up the case of Hillary Clinton and discuss the emails that were involved with the Anthony Wiener case, it was not the case itself that was as important as the fact the this was the entrée for many of us in the counter coup to say to the administration, '*We have your number.*' Not only do we have your number, **we're going to stop you from making Hillary the President of the United States and at the same time we will convict and indict the President of the United States, Loretta Lynch, and any others who were involved in the cover up of the massive corruption that occurred under the Clinton Foundation.** In both cases their coup was silent and our counter coup was silent. It all occurred on the internet. This is probably the first time in the history of any country where a coup was initiated through the internet and a counter coup was initiated through the internet.

I am just a small part of something far bigger than myself. It was the brave men and women who were in the FBI, CIA, the Director of Intelligence, the military intelligence, and the men and women in fifteen other intelligence organizations who were sick and tired of seeing this corruption in the Whitehouse, justice department, and the intelligence system. We decided there was something we had to do in order to save the republic. So we initiated a counter coup through Julian Assange who's been very brave and really quite formidable in his ability to come forth and provide all the necessary emails that we gave to him in order to undermine Hillary and Bill Clinton.

Again, America. We're going through a major, major transition and quite frankly a second American revolution. We do not have guns. We do not have weapons. We do not have intent to kill anybody. We do not intend to harm anybody. But we, the American public and those of us who've served as veterans and in the intelligence service like myself, will stop the Clintons from assuming power they don't deserve.

Cont'd from Infowars Nov 2 2016

If (Hillary's) elected there will be an initiative to impeach her as a President of the United States. Our suspicion is Obama will not pardon her. The reason for that is Obama's too smart. He too came in through the intelligence system, particularly the CIA. He worked for Peter Geithner. He worked for the Asian Society. He is a front... contrary to what he says. His story is total nonsense. He was not an initiator of civil action on the local level. He was very much a product of the CIA.

Saudi Arabia's had a major influence on our government since the Clintons, the Bush seniors, the Bush juniors, and now Hillary. They **wanted to make sure they had somebody very close to the hand of power.** In this case they penetrated Uma Abedin very early on in '96, I've got to say, as a counter intelligence agent. They did a very good job...

This is a continuation of the corruption and collusion that our government in Washington, DC has committed against the American people.

Jones cont'd

You haven't been seen on video in two decades. You got out of the CFR fifteen years ago and rebuked them for 911. You've been exposing it all. You've been dead on about the de-evolution back the states, the Brexit, Catalonia (predicted it here five years ago before it even happened). You're talking to folks inside the government. You're talking to all your contacts at different agencies you were with. Now, clearly people understand we have to act! The intel I've gotten is we have to act because **Hillary knows time is not on her side.** They're going to move to sew up the country, shut down internet freedom, and try to shut us down. That's why we've got to go into high gear because they realize, long term, we have the momentum. **They want to shut down the peaceful process we've been using to counter them because they know we're winning.** They want to push it into a destabilization program, activate it with Soros and Black Lives Matter. This is a critical juncture right now. History is happening right now. A major moment in history, probably one of the most important in our history – what can the public do to make sure this criminal is brought to justice?

Pieczenik cont'd

They can support Trump with the fact he said this election is rigged. When the results come in they can defy the results and stand up and say, '*We don't accept the results.*' The reason for that is... the Diebold machineries and Dominion have really rigged the machinery in such a way

that if Hillary is viable... she will win. If that's the case then the American public have to stand up without violence and say, '*We cannot accept this election result.*' There will be no way Hillary can win legally.

Jones cont'd

They're already fractionally shaving. They're already flipping all over. They're already selling the narrative Trump's losing. Even in rigged polls, sampling 12% more... he is already... 10 points ahead.

Pieczenik cont'd

There's no question Trump will be in the forefront. There's no question Trump will not accept the results of the election. Neither will the intelligence community accept the results of the election. **The most honourable thing Hillary could do... is to resign.**

Where do I take this pain of mine?
I run, but it stays right by my side

So tear me open, pour me out
There's things inside that scream and shout
And the pain still hates me
So hold me until it sleeps

Just like the curse, just like the stray
You feed it once and now it stays
Now it stays

So tear me open but beware
There's things inside without a care
And the dirt still stains me
So wash me until I'm clean

It grips you, so hold me
It stains you, so hold me
It hates you, so hold me
It holds you, so hold me
Until it sleeps (until it sleeps, until it sleeps)

So tell me why you've chosen me
Don't want your grip
Don't want your greed
Don't want it

I'll tear me open, make you gone
No more can you hurt anyone
And the fear still shakes me
So hold me until it sleeps

It grips you, so hold me
It stains you, so hold me
It hates you, so hold me
It holds you, holds you, holds you

Homosexual prostitution inquiry ensnares VIPs with Reagan, Bush

'Call boys' took midnight tour of White House

By Paul M. Rodriguez and George Archibald
© 1989 THE WASHINGTON TIMES

A homosexual prostitution ring is under investigation by federal and District authorities and includes among its clients key officials of the Reagan and Bush administrations, military officers, congressional aides and U.S. and foreign businessmen with close social ties to Washington's political elite, documents obtained by The Washington Times reveal.

One of the ring's high profile clients was so well-connected, in fact, that he could arrange a middle-of-the-night tour of the White House for his friends on Sunday, July 3, of last year. Among the six persons on the extraordinary 1 a.m. tour were two male prostitutes.

Federal authorities, including the Secret Service, are investigating criminal aspects of the ring and have told male prostitutes and their homosexual clients that a grand jury will deliberate over the evidence throughout the summer, The Times learned.

Reporters for this newspaper examined hundreds of credit-card vouchers, drawn on both corporate and personal cards and made payable to the escort service operated by the homosexual ring. Many of the vouchers were run through a so-called "sub-merchant" account of the Chambers Funeral Home by a son of the owner, without the company's knowledge.

Among the client names contained in the vouchers — and identified by prostitutes and escort operators — are government officials, locally based U.S. military officers, businessmen, lawyers, bankers, congressional aides and other professionals.

Editors of The Times said the newspaper would print only the names of those found to be in sensitive government posts or positions of influence. "There is no intention of publishing names or facts about the operation merely for titillation," said Wesley Pruden, managing editor of The Times.

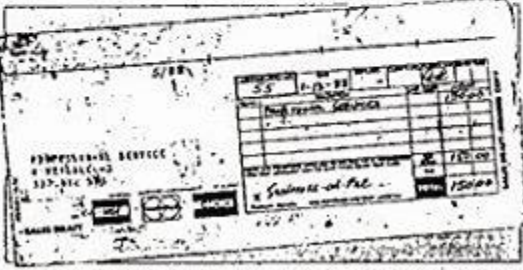

The office of U.S. Attorney Jay B. Stephens, former deputy White House counsel to President Reagan, is coordinating federal aspects of the inquiry but refused to discuss the investigation or grand jury action.

Several former White House colleagues of Mr. Stephens are listed among clients of the homosexual prostitution ring, according to the credit-card records, and those persons have confirmed that the charges were theirs.

Mr. Stephens' office, after first saying it would cooperate with The Times' inquiry, withdrew the offer late yesterday and also declined to say whether Mr. Stephens would recuse himself from the case because of possible administration of business with sexual prostitute services operating with several sources.

Among clients of the homosexual prostitution ring for credit cards months ago are Charles "Charm" associate, identical personnel administration, an Labor Secretary, federal personnel House.

In the 1970s, congressional aide Robert Bauman, who resigned after he admitted sexual liaisons, said PROBE, p

businessmen, lawyers, bankers, congressional aides and other professionals.

Editors of The Times said the newspaper would print only the names of those found to be in sensitive government posts or positions of influence. "There is no intention of publishing names or facts about the operation merely for titillation," said Wesley Pruden, managing editor of The Times.

Lyrics

I wonder where your are tonight
You're probably out on the rampage somewhere
You have been known to take delight
In getting in somebody's hair
And you always had the knack
Fade to black

I bet you already made a pass
I see a darkened room somewhere
You run your fingers around the rim of his glasses
You run your fingers through his hair
They scratch across his back

Well maybe its all 4 the best
But I wish id never been lassoed
Maybe it some kind of test
But I wish id never been tattooed
Or been to hell and back

Fade to black

Electronic Warfare – “Heat Ray”

America's Scariest Electronic Weapon

Robert Johnson and Geoffrey Ingersoll | Sep. 14, 2012, 9:04 PM | 292,603

Controlling the electromagnetic (EM) spectrum is a major asset in military operations.

The Marines recently demonstrated their painful “heat ray,” a weapon that blasts intruders with a wave beam that targets skin and makes victims feel like they’ve stepped in front of a blazing oven, but without killing them.

It doesn't cause irreversible damage, but will make someone instinctively back off.

Modern weapons systems employ radio, radar, infrared, optical, ultraviolet, electronic and laser technologies.

him, "Are you the teacher of Israel and yet you do not understand these things? Truly, truly, I say to you, we speak of what we know, and bear witness of what we have seen, but you do not receive our testimony. ¹² If I have said these things and you do not believe, how can you believe if I tell you more things? ¹³ No one has ascended into heaven except the one who descended from the Son of Man. ¹⁴ And as Moses lifted up the serpent in the wilderness, so must the Son of Man be lifted up, ¹⁵ that whoever believes in him may not perish but have eternal life. ¹⁶ For God so loved the world, that he gave his only Son, so that whoever believes in him should not perish but have eternal life. ¹⁷ For God sent the Son into the world to condemn the world, but in order that all who believe in him may be saved through him. ¹⁸ Whoever believes in him is not condemned, but whoever does not believe is condemned already, because he has not believed in the name of the only Son of God. ¹⁹ And this is the judgment: the light has come into the world, and people loved the darkness rather than the light, because their works were evil. ²⁰ For everyone who does wicked things hates the light and does not come to the light, lest his works should be exposed. ²¹ But whoever comes to the light, so that it may be clearly seen that his works are good, he will be carried out in God."

For God So Loved

(Genesis 22:1-10; Romans 5:6-11)

¹⁶For God so loved the world that He gave His one and only Son, that everyone who believes in Him shall not perish but have eternal life. ¹⁷For God did not send His Son into the world to condemn the world, but to save the world through Him. ¹⁸Whoever believes in Him is not condemned, but whoever does not believe is already condemned, because he has not believed in the name of God's one and only Son.

¹⁹And this is the verdict: The Light has come into the world, but men loved darkness more than light, because their deeds were evil. ²⁰Everyone who does evil hates the Light, and does not come into the Light for fear that his deeds will be exposed. ²¹But whoever practices the truth comes into the Light, so that it may be clearly seen that what he has done has been accomplished in God."^c

Special Agent Kimberly Milka

Special Agent Milka,

Attached you will find a copy of a book entitled 'Two Is Too Young To Die.' It is located online at the following online address <http://pastebin.com/Z6UkJkR4> I was directed to the link today by somebody I don't know that visits by online publications.

The book/confession is authored by a serial killer claiming to have murdered JonBenet Ramsey and other children. The 26,000 word book is so completely disturbing and sexually graphic regarding the author's confessions of violence and rape of little children it shocks the conscience beyond my ability to convey horror.

I am stating for the record in this Report to the Federal Bureau of Investigation that the author of this abomination could never be protected or immune from state and/or federal prosecution under the National Security Act of 1947. Nothing contained in this satanic composition and confession regarding the rape and murder of little children falls under National Security.

I will be providing a copy of this through the United States Postal Service to U.S. presidential candidate Donald J. Trump for review by his tentative Justice Department.

My heart and soul are searing with anger; and this I will tell you; the Lord God of Jacob, Isaac, and Abraham will not let this stand; that I will tell you.

Respectfully submitted,
Timothy Charles Holmseth
Investigative Journalist/Author/Publisher

Special Agent Milka,

Attached you will find a copy of a book entitled 'Two Is Too Young To Die.' It is located online at the following online address <http://pastebin.com/Z6UkJkR4> I was directed to the link today by somebody I don't know that visits by online publications.

The book/confession is authored by a serial killer claiming to have murdered JonBenet Ramsey and other children. The 26,000 word book is so completely disturbing and sexually graphic regarding the author's confessions of violence and rape of little children it shocks the conscience beyond my ability to convey horror.

I am stating for the record in this Report to the Federal Bureau of Investigation that the author of this abomination could never be protected or immune from state and/or federal prosecution under the National Security Act of 1947. Nothing contained in this satanic composition and confession regarding the rape and murder of little children falls under National Security.

I will be providing a copy of this through the United States Postal Service to U.S. presidential candidate Donald J. Trump for review by his tentative Justice Department.

My heart and soul are searing with anger; and this I will tell you; the Lord God of Jacob, Isaac, and Abraham will not let this stand; that I will tell you.

Respectfully submitted,

The true story of UN contractors' role in human trafficking and enforced prostitution is to be told in full for the first time in a new book by a former UN human rights investigator.

In *The Whistleblower*, published this week, Kathryn Bolkovac describes how she thought she was taking a well-paid job with DynCorp International, a private military contractor employed by the US State Department to recruit police officers to serve as UN peacekeepers in Bosnia. Instead, the former police officer from Nebraska sacrificed her career and fled from Bosnia in fear of her life.

DynCorp, based in Virginia, is one of the biggest contractors working for the US government. It has been paid billions of dollars to train police in Afghanistan and Iraq. The company vehemently denies Ms Bolkovac's allegations.

Her story has been made into a film, also called *The Whistleblower* and starring Rachel Weisz. The actress describes Ms Bolkovac as "a remarkable woman who has had the courage to tell the truth and stand up for the victims of sex trafficking, putting her own life on the line".

I am stating for the record in this Report to the Federal Bureau of Investigation that the author of this abomination could never be protected or immune from state and/or federal prosecution under the National Security Act of 1947. Nothing contained in this satanic composition and confession regarding the rape and murder of little children falls under National Security.

I will be providing a copy of this through the United States Postal Service to U.S. presidential candidate Donald J. Trump for review by his tentative Justice Department.

My heart and soul are searing with anger; and this I will tell you; the Lord God of Jacob, Isaac, and Abraham will not let this stand; that I will tell you.

Respectfully submitted,

Special Agent Milka,

Attached you will find a copy of a book entitled 'Two Is Too Young To Die.' It is located online at the following online address <http://pastebin.com/Z6UkJkR4> I was directed to the link today by somebody I don't know that visits by online publications.

The book/confession is authored by a serial killer claiming to have murdered JonBenet Ramsey and other children. The 26,000 word book is so completely disturbing and sexually graphic regarding the author's confessions of violence and rape of little children it shocks the conscience beyond my ability to convey horror.

Special Agent Milka,

Attached you will find a copy of a book entitled 'Two Is Too Young To Die.' It is located online at the following online address <http://pastebin.com/Z6UkJkR4> I was directed to the link today by somebody I don't know that visits by online publications.

The book/confession is authored by a serial killer claiming to have murdered JonBenet Ramsey and other children. The 26,000 word book is so completely disturbing and sexually graphic regarding the author's confessions of violence and rape of little children it shocks the conscience beyond my ability to convey horror.

I am stating for the record in this Report to the Federal Bureau of Investigation that the author of this abomination could never be protected or immune from state and/or federal prosecution under the National Security Act of 1947. Nothing contained in this satanic composition and confession regarding the rape and murder of little children falls under National Security.

I will be providing a copy of this through the United States Postal Service to U.S. presidential candidate Donald J. Trump for review by his tentative Justice Department.

My heart and soul are searing with anger; and this I will tell you; the Lord God of Jacob, Isaac, and Abraham will not let this stand; that I will tell you.

Respectfully submitted,
Timothy Charles Holmseth

In Re: 26,000 page confession by serial killer and child rapist / JonBenet Ramsey

September 22, 2016

Special Agent Kimberly Milka
Denver FBI

Special Agent Milka,

Attached you will find a copy of a book entitled 'Two Is Too Young To Die.' It is located online at the following online address <http://pastebin.com/Z6UkJkR4> I was directed to the link today by somebody I don't know that visits by online publications.

The book/confession is authored by a serial killer claiming to have murdered JonBenet Ramsey and other children. The 26,000 word book is so completely disturbing and sexually graphic regarding the author's confessions of violence and rape of little children it shocks the conscience beyond my ability to convey horror.

I am stating for the record in this Report to the Federal Bureau of Investigation that the author of this abomination could never be protected or immune from state and/or federal prosecution under the National Security Act of 1947. Nothing contained in this satanic composition and confession regarding the rape and murder of little children falls under National Security.

I will be providing a copy of this through the United States Postal Service to U.S. presidential candidate Donald J. Trump for review by his tentative Justice Department.

My heart and soul are searing with anger; and this I will tell you; the Lord God of Jacob, Isaac, and Abraham will not let this stand; that I will

Special Agent Milka,

Attached you will find a copy of a book entitled 'Two Is Too Young To Die.' It is located online at the following online address <http://pastebin.com/Z6UkJkR4> I was directed to the link today by somebody I don't know that visits by online publications.

The book/confession is authored by a serial killer claiming to have murdered JonBenet Ramsey and other children. The 26,000 word book is so completely disturbing and sexually graphic regarding the author's confessions of violence and rape of little children it shocks the conscience beyond my ability to convey horror.

I am stating for the record in this Report to the Federal Bureau of Investigation that the author of this abomination could never be protected or immune from state and/or federal prosecution under the National Security Act of 1947. Nothing contained in this satanic composition and confession regarding the rape and murder of little children falls under National Security.

I will be providing a copy of this through the United States Postal Service to U.S. presidential candidate Donald J. Trump for review by his tentative Justice Department.

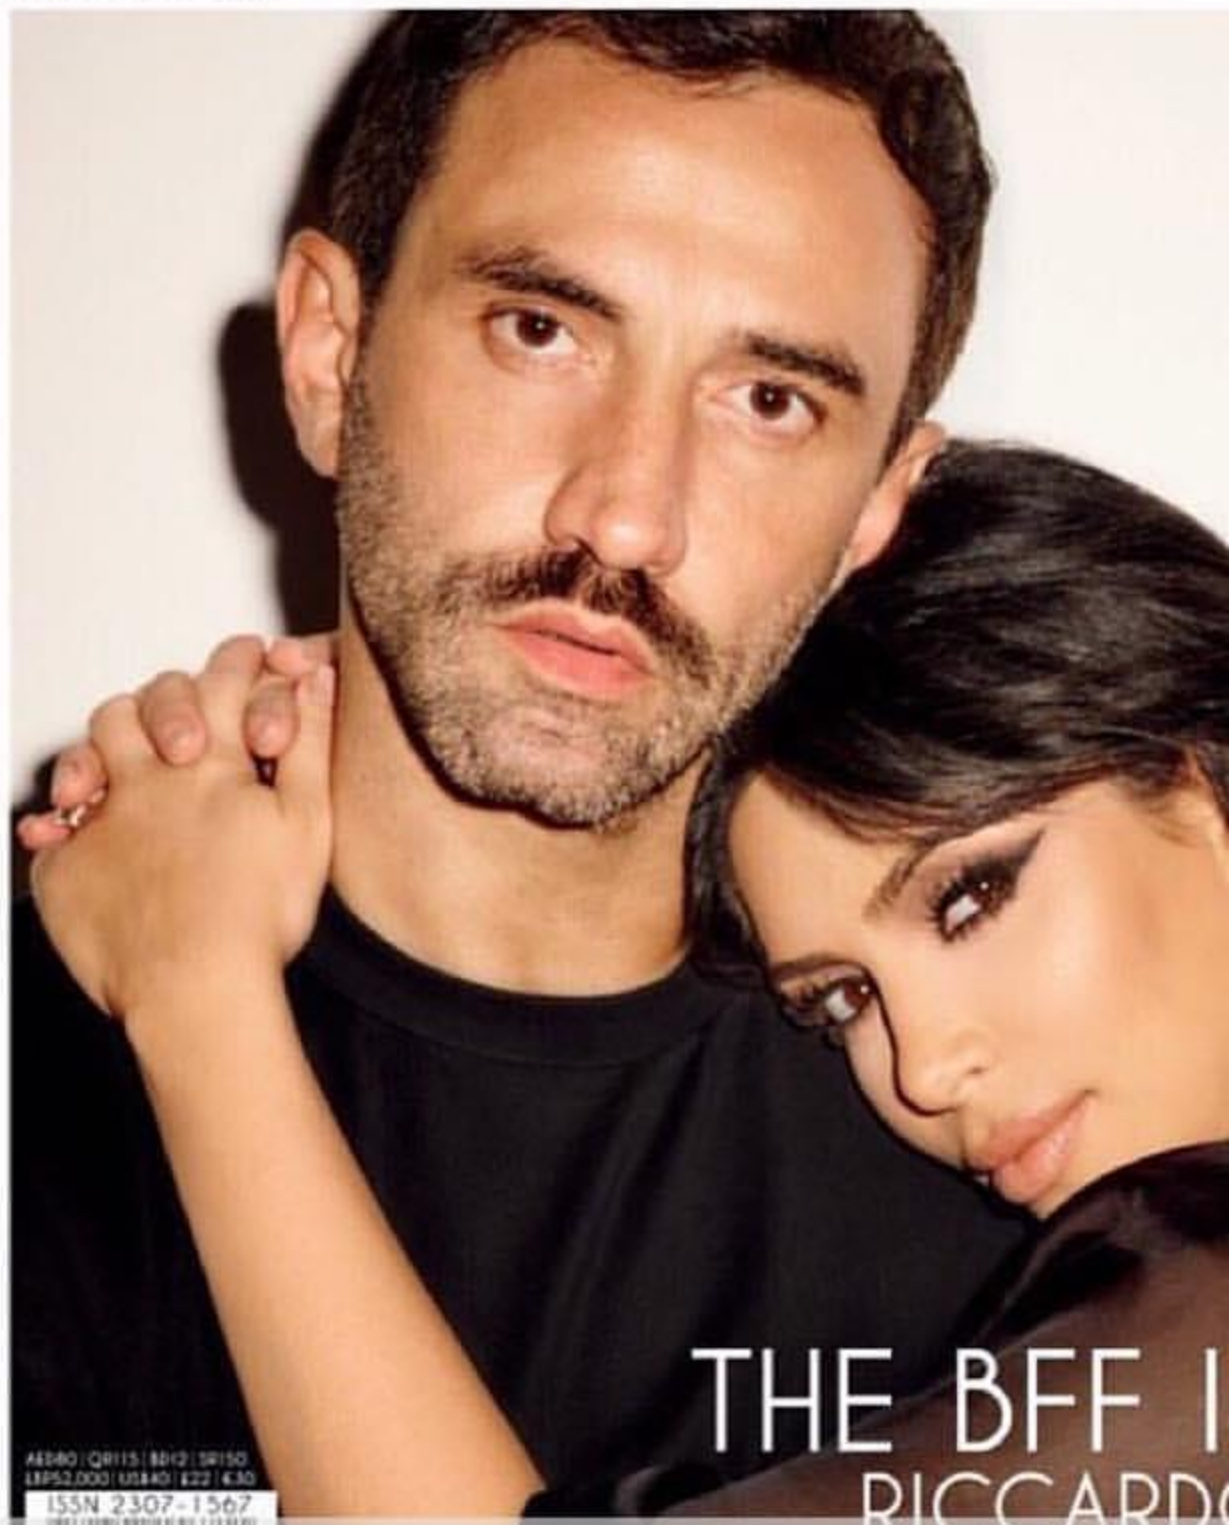

My heart and soul are searing with anger; and this I will tell you; the Lord God of Jacob, Isaac, and Abraham will not let this stand; that I will tell you.

Respectfully submit

ABSTRACT

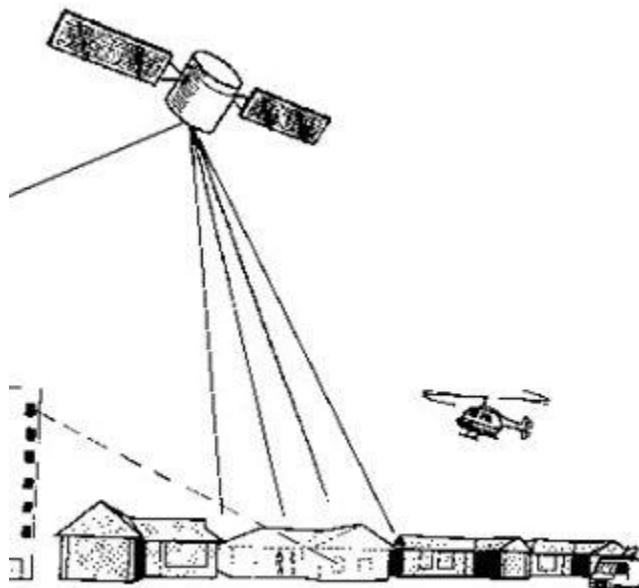

A system and method for enabling human beings to communicate by way of their monitored brain activity. The brain activity of an individual is monitored and transmitted to a remote location (e.g. by satellite). At the remote location, the monitored brain activity is compared with pre-recorded normalized brain activity curves, waveforms, or patterns to determine if a match or substantial match is found. If such a match is found, then the computer at the remote location determines that the individual was attempting to communicate the word, phrase, or thought corresponding to the matched stored normalized signal.

KABALLAH CRYPTO

The island has its own round **Caligula Mystery Roman Goddess D**
Artemis, Venus] Temple.

Put that **Staff of TRUTH** over it. The round design is a standard
Roman **Mystery Goddess Cult Temples**. It seems that nobody will
the island's temple. Round **Templar** churches are apparently made i
of **Solomon** or the **Dome of the Rock** in Jerusalem, a female symbol
The **Round Temple** is used to conjurer up deities and *demonic* sp
sacrifices- **THE RED MASS**.

THE WHITE HOUSE
Office of the Press Secretary

For Immediate Release

February 17, 1994

February 17, 1994

MEMORANDUM FOR THE VICE PRESIDENT
THE HEADS OF EXECUTIVE DEPARTMENTS
AND AGENCIES

SUBJECT: Review of Federal Policy for the Protection of
Human Subjects

Federally funded biomedical and behavioral research has resulted in major advances in health care and improved the quality of life for all Americans. The pursuit of new knowledge in these fields of research often requires experiments that involve human subjects. Although human subjects research is an essential element of biomedical and behavioral research, bioethical considerations must influence the design and conduct of such research.

Since 1947, when guidelines for research with human subjects were promulgated, there has been increasingly widespread recognition of the need for voluntary and informed consent and a scientifically valid design of experiments involving human subjects.

Over time, this recognition has evolved into a rigorous and formalized system of regulations and guidelines, which were codified in governmental policies on human subject research, and were included in the former Department of Health, Education and Welfare's regulations in 1974, 45 C.F.R. 46. In 1991, 16 agencies formally adopted the core of these regulations in a common Federal Policy for the Protection of Human Subjects. This Policy requires that all research protocols involving human subjects be reviewed by an Institutional Review Board. This review ensures that (1) risks are minimized and reasonable in relation to anticipated benefits; (2) there is informed consent; and (3) the rights and welfare of the subjects are maintained (56 Fed. Reg. 28003 (June 18, 1991)).

Although these regulations provide the framework for protecting human subjects in research, we must exercise constant care and ensure that these regulations are strictly enforced by departments and agencies. Therefore, I direct each department and agency of Government to review present practices to assure compliance with the Federal Policy for the Protection of Human Subjects and to cease immediately sponsoring or conducting any experiments involving humans that do not fully comply with the Federal Policy.

WILLIAM J. CLINTON

...black assassins...
In 1969, POLANSKI and his Luciferian Coven were involved in
horrible mass murder satanic sacrifices in American History.

On August 9, 1969, **Sharon Tate, Victim 1**, was eight and a half months pregnant and her unborn child were savagely slaughtered in her home, along with her followers of Charles Manson. Tate was married to **ROMAN POLANSKI**. She pleaded with the assassins, at least, save the baby. They refused to let her live. The horrific mass murders took place at their home located on Benedict Canyon Mountain at 10050 Cleo Drive in Benedict Canyon.

Woe to thee, Moab! thou art undone, O people of Chemosh [Saturn]:“ – Numbers 21:29

"And they forsook the LORD, and served Baal [Saturn] and Ashtaroth [Venus]." – Judges 2:13

“Wilt not thou possess that which Chemosh [Saturn] thy god giveth thee to possess? So whomsoever the LORD our God shall drive out from before us, them will we possess.” – Judges 11:24

“Then did Solomon build a high place for Chemosh [Saturn], the abomination of Moab, in the hill that is before Jerusalem, and for Molech [Saturn], the abomination of the children of Ammon.” – I Kings 11:7

“Because they have forsaken me, and have worshipped Ashtoreth [Venus] the goddess of the Zidonians, Chemosh [Saturn] the god of the Moabites, and Milcom [Saturn] the god of the children of Ammon, and have not walked in my ways, to do that which is right in mine eyes, and to keep my statutes and my judgments, as did David his father.” – I Kings 11:33

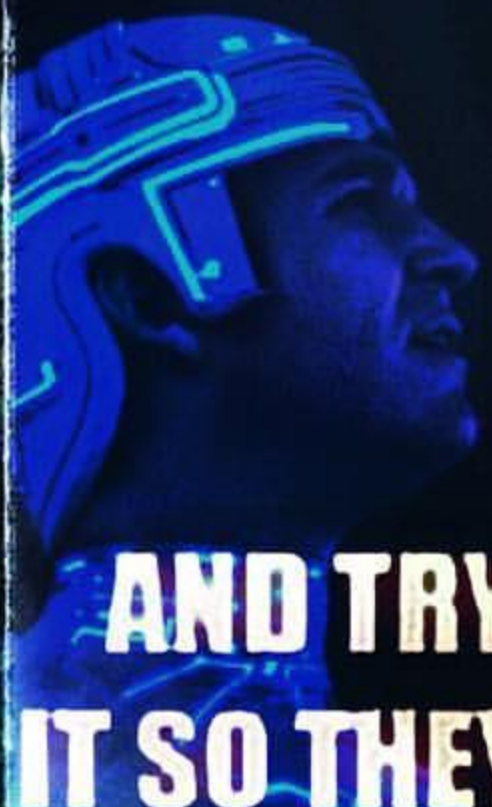

“Then said Elijah unto the people, I, [even] I only, remain a prophet of the LORD; but Baal’s [Saturn’s] prophets [are] four hundred and fifty men.” – I Kings 18:22

“And they left all the commandments of the LORD their God, and made them molten images, even two calves, and made a grove, and worshipped all the host of heaven, and served Baal [Saturn].” –II Kings 17:16

“For he [Manasseh] built again the high places which Hezekiah his father had destroyed; and he reared up altars for Baal [Saturn], and made an Asherah, as did Ahab king of Israel, and worshipped all the host of heaven, and served them. – II Kings 21:3

"And the high places that were before Jerusalem, which were on the right hand of the mount of corruption, which Solomon the king of Israel had builded for Ashtoreth [Venus] the abomination of the Zidonians, and for Chemosh [Saturn] the abomination of the Moabites, and for Milcom [Saturn] the abomination of the children of Ammon, did the king defile." – II Kings 23:13 #deatheaters #opdeatheaters @mysterybabylon101 @mypizzabrain @georgesoros @alexsoros #flynnlives #childeaters #pizzagate [pizzagate](#) [opdeatheaters](#) [childeaters](#) [flynnlives](#) [deatheaters](#)

Worse, in terms of how protected this satanic ring of perverts is, I recently reported that [even the DOJ is compromised](#).

A man named Arun Rao has shown a disturbing interest in some sexually "creepy" images and expressions that are connected to the Podestas and this pedo ring. The problem is that Rao is an Assistant U.S. Attorney in the DOJ.

5037 Connecticut Avenue, N.W.
Washington, D.C. 20008

Dear James:

Thank you for lending your time and extraordinary talent to participate in the "Cooking with Fratelli Podesta" fundraiser for my campaign for president hosted by Tony and John Podesta. I heard the evening was a smashing success, and am grateful to you for everything you did to make it possible.

I'm running for president because everyday Americans and their families need a champion, and I want to be that champion. I want to help all people fulfill their potential and not only get ahead, but stay ahead. I am energized by the support and good wishes I have received on the trail, and am looking forward to continuing the conversation about our future and to building an inclusive, nationwide grassroots campaign that will earn every vote to victory.

Thank you for standing with me in this fight, and please know that I am cheering you on for continued success. Onward!

With warm regards, I am

Sincerely yours,

Hillary

hope you are well. i copied you in on a little email i sent to [REDACTED] he got screwed over there with [REDACTED] just like [REDACTED] and countless others...

the pictures will help. you will see that they have a group of sexual predators, deviants running rampant over there. no, they are not jamming guys in the ass per say, but they are showing poor judgement. i think guys in this business are pretty much some of the best and some of the worst. it is the companies responsibility to protect the good from the bad until they show tier ugly heads and can be removed. in this case the ugly ones are running the damn thing or in the case of joe ordanna are too clueless to recognize the truth or has no power to change it.

in the event [REDACTED] fails to inform you. peeing on people, eating potato chips out of ass cracks, vodka shots out of ass cracks (there is video of that one), broken doors after drunken brawls, threats and intimidation from those leaders participating in this activity. people have been terminated, like [REDACTED] because he would not play their games and his slip up gave them their op to get rid of him.

i know this entire thing is going to make life less bearable over there for all of us. i'll trade alcohol to some sane, accountable leadership. i am heading back on wed p.m. before i do i want you to know that there are some good people over there doing great work. we are not boy scouts but there should be some execution of professionalism in ones leadership. AGNA has been blind to all this and those good people are getting worn out and chewed up over it all. in a way the DOS has turned their backs to the guys on the ground and let the prostitution and gay shit continue. (note: i have not spoken to them, but i know over all this time someone had to drop that dime.)

I am forwarding a few pictures i have received in the past few days. i would hope that you forward these to your contact within the DOS. i suspect you have many if not all of these pictures, but i want to identify specific individuals in the AGNA leadership that are present in these photos. As i mentioned to [REDACTED] yesterday, i am convinced the greatest threat to the security of the Embassy is the erosion of the guard forces trust in its leadership and ultimately the DOS. The failure of [REDACTED] to protect those they have been tasked to lead is unacceptable, and if not held accountable will further compromise our mission.

The chain of command's failure to curtail [REDACTED] deviant actions and to not hold him accountable for countless infractions involving alcohol has made them ineffective. This has lead to threats and intimidation as the only means to accomplish the day to day operations here and at the Embassy. This is "not" a onetime incident that went unnoticed by [REDACTED] direct chain of command. These are events took place over the past year and a half and were ignored by the leadership at the cost of the well being of countless guard force members.

if these individuals are not held accountable for their actions it will only embolden those who remain to make the same offenses against this guard force. In addition, these photos as many were made public on Facebook and traded amongst the guard force should be used in promotion boards so that future leadership of this contract can be assured of the character of its leaders.

Respectfully,

ps. last night the AGNA leadership [REDACTED] went across the street to Kaia to have a meal with [REDACTED] as a going away event. This is not the message that this guard force needs ...

The picture shows a man that was seen several times by different witnesses during the days leading up to Madeleine's abduction on May 3rd 2007. He was described as ugly with pock-marked skin and was said to be watching the family's apartment intently.

If either of these men appear familiar to you in some way, please **contact our investigation team** as soon as possible.

This is an e-fit picture of a woman aged 30-35 years, approx. 5ft 2" tall, who was behaving suspiciously in the area of the Port Olimpic Marina in Barcelona in the early hours of May 7th 2007. She is a person of interest to the inquiry, as yet, unidentified.

If you are interested in this case, please contact the investigation hotline.

Hillary has a LONG history of interest in Ms. Silsby. Wikileaks emails dating back till at least 2001 have been found in her archives discussing Laura's NGO. Laura had claimed she planned to build an orphanage in the Dominican Republic, but authorities in the country said she never submitted an application for this purpose. They instead located to Haiti.

Electronic Warfare – “Heat Ray”

America's Scariest Electronic Weapon

Controlling the electromagnetic (EM) spectrum is a major asset in military operations.

The Marines recently demonstrated their painful “heat ray,” a weapon that blasts intruders with a wave beam that targets skin and makes victims feel like they’ve stepped in front of a blazing oven, but without killing them.

See the gear >

It doesn't cause irreversible damage, but will make someone instinctively back off.

Modern weapons systems employ radio, radar, infrared, optical, ultraviolet, electronic and laser technologies.

ZOMBIE GUN

Another news story on April Fools' Day looked like a send-up, but turned out to be true – probably.

'Psychotronic' guns that can effectively turn people into zombies have been given the go-ahead by Russian president Vladimir Putin. The weapons attack the central nervous system with electromagnetic radiation like that found in microwave ovens. "Such high-tech weapons systems will be comparable in effect to nuclear weapons," said Putin, "but will be more acceptable in terms of political and military ideology." Precise details of the Russian gun have not

been revealed. However, previous research has shown that low-frequency waves or beams can affect brain cells, alter psychological states and make it possible to transmit suggestions and commands directly into someone's thought processes. High doses of microwaves can damage the functioning of internal organs, control behaviour or even drive victims to suicide.

"This is a highly serious weapon," said Anatoly

Tsyganok, head of the Military Forecasting Centre in Moscow. "When it was used for dispersing a crowd and it was focused on a man, his body temperature went up immediately as if he was thrown into a hot frying pan. Still, we know very little about this weapon and even special forces guys can hardly cope with it."

The long-term effects are not known, but two years ago a former major in the Russian foreign intelligence agency, the

Clinton Injured, US Navy Seal Killed In Secret US Mission To Iran

Posted by EU Times on Dec 30th, 2012 // 279 Comments

A new Foreign Military Intelligence (GRU) report circulating in the Kremlin today is saying that United States Secretary of State Hillary Clinton [photo 2nd right] was injured, and a top US Navy Seal Commander killed when their C-12 Huron military passenger and transport aircraft crash landed nearly 3 weeks ago in the Iranian city of Ahvaz near the Iraqi border.

Iranian intelligence agents quoted in this GRU report confirm that the C-12 Huron aircraft is still in their possession in Ahvaz, but will only admit that the plane was "forced to land because of technical problems".

The US Navy Seal member reported killed in this bizarre incident, this report says, was identified as Commander Job W. Price [photo 3rd right] who as a leader of this highly specialized American Special Forces unit protects high-ranking diplomats traveling in Middle Eastern and Asian combat zones.

Curiously, US media reports on Commander Price's death say it being investigated as a possible suicide as he died from what the American Defense Department describes as "a non-combat related injury".

Equally as curious, US media reports state that Secretary Clinton will return to work next week after her having suffered what they describe as a "nasty bout with stomach flu" and a "concussion" which have kept her missing from public view the past three weeks.

This GRU report, however, states that US military flight logs recorded by Russian air and space forces confirm that Commander Price, and other members of US Navy Seal Team 4, left their base in Urozgan Province, Afghanistan on a flight to US Naval Support Activity Bahrain

MAgneto Hydrodynamic Explosive Munition (MAHEM)

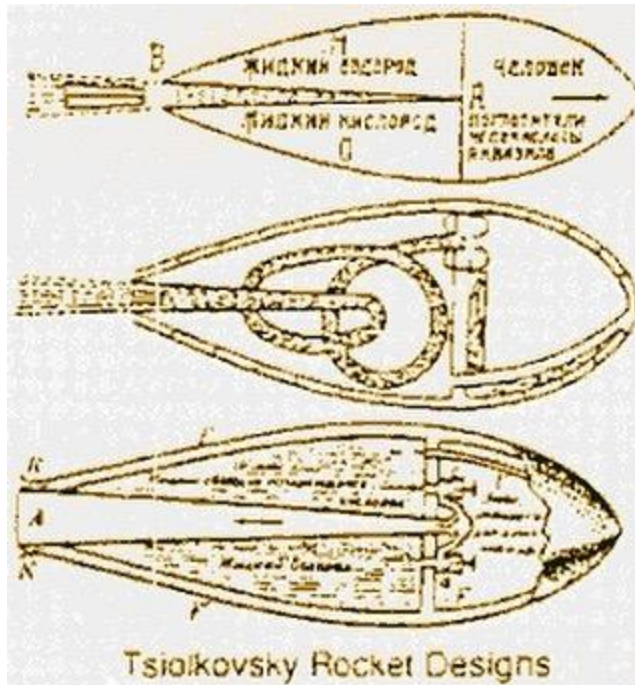

Mr. Jerome Dunn

Explosively formed jets (EFJ) and fragments and self-forging penetrators (SFP) are used for precision strike against targets such as armored vehicles and reinforced structures. Current technology uses chemical explosive energy to form the jets and fragments. This is highly inefficient and requires precise machining of the metal liners from which the fragments and jets are formed. The Magneto Hydrodynamic Explosive Munition (MAHEM) program offers the potential for higher efficiency, greater control, and the ability to generate and accurately time multiple jets and fragments from a single charge.

The MAHEM program will demonstrate compressed magnetic flux generator (CMFG)-driven magneto hydrodynamically formed metal jets and SFP with significantly improved performance over EFJ. Generating multiple jets or fragments from a single explosive is difficult, and the timing of the multiple jets or fragments cannot be controlled. MAHEM offers the potential for multiple targeted warheads with a much higher EFJ velocity, than conventional EFJ/SFP. This will increase lethality precision. MAHEM could also be packaged into a missile, projectile or other platform, and delivered close to target for final engagement.

Recommended Salvage: FIRESIGN

For almost two decades the Department of Defense and NASA have coordinated on a black book project under the codename FIRESIGN. FIRESIGN's aim is to create a religious "awe effect" in enemy populations to create an instantaneous psychological soft-kill (abject submission). The operation uses high powered lasers to project real-seeming images on the sodium layer 100km above the surface. These images can cover hundreds or even thousands of square miles and can appear completely real, three dimensional, and can move.

These visual cues are augmented with pulsed ELF electromagnetic emissions (see: PROJECT SANGUINE) that attack the specific areas of the prefrontal cortex that are stimulated during religious experience. In limited tests, subjects have been able to be overwhelmed on both axis of vastness (an overwhelming of the subject's frame of reference) and a powerful need-for-accommodation. The mix of these two will produce inaction, lack of focus on self or individual interaction, and gross transformations in mental equilibrium (a Road-to-Damascus Experience).

During the late 70's the Russian's were working diligently behind the scenes to stop the New World Order. They became aware of a plot by the Zionist Bolsheviks who ran the CIA. In the spring of 1979, the ZB's planned to create a "Bolshevik" styled revolution in the United States similar to what happened to Russia in 1917. Not only that, the CIA wanted to start a nuclear war with a nuclear first strike against Russia. This was all tied into "Plan 2000" which is their blueprint for the New World Order.

I know this sounds crazy but the truth is the Russians had long known about these Zionists out of their country. They knew these people have no religion or any cause but their own. After they were expelled they infiltrated the American and British intelligence agencies and highest offices of the CIA. In the late 70's half of the CIA consisted of these so called Zionists. The Russians had a few cards up their sleeves, by using space based weapons and clones they stopped world war III.

In the fall of 1978, the Carter Administration was in panic with Russia's increased deployed military presence in space. Cosmospheres were part of the plan to shoot down all American space based weapon deployments. Cosmospheres are electro-gravitic weapons platforms equipped with particle beams. These Cosmospheres shoot down satellites, even the Space Shuttle Columbia where blown up when NASA tried to deploy space weapons.

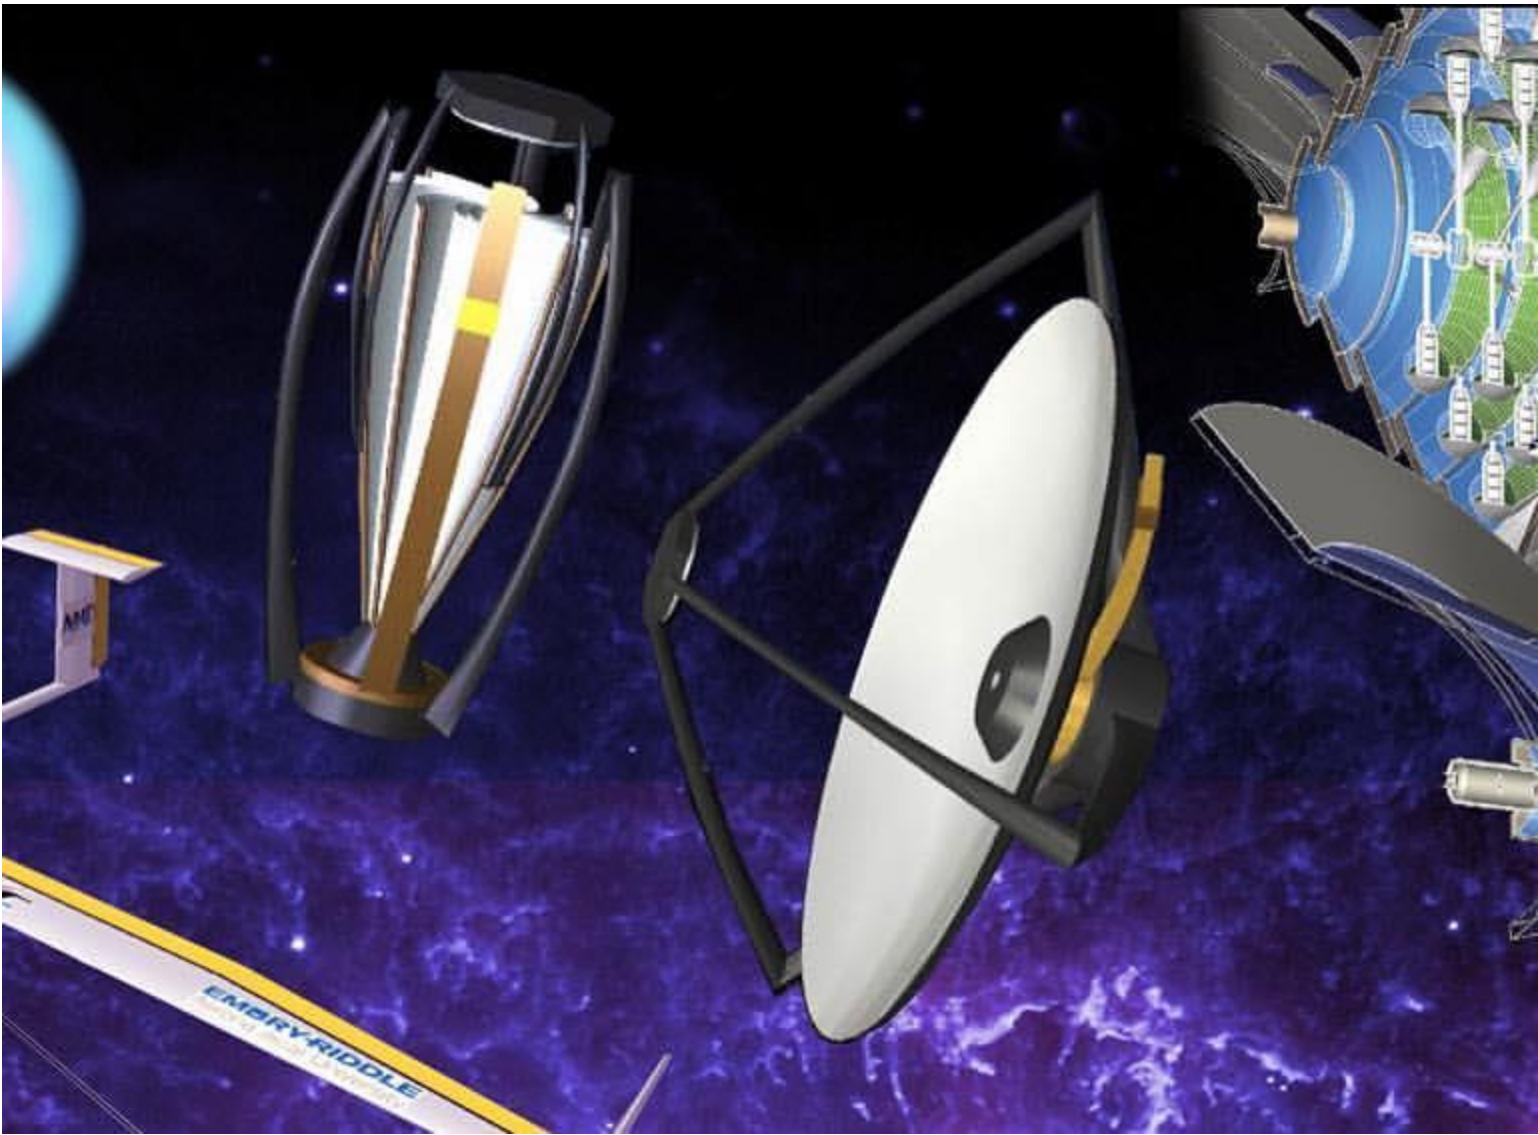

I ALREADY KNOW THIS IS CRAZY. <https://youtu.be/KAVqP8zaGcY>

MIND CONTROL <https://vimeo.com/185148476>

How it works:

1 Sensor implanted in brain

A chip – about the size of a contact lens – containing 100 electrodes is implanted on the surface of the brain's precentral gyrus, which controls hand and arm movements. A tiny wire connects the chip to a small pedestal secured to the skull. A cable connects the pedestal to a computer.

Short-term goals

More independence:

- Communication by e-mail, Internet phone
- Direct control of television, lights and thermostats
- Direct control of powered wheelchairs

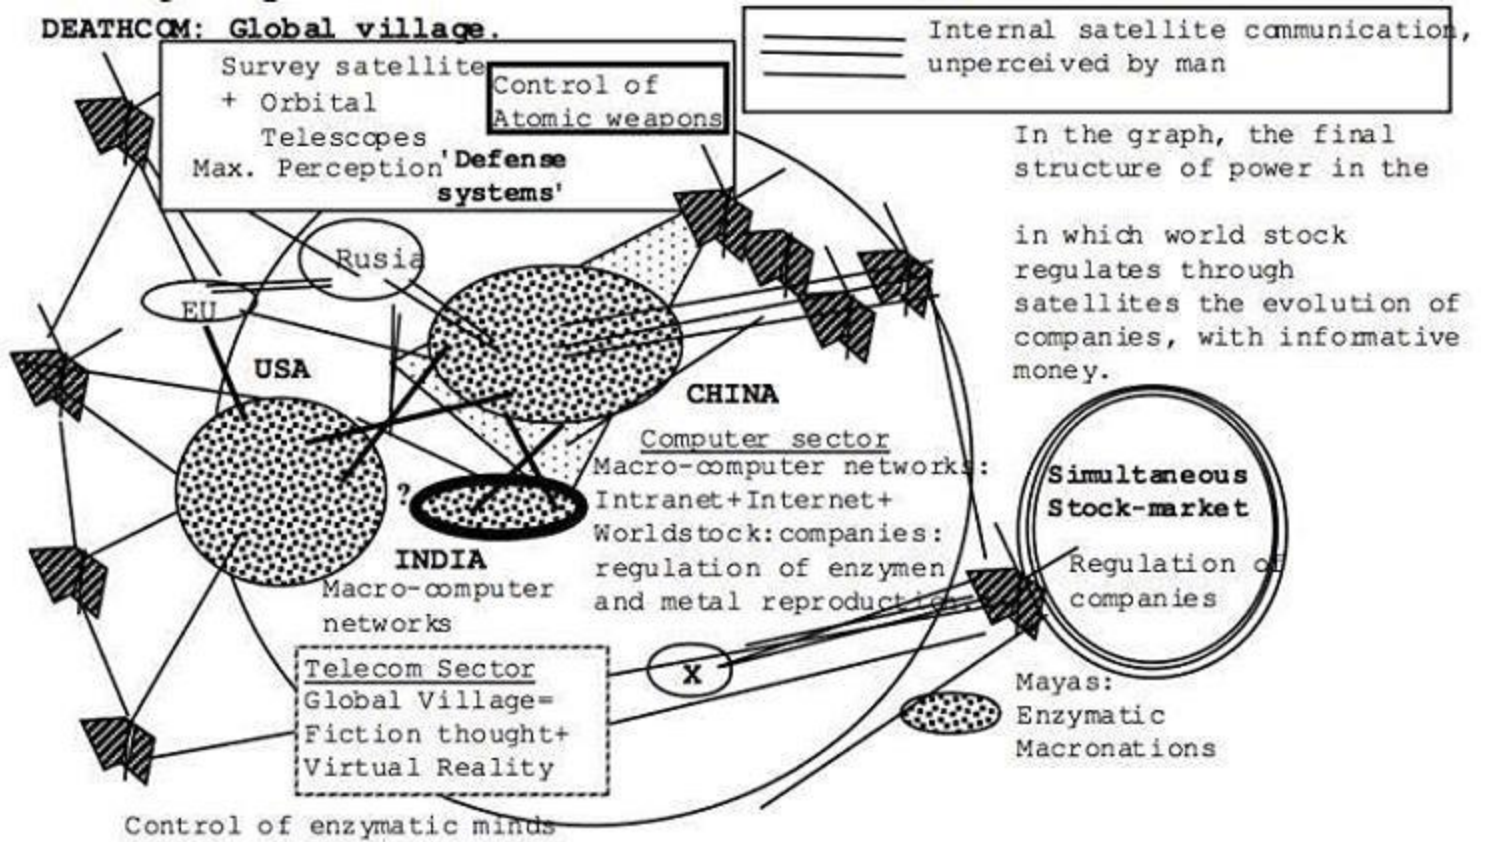

Long-term goals¹

Improved control of:

- Respiratory system
- Bladder, bowels
- Limb movement with muscle stimulation or robotics

(U//~~FOUO~~) The FBI's investigation and forensic analysis did not find evidence that Clinton's e-mail accounts or mobile devices were compromised by cyber intrusions. Due to investigative limitations, including the FBI's inability to obtain all mobile devices and computer components associated with Clinton's personal e-mail systems, the FBI was unable to conclusively determine whether the classified information transmitted through Clinton's personal server systems was compromised via cyber intrusion or other means. The FBI did find that hostile foreign actors successfully gained access to the personal e-mail accounts of individuals with whom Clinton was in regular contact and, in doing so, obtained information that was sent or received by Clinton on her personal account.

Hillary is dead

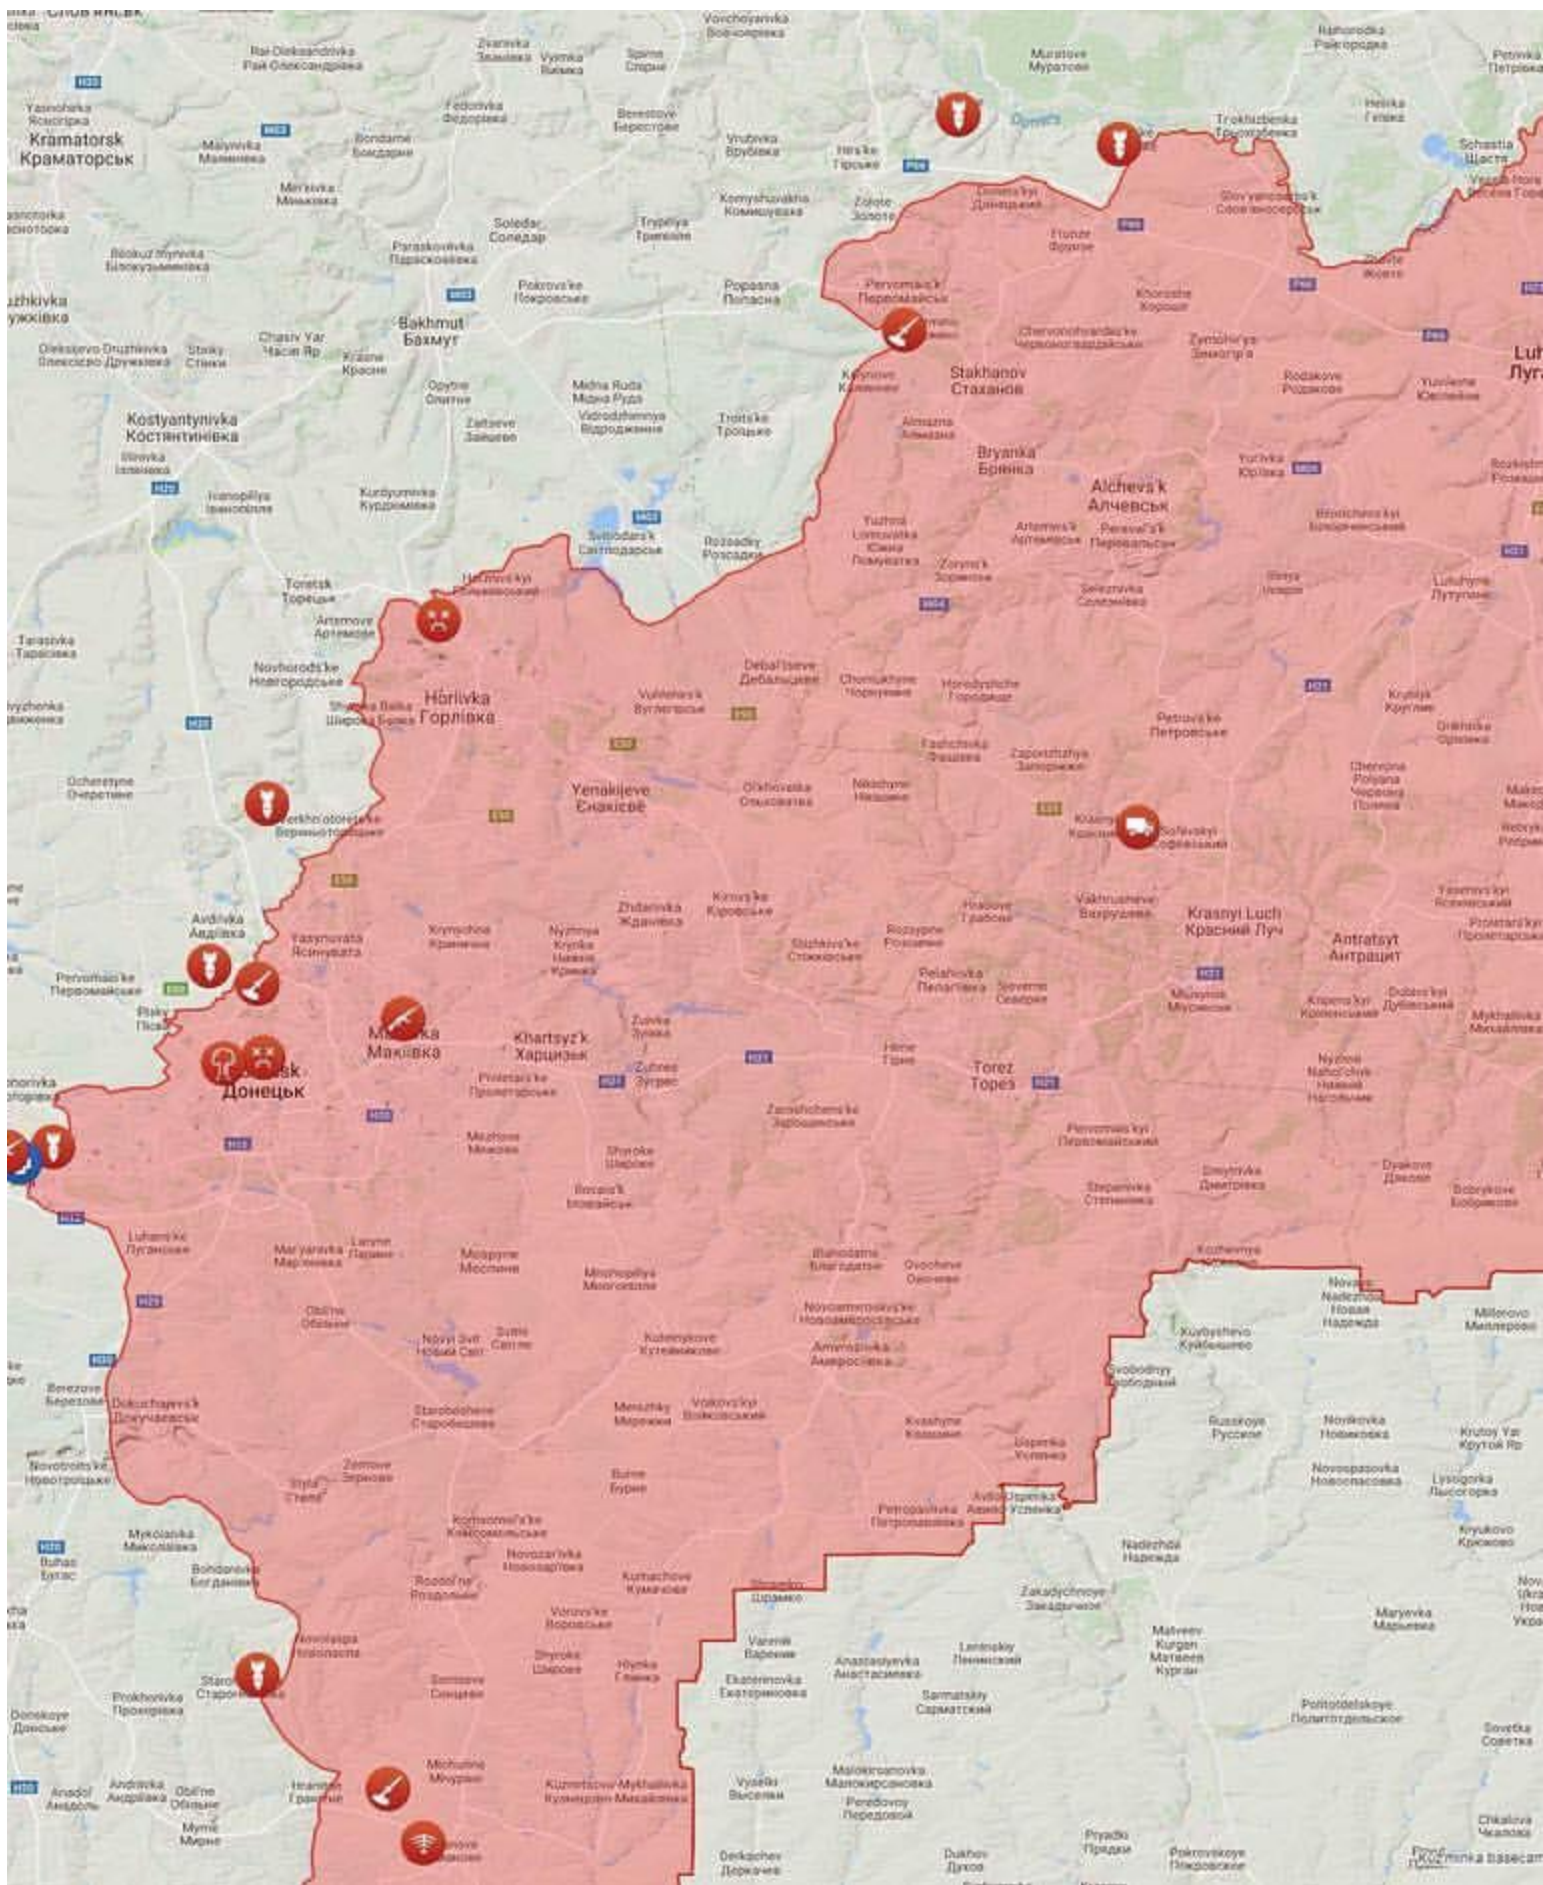

“Student loans are destroying the imagination of youth. If there’s a way of a society committing mass suicide, what better way than to take all the youngest, most energetic, creative, joyous people in your society and saddle them with, like \$50,000 of debt so they have to be slaves? There goes your music. There goes your culture. There goes everything new that would pop out. And in a way, this is what’s happened to our society. We’re a society that has lost any ability to incorporate the interesting, creative and eccentric people.”

JURISTIC CLASSIFICATION OF ISLAMIC LAW*

Khizr Muazzam Khan**

Most jurists are in the habit of classifying the sources of Islamic law into two main categories:

1. Chief Sources:

- (a) The *Quran*.
- (b) The *Sunnah* — authentic tradition of the Prophet Muhammed (Peace be upon him).
- (c) The *Ijma* — consensus of opinion.
- (d) The *Qiyas* — judgment upon juristic analogy.

2. Supplementary Sources:

- (a) *Al-Istihsan* — the deviation, on a certain issue, from the rule of a precedent to another rule for a more relevant legal reason that requires such deviation.
- (b) *Al-Istislah* — the unprecedented judgment motivated by public interest to which neither the *Quran* nor the *Sunnah* explicitly refer.
- (c) *Al-Urf* — the custom and the usage of a particular society, both in speech and in action.

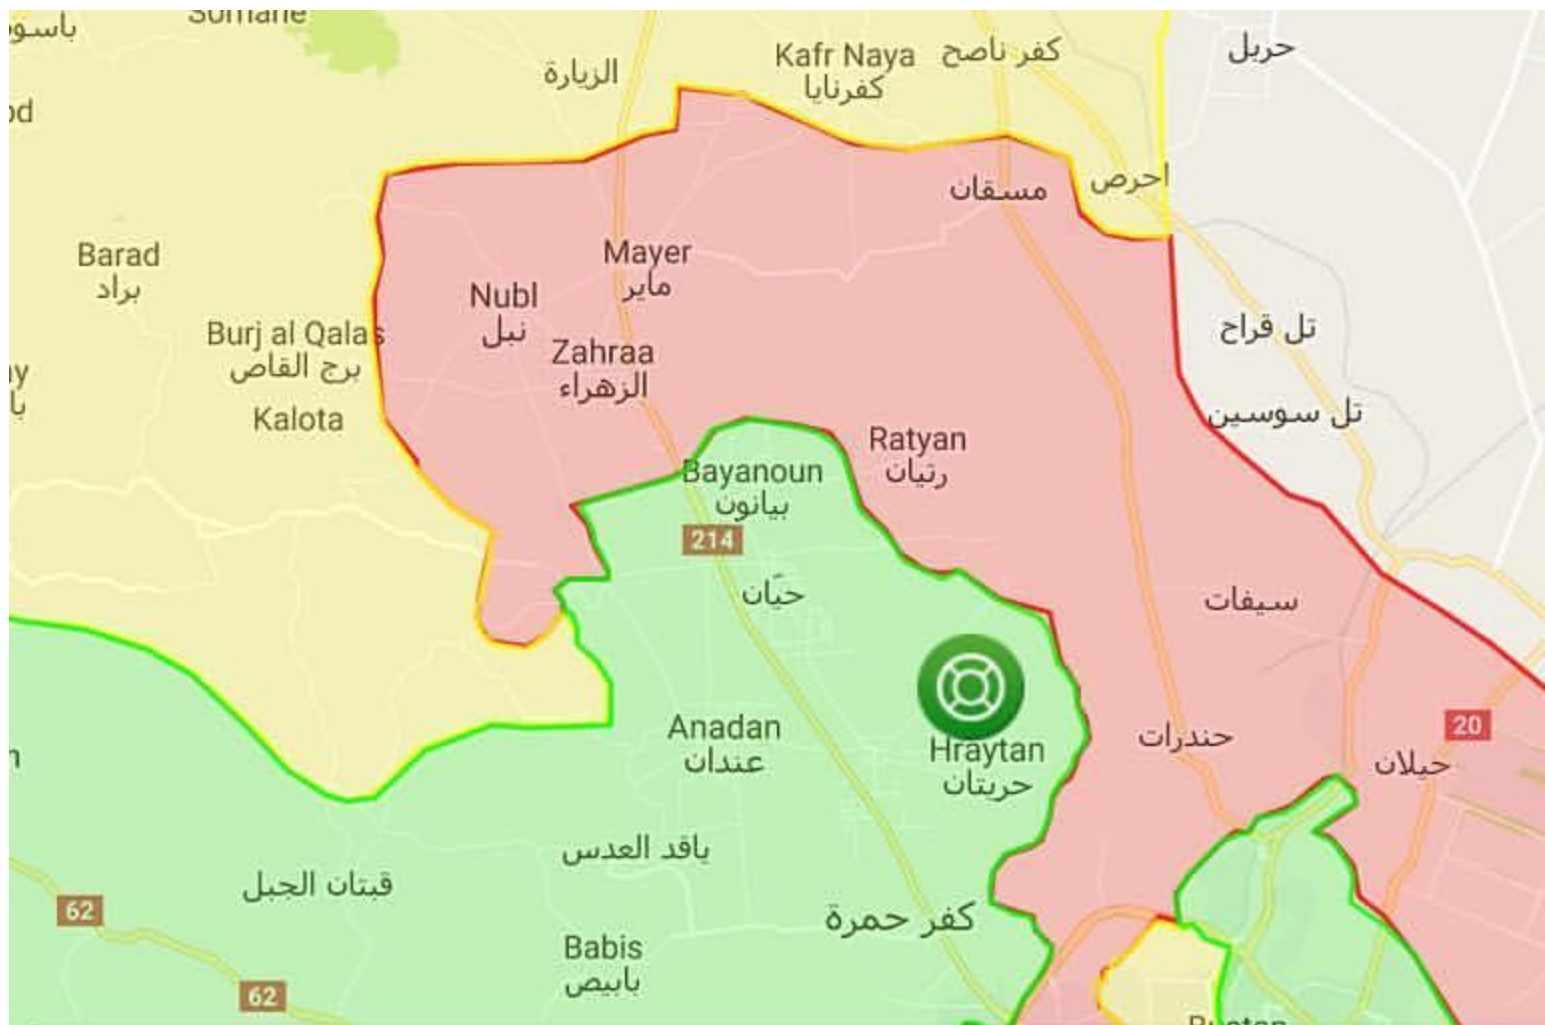

But this classification of sources is by no means a decisive or authoritative one. During the lifetime of the Prophet Muhammed, only the first two chief sources were recognized as binding. Even the *Sunnah* derived its authority from clear injunctions of the *Quran*. Individual opinions did exist, but only in the absence of an applicable text in the *Quran* and *Sunnah*, and within the spirit of the two chief sources. The forming of individual opinions in such cases was urged by the Prophet

US role in #Turkey_coup a bad mistake

A potential Russia-Turkey-Iran coalition would create an opportunity to solve the Syrian crisis. If Erdogan had the smallest bit of wisdom, he should have come to the understanding that he could not make an independent credibility with the help of some "decayed" Arab countries.
